THE
YEARBOOK
STAFF

Presents
During the past three years at Watertown High School, we have experienced both triumphs and defeats in scholastic, athletic, and social endeavors. We have found that triumphs, though not easily won, are worth the winning. We have learned that defeats are but added steps on the stairway to victory.

We have also gained definite impressions here at Watertown High School. In future years these impressions, rather than stark facts, will be remembered: the confusion each September as another year begins, the sudden movement at the sound of the bells, the spirit at the games, the enchanting music at the dances, and the simultaneous relief and sorrow at graduation.

So many things have happened to us, not only as members of the class of 1962 but also as individuals, that recollection of one event stirs other recollections. To provoke these memories of LIFE AND IMPRESSIONS AT WATER­TOWN HIGH SCHOOL is the purpose of this the 36th Edition of the Annual.

Your generation is heir to a world wondrous beyond the wildest imaginings of only a few years ago. Through the research and achievement of science and industry, the awful forces of nature have been harnessed to serve you, and even the stars are within your reach.

You are the product of the environment in which you live and the influences that have fashioned your physical, mental and spiritual growth. Your country, whose way of life has been determined by all the fighters for freedom, from ragged troops of Valley Forge to soldier statesmen of our own day, has in a more remote, but no less real manner, influenced you. Your parents, your clergymen, and your teachers have influenced you even more immediately and you yourselves will, from now on, inevitably influence those who follow you.

It has been truly said that a boy does not have to be shown a mark on the wall to measure up to when there is a man around about the size he wants to be. Make certain that your example promotes peace, understanding, and good will, so that your influence will merge with the good influences of men of every age.

ADMINISTRATION

Mr. John McNealy
Dean of Boys

Miss Edith J. Jacobs
Dean of Girls
IN appreciation of your service to Watertown High School, we, the class of 1962, gratefully dedicate our Annual to you, Mr. John Koumjian.

Your knowledge of and enthusiasm for mathematics and physics have challenged and stimulated us in a time when the world demands that such challenges be met. Your humor and your interest in the individual have made such difficult studies bear personal rewards.

In our final moments here we want to express our gratitude for your devotion and to wish you success in the future.
To you, Mr. James Adams, in recognition of your interest not only in our class as a whole but also in the many individuals whose friendship you have earned for life, we, the class of 1962, dedicate this, our Annual.

As instructor of Physical Education, advisor of the Gymnast Club, and coach of the basketball team, you have taught the true value of sportsmanship.

Now, before we leave, may we wish you happiness in the years to come.

I could have danced all night.
We first came to W. H. S. as sophomores in 1960. After the usual difficult first half year, we began making new friends. Thus, we were able to nominate and elect our Sophomore Class Officers, who were President, Alan Malatesta; Vice President, Fred Elacqua; Secretary, Bette Brooks; Treasurer, Donna Wyshak; Executive Committee, Robert Fantasia, Judy Landry, Paul Tomassetti, Kenny Vaughn, and Denny Williams. Our first year was brought to a pleasant close by the Sophomore Hop.

Eager to start our Junior year, we returned in September. Junior Class Elections were held early. Our new slate of officers were President, Alan Malatesta; Vice President, Fred Elacqua; Secretary, Bette Brooks; Treasurer, Donna Wyshak; Executive Committee, Robert Fantasia, Vicki Nesh, Paul Tomassetti, Kenny Vaughn, and Denny Williams. Our next important project was the fitting, buying, and receiving of our class rings. In the spring, we brought a perfect end to this our Junior year with the Junior Prom.

Anxiously, we all await our Senior year — the year of decisions and trials.
We, the class of '64, entered the ivy covered walls of W. H. S. in September, 1961. Timidly we explored our huge new school. The experience was exciting, although sometimes the upper classmen made it impossible. Within a few months, we were going to rallies, dances, and football games. Our upper classmen soon seemed to accept us by inviting us to join their clubs. Each one of these steps brought us closer to fulfilling our desire to be an important part of our school.

In February, we elected our class officers to lead us through the rest of the year. The officers were President, Daniel Hovanessian; Vice President, Carl Bazarian; Secretary, Susan Wogan; Treasurer, Coral Moon; Executive Committee, Michael Adamian, Nancy Bazarian, John Bianco, Josephine Marenghe, and William Powers. Soon plans were made for our Sophomore Dance, which each one of us awaited anxiously.

We hope to fulfill many plans and dreams in our future years at W. H. S.

Moments to Remember

We remember, we remember
While looking at the past
September, nineteen fifty-nine
The years slip by too fast.
For we were simple sophomores then,
And seniors held their sway;
Though young and shy we knew for sure
We'd rule the school one day.
We'd rule the school one day.

So much we did not know
That many thought we might survive
Though we had far to go.
As East and West became as one
And leaders led us well,
We joined our forces, working hard,
But only time would tell.

We remember, we remember
Returning in the fall
As juniors we looked down on some,
Yet seniors were most tall.
We chose and purchased our class rings
With special pride and glee.
Again we picked our officers
Who served us loyally.
In April came a special night;
We planned and worked with care.
The Junior Prom saw each boy with
A Cinderella there.
In June when all the seniors left,
With courage yet with fear
We knew the moment had arrived
We faced our senior year.

We remember, we remember
This year of trial and test
We stood, the class of sixty-two,
Above, beyond the rest.
The year's events all took their place
The games, exams, and dances
Now each one rests in memory
Which each event enhances.
With Banquet, Prom, and tasseled caps,
We bade a fond farewell
To these past three years, about which
Mere words can hardly tell.
We only hope with heart and soul
From such a thrilling past
Through all the years and years to come
Sweet memories will last.

CLASS WILL

We, the Class of 1962, being of feeble mind and failing memory, and considering the uncertainty of our graduation do hereby declare this to be our Last Will and Testament, hereby revoking all former claims against us, whether they be warning slips, late slips, book slips, pink slips, or blue slips, and hereby cancelling all sessions and back dues.

Therefore, we, the physically unfit, mentally unstable but otherwise normal members of this class do bequeath to our teachers and underclassmen, the following:

1) Mr. Adams and Miss McCarthy, we make beneficiaries of our insurance policies.

2) To our headmaster, Doctor Kelley, a recording of "When You're Smiling".

3) To Mr. McNealy, an incoming Sophomore Class who can remember right 36, left 22, right 35.

4) To Miss Biggane, an imported, handpainted, genuine cedar pair of stilts.

5) To Coach Cousineau, an egg beater so that he won't have to use his shoe.

6) To Mr. Koumjian, taller blackboards.

7) To Mr. Sollitto, shorter blackboards.

8) To Miss Parker, a fourteen Karat gold catalogue from Radcliffe, to be opened with her Phi Beta Kappa Key.

9) To Mr. Winand, the 104th and most violent element, Earlium Winandium.
10) To Mr. Kelman, in order to make his life at WHS a little more bearable, a cane-wearing permit.

11) To Miss Appel, the earth-shaking news that the price of the Manter Hall Books has been raised two cents.

12) To Mr. Hannon, lessons on how to run a mimeograph machine.

13) To Mrs. Deery, more Armenian Books from the Irish Cultural Society.

14) To Mr. Sullivan, a fire engine with a bigger front seat and reinforced ladders.

15) To Miss McCarthy, a green pasture full of “Honey-lambs”.

16) To frustrated Chemistry students, the thought of frustrating physics.

17) To the desks, the histories of our great romances.

18) To the Class of 1963, a book entitled “One Hundred and One Ways To Get Out of Gym”.

19) To the Class of 1964, directions from the outgoing football team on how to really rally.

In witness thereof, we do declare this to be the Last Will and Testament of the class of nineteen hundred sixty-two, being written, re-written, re-re-written, signed, sealed, sealed again, and delivered by the following:

Mary Hatten
Edward Kazanjian
William Rynne, Chairman
On a sweltering August 28, the 1961 edition of the Watertown High football team began practice at Victory Field. After two weeks of double sessions, in which Coach Cousineau utilized his own special brand of "tenderness," the team was in surprisingly good condition for so early in the season. Although this was Mr. Cousineau's first year as head coach, he did a remarkable job of organizing a group of relatively inexperienced boys into a well disciplined football machine. Coach Cousineau was aided by backfield coach Frank Sollitto and trainer "Doc­tor" Murphy. Although lacking experience, the team lacked nothing in spirit. Quarterback Denny Williams led the backfield, composed of fullback Mike Tiano and halfbacks Dave Kiely and Bill McCarthy. Captain Tom Sansone and Bill Rynne paced the small but aggressive line of Bill Flecca, Roland Capone, George Crupi, Dick Iodice, and Lenny O'Connor.

COACH'S COMMENT: After a good half-season, we seemed to tail off. As a result the won and lost record was not what I expected. Overall the boys learned a lot of football.

Joe Dugan
Gridiron Review
Coach Malley’s soccer team was handicapped from the outset of the season. The squad was forced to go into its opening game without any formal practice, due to the absence of goal posts at Victory Field. Their troubles multiplied when veteran Wayne Camerato sustained an injury and had to sit out the rest of the season. Rallying about co-captains Artie Venezia, Ed Romkey, and Peter Marto, the relatively small team prepared to meet teams which were generally out of their class. The squad also lacked experience and bench strength. Versatile halfbacks Ed Kazanjian and Richard DeAgazio showed themselves adept at both offense and defense, often breaking up scoring threats and changing them into drives toward the opposing team’s goal. Always hustling, Joe Fanelli and Artie Venezia proved to be the impetus in the forward line. Coach Malley can look forward to an improved team next year due to the great amount of experience gained by this year’s underclassmen.

at the Goal . . .

The determination of the soccer team was best exemplified by the game against Littleton on October 30. After three periods of scoreless play, Watertown took over as Ed Romkey bounced the ball off his stomach and past the Littleton goalie. Minutes later, the Malleymen scored again as Artie Venezia kicked a ball which sped to its mark like a bullet. Playing control ball for the rest of the period, the Malleymen managed to shut out Littleton two to nothing. If soccer teams were measured by pluck and spirit, this year's team would number among Watertown's best.

COACH'S COMMENT: We had a high spirited team which lost a lot of close games. The seniors were excellent leaders and fine examples to the underclassmen.

Basketball again cast a dark shadow on the Watertown sports scene. In twenty games, Watertown managed to win only once, against Arlington with a score of seventy-one to sixty-eight. As basketball goes, however, this was a good year, since Watertown broke its losing streak of twenty-six league games. The Arlington game was a thriller. The boys seemed to capture the spark they lacked the rest of the season. At the end of the first quarter, Watertown was down by five points. The half saw Watertown thirty-four, Arlington thirty. Ahead by five points at the end of the third quarter, Watertown held the lead and won seventy-one to sixty-eight. Although the victory was accomplished in a concentrated team effort, Don Pouliot was outstanding as he grabbed over half the rebounds and scored eighteen points. Junior Jim Claffee paced the team with a high score of twenty-five points.

This was Mr. Jim Adams' first year as head coach. Coach Adams was by far the most ardent rooter for his team. He could often be seen pacing up and down the side lines, shouting words of encouragement to the boys. The squad's greatest asset was center Jim Claffee, who scored well over...
two hundred points in the course of the season. Ed Rafferty and Ross Venuti out-hustled practically everyone else on the team. Don Pouliot, who was versatile enough to run track during the season also, was the most improved player on the squad. By utilizing an accurate shooting eye, Alex Francisco proved to be the spark plug of the team, while guard Steve Everett dribbled his way through the opposition as a pro.

COACH'S COMMENT: This year was principally a rebuilding year. From all indications, next year is much more promising. Junior Jim Claffee should be the best all-around center in the Suburban League.

Hockey Team

Under the leadership of newly-appointed head coach Art Shannon, the Watertown High hockey team skated and shot its way to a fairly successful season. Enthusiastic and aggressive, the squad put its whole heart into every game. The puckster’s unusually strong defense was due to the steady play of John Sattelmaier and Captain Billy McCarthy. Tall and powerful, “Moose” Sattelmaier was noted for his strong back-checking and his accurate slap shot. Known for his strong skating and fancy stick-handling, McCarthy provided the necessary leadership for the team. Another stalwart on defense was Dave Ernst, who played a solid goal in every game. Only a junior, Dave can look forward to an even better season next year. Mighty Artie Venezia was about the flashiest skater on the team. Up front, the junior line of center Bob Morahan and wings Dickie and Denny Williams proved very effective. Knowing each other’s moves as well as their own, the members of this line were consistently among the top scorers.

Although formal practice was held at the Boston Skating Club, the league games were played at the North Shore Sports Center in Lynn. Since the site was so distant, the team sometimes lacked supporters. Next year, more interest in hockey should be evident, since next year’s team promises to be even more successful than this year’s.

COACH’S COMMENT: We had a fine season; the boys played hard all the way.

All right... where is it!

John Sattelmair

Artie Venezia
Watertown High's 1961-62 indoor track squad was undoubtedly the hard-luck team of the year. In five dual meets, the Gleasonites managed to beat only Somerville, but were nevertheless a respected force in the Metropolitan Track League. The margin of loss in three meets was so slight, that with a couple of breaks, the Gleasonites could have won them. North Quincy, tied with Watertown going into the relay race, won the final event, and therefore the meet, by only six inches. The story was much the same during the Arlington and Belmont meets. Although the season's record seems to indicate otherwise, this year's team was a definite improvement over those of the past two years. A lack of team depth was Coach Gleason's major problem.

Big Bill Flecca was the high point man on the squad. Much improved since last year, Bill took a first in the shot put every dual meet. Bill was backed up by his brother "Little" Flecca, who consistently took second place. Another of Watertown's strong events was the mile. Captain John Sutherland and Don Pouliot were outstanding in that event. Bob Sheehan and Randy Herald ran the three hundred in their first year of competition while speed merchants Paul Tomasetti and Jack Kerbeshian ran the fifty yard dash. Middle distance men were Joe D'Amico and Bruce O'Neil, running the thousand and six-hundred respectively. Bruce Cohen and Quentin Dawson dominated the high jump as J. Kalayjian and Bob Messina took over the hurdlng duties.

COACH'S COMMENT: Since we have lost all our scoring strength, we will have to start from scratch. Next year will be principally a rebuilding year.

Although Coach Gleason's cross country team registered four losses, it managed to beat its arch-rival Newton in each of three encounters. Captain John Sutherland led the scoring as he broke the tape first in every meet. During the fall, Sutherland managed to break two course records, and came in seventh out of a field of two hundred eighty runners at the state meet. Capturing third place in five out of eleven dual meets, Don Pouliot proved to be a very strong second. Joe D'Amico, Bruce O'Neil, and J. Kalayjian rounded out the rest of the Senior roster. After a football mishap, Warren Todd joined the team and proved himself varsity material as he ran away with the J.V. race at Newton South. With a little more experience, sophomores Bill Dickerson and John Whelan should blossom into fine runners.

COACH'S COMMENT: With the experience gained by this year's sophomores, we hope to be contenders for league honors next season.
Girls Sports
With the cry of "Ground sticks, ground sticks!", the girls' field hockey team started practice in mid-October. Since field hockey was not included in Watertown sports last year, only twelve girls reported for the squad, but, despite a lack of numbers, they enjoyed a fair season. Due to a late start, Coach Biggane was able to schedule only two games. The first of these was with Newton South as high scorer Beth Devlin led the Raiderettes to a two to one victory. In their second game, the girls lost to Newton North by three points. Outstanding seniors on the varsity were Captain Anne Wyckoff, center forward Beth Devlin, center halfback Lois Galgay, and goalie Donna Grant.

COACH'S COMMENT: The girls did a good job in bringing back the interest in field hockey. Although the squad was not large, it showed a lot of school spirit.

Exciting new developments in electronics are everyday business at Raytheon. Examples: Radarange microwave ovens that cook a complete meal in two to five minutes; lasers . . . key to tomorrow’s space communications; weather radar to warn of approaching storms. To young men and women planning a career, electronics offers many rewarding opportunities. Today, more than 4000 companies make up the electronics industry. Of these, Raytheon is one of the world’s largest manufacturers specializing in electronic equipment.

Acknowledgements

In acknowledgement of the efforts of those who helped make this, the 1962 Annual, possible, we, the staff, should like to express our gratitude; in particular we should like to thank:

OUR ADVISORS

Mr. Harold Moody, our art advisor, whose expert advice, unlimited talent, and patience were completely devoted to the preparation of this yearbook.

Mr. William Kelleher, our faculty advisor, whose concern showed the solution of many of our problems.

Mr. Thomas Roach, a wonderful friend whose previous experience helped us to meet and overcome any difficulties which we met during the year.

Mr. Nicholas Papas, our business advisor, whose skill aided in obtaining our advertisements.

OUR HEADMASTER

Dr. John J. Kelley, whose supervision and personal interest made possible the fulfillment of many plans.

OUR FACULTY

All the teachers whose patience and interest furthered the production of the yearbook.

OUR PROFESSIONAL FRIENDS

Purdy Studios, in particular, Mr. Lauren St. Onge, Mr. James Bleiler, Mr. George Corregan, and Mr. Warren Hunkier, whose co-operation and talents were of invaluable aid.

Delmar Printing Company, and Mr. Douglas Dunn whose skill is evident in the production of this, the 1962 ANNUAL.
