THE YEARBOOK STAFF

OF

WATERTOWN HIGH SCHOOL
WATERTOWN, MASSACHUSETTS
PRESENTS THE
1963 ANNUAL
Three years ago, East and West collaborated and from this collaboration emerged a symphony encompassing our years at Watertown High School. Under the leadership of an able faculty, we worked together in close harmony. With perseverance and hard work, we accomplished our goal.

During our Sophomore and Junior years, we created a melody consisting of studies, athletics, and social functions. Not until our Senior year did this melody reach fruition. Suddenly we could sense the fast-approaching finale. The banquet and Prom combined to form the crescendo. Graduation, the finale, followed soon after. With eagerness and apprehension, we stepped forward to accept our diplomas.

Now the last notes have sounded, but the melody lingers on. It is the purpose of this, the 37th edition of the Annual, to recall, in the future, the memories of the past and to help us in the coming years face life WITH A SONG IN OUR HEARTS.
During the past three years, you have developed an inspiring environment in your school, and this has resulted in great physical, mental, and spiritual growth for yourselves and your school community. For this achievement I salute you.

Your goal must ever be to increase your understanding of our culture and of our democratic way of life that you may better lead others in the right ways—that you may be a bulwark against the enemies of our democracy. You must continue to develop mentally and morally that you may cope with international problems and issues here at home. You must gain an understanding of the world you live in that you will not be lost in it. Most important, you must be able to understand and safeguard our American Heritage and freedoms.

Whatever your plans for the immediate future, your task has just begun. Now you are on your own. The world will give no quarter, and it will crown with success only those whose determination, enduring effort, and constant vigilance warrant it. Remember, the school seeks to get you ready for examination; life gives the "finals".

I wish for each of you every bit of good fortune life can give. Au revoir.

John J. Kelley
ADMINISTRATION

Mr. John McNealy
Dean of Boys

Mr. John Watson
Assistant Headmaster

Miss Edith Jacobs
Dean of Girls
We, the class of 1963, in appreciation of the years of kindness and devotion that you have given to the students of Watertown High School, dedicate this, our Annual, to you, Mr. William O'Toole.

Quiet efficiency is expressive of the calibre of leadership which you have provided for us in the years of our association. Unselfishly, you gave of your time and energies to help confused students understand the trials and tribulations of Roman heroes. You taught us Latin, the foundation of our English language and much of our Western civilization. More than that, however, by your fine example, you taught us the virtues of kindness, patience, and humility.

Now, with graduation here, we wish to extend to you our best wishes and heartfelt thanks. May you always be blessed with the success and happiness you so richly deserve.
IN MEMORIAM

THOMAS ROACH

Anyone’s passing affects all of us in some way. As John Donne wrote, “No man is an island... any man’s death diminishes me, because I am involved in Mankind...” On Friday, September 28, Mr. Thomas A. Roach, a beloved member of our faculty, passed away. Those who were fortunate enough to attend his English classes know how much he cherished those lines by John Donne.

Mr. Roach served during World War II as a United States Army Captain. For his outstanding service, he was decorated by the Italian government with the Order of the Cross of Italy and the Cross of the Chevalier. In addition, Mr. Roach held honors from both the Czechoslovakian and American governments.

But bravery on the battlefield was only one of Mr. Roach’s many capabilities. He was also a teacher, and an actor. We, who have been taught by him, know that he was a master at combining the arts of his two professions. How well we recall his booming voice that would call out, “Lit-tle sis-ter A-ga-tha!” “Why don’t you start?” or “Oh, here’s a quiz kid mark!”

There is so much more that could be said, that should be said about Mr. Roach. We who worked with him, both in class and in other capacities, know only too well how patient and kind he was, and we, perhaps, above all others know just how much Water-town High lost in his passing.

“So long as men can breathe or eyes can see
So long lives this and this gives life to thee.”

—Shakespeare
SOCIAL STUDIES DEPARTMENT: (Seated, left to right) Mr. Owen Hannon, Mr. A. Robert Kelman (head), Miss Eleanor McCaffery. (Standing, left to right) Mr. Peter Burke, Mr. John Cuccinatto, Mr. Robert Gleason, Mr. T. Donald Robinson.

Math Club 1; Biology Club 1,2; Bulletin 2,3; Tennis 1,2,3; Soccer 3.
Having started out as apprehensive sophomores, new to the ways of Watertown High School, we quickly managed to find our groove. As sophomores, we found the business of class elections to be an anxious time for all. When the votes were counted, we had elected Daniel Hovanesian, President; Carl Bazarian, Vice-President; Susan Wogan, Secretary; Coral Moon, Treasurer; Nancy Bazarian, Josephine Marenghi, John Bianco, William Powers and Michael Adamian as the Executive Committee.

Suddenly we were Juniors and could order the long-anticipated class rings. We received them in time for Christmas and showed them off to everyone within shouting distance. It was also election time again; the halls were decorated with enthusiastic posters. After a near upset Daniel Hovanesian was re-elected President: Carl Bazarian, Vice-President: Sue Wogan, Secretary: Coral Moon, Treasurer: Michael Adamian, John Bianco, Josephine Marenghi, Edward O'Halloran, and Leo Rizzo as the Executive Committee.

The highlight of the year was the Junior Prom—a truly unforgettable night for those of us attending our first real prom.

We Juniors have enjoyed our two years at Watertown High and are looking forward to our roles as Seniors next year.
Last September, we, the Class of 1965, entered Watertown High. We arrived, bringing with us large quantities of eagerness and enthusiasm. Somehow, we knew that this, our first year at WHS, was to be a very special year. At first, we doubted our ability to find our way around the school. Friendly upperclassmen gave us necessary aid. From the start, we entered into school activities. When the time came to elect class officers, we were able to choose from the longest ballot in WHS history—eighty-two candidates. In a special run-off election we chose Mario Conti, President; Daniel McDermott, Vice-President; Elaine Movsessian, Secretary; Betty Annese, Treasurer; Diane Roopenian, Mary Clark, Frank Stiriti, Beverly Drinkwater, Robert Pugliese, Executive Committee. Under their capable leadership, we emerged as a class ready and anxious to assume our new role as Juniors.
A new Sophomore President takes the reins.

School and Community Services

TRI-HI-Y

“To maintain, extend, and establish high standards of Christian character throughout the community” has been the guide, during this year, of the civic-minded girls of Tri-Hi-Y. They have shown their eagerness for service to the school by sponsoring the Winter Carnival and by offering a scholarship to a deserving student. The beanies, proudly worn by many members of the student body at pep rallies, were the result of the Tri-Hi-Y’s efforts to further school spirit. The girls were fortunate to attend lectures, given by experts in their fields, on such subjects as fashions, segregation, and Russia.

Officers elected were: Kathy Landry, President; Stephie Roback, Vice-President; Margaret MacIntyre, Secretary; Jane Heaslip, Treasurer; Connie Dagle, Chaplain; Barbara Rizza, Sergeant-At-Arms.

TRI HI
QUID NUNC

Throughout the year, members of Quid Nunc have demonstrated their willingness to serve the school and community. The girls of Quid Nunc have worked diligently, helping the Junior Red Cross with which they are affiliated. Among the various projects conducted in connection with the Red Cross was the making of scrap books which were distributed to local children's hospitals. The filling of Red Cross boxes, sent to needy children, made friends for WHS around the world.

Treasurer ...................... Barbara Norton
The Bulletin is Watertown High’s school newspaper. Published approximately twelve times a year, it endeavors to present all sides of school activity to the students. By their own choice, the editors have confined the paper to articles which pertain directly to some phase of school life. The editorial policy is dedicated to setting forth controversial topics which will provoke student discussion.

Aside from its purpose as a high school publication, The Bulletin gives those students who wish to participate, a chance to be a part of an active, functional organization.

STUDENT COUNCIL

Linking the school administration to the student body, the Student Council serves and governs WHS. Student Council representatives, elected by members of their homerooms, meet once a month for the purpose of planning numerous assemblies and charity projects. The Council Kickoff, an annual dance sponsored by this group, provided a pleasurable evening for many. This year, for the first time, the Student Council sponsored homeroom bowling leagues. The representatives also chose students to represent WHS on Student Government Day and during the Junior Good Brotherhood Program.
Get Out the Vote

ELECTION COMMISSIONERS

ELECTION COMMISSIONERS

To aid in the election of class officers is the main duty of the Election Commissioners. This group, supervised by Mr. Peter Burke, is responsible for the setting up of booths and the tallying of the votes. This year, the Election Commissioners had their work cut out for them when the closeness of the sophomore class elections necessitated a run-off election to determine the winners. With the help of the Election Commissioners, the students of WHS acquired first-hand knowledge of the democratic voting system.
The Machine Club under the sponsorship of Mr. Philip Garufi, helped to familiarize boys with the operation and maintenance of heavy industrial machines. It was hoped that, through the club, the members would be aided in their future occupations. This year was the first year of the Machine Club's existence, but, from all indications, the boys in Industrial Arts courses will, by their interests, keep the machine club as a lively part of school activity. Membership in this club proved to be a rewarding and enlightening experience.
Sharpshooters

This year the Rifle Club, under the capable direction of Al St. Onge, spent a successful year on the shooting range. During the meetings club members, in accordance with their motto of safety first learned the safe and sane way of handling firearms on the firing range. The members also viewed movies on the care of firearms and held practice every week at the arsenal.

The main activity of the rifle club is its participation in rifle matches. At these meets that begin in early January, the members had a very successful season.
All those fascinated by the intricacies of math find enjoyment in the Math Club, under the direction of Mr. Gerald Cleary. Working to stimulate interest in mathematics, the organization is primarily concerned with the study of number systems and methods of computation. Members can graduate from learning the basics of number systems to modern math. The students are the proud possessors of the Minivac 601 computer, which, along with its mathematical abilities, plays an infallible game of tic-tac-toe. A main activity of the Math Club is its participation in the Math League comprised of thirty-six schools in this area.

CAMERA CLUB

Watertown High’s oldest club is responsible for many of the pictures appearing in the Annual and the Bulletin. The Camera Club under the supervision of Mr. Sullivan, took pictures of clubs and social functions; these pictures were later sold to W. H. S. students. During the meetings members discussed the development and printing of pictures. Many of the shutterbugs in the club intend to make photography their career, while others simply enjoy the fun of taking and developing their own pictures.
OFFICE WORKERS

The Office Workers, made up of hard-working WHS students, deserve much praise for their eagerness to serve the school. The girls file notes and late slips, answer phones, and collect attendance slips at the end of the day. It is these girls that distribute the daily absentee list. In addition to helping out in the main office, these workers aid Miss Jacobs and Mr. McNealy with the clerical duties of their jobs.

SECRETARIAL CLUB

Interested students in the Commercial, Business and Stenographic courses combined this year to form the Secretarial Club. Under the supervision of Miss Desmond, the girls attend conferences and lectures given by prominent businessmen and women dealing with office efficiency. The club, primarily a service club, devoted much of its time to typing for the faculty and the Annual Staff. Members of the club held an assembly for Sophomores to help them in their selection of an appropriate business course.

Artists and

ART CLUB

In the informal and creative atmosphere of the art room, the Art Club, under the sponsorship of Mr. Moody has engaged in everything from copper tooling to making poodles. For an hour each week, members may have materials, encouragement and friendly advice as they explore the worlds of perspective, perception, color and design. Whether as a basis for a career in art or as a chance to create "just for the fun of it", the students find the Art Club an enjoyable experience.
CRAFTS CLUB

CRAFTS CLUB

Exploration and experimentation in clay, metal, mosaics and other mediums make membership in the Crafts Club a fascinating experience. Formed last year, the club, under the sponsorship of Mr. Voci, gave Watertown High students the opportunity to create many useful objects for home use. The members spent much of their time working with ceramics and copper enameling. Members of the club endeavored to further school spirit by making and selling Red Raider plaques and pennants. Membership in the Crafts Club proved to be a fascinating and enjoyable experience. The members agree that the past year was a most instructive and productive one.

RADIO CLUB
The Radio Club emerged this year as a group which, although small, was very active. An antenna was erected on the roof of WHS; a temporary station was installed for the use of the federally-licensed "hams" in the club. For the interested "non-hams", the club conducted informal classes in Morse code. Members of the Radio Club discovered that amateur radio is more than a pastime for those who like to explore the intricacies of electronics.

**PROJECTION CLUB**

Teachers become students when they meet with members of the Projection Club. This group instructs the faculty in the use of amplifiers, tape recorders, and slide projectors. Under the capable leadership of Mr. Bannon, the club attends town meetings where the members handle the audio equipment. The club also provides the lighting and sound effects for the Senior class play. Last year this club was rewarded for its efforts by receiving the Thomas S. Blake Award for outstanding service to WHS and the community.
Le Cercle Français

FRENCH CLUB

Turning away from studying the languages and concentrating more on the culture and civilization of France, the French Club, under the direction of Mr. Edward Craig, is the largest in the school. This year, the members were fortunate enough to acquire first-hand knowledge of French life from Jean Wheeler and Francoise Wentziger. The highlight of the club's activities was an excursion to a restaurant in Harvard Square for a taste of authentic French cuisine. Records, both classical and popular, added sparkle to several meetings.
iviva! The Spanish Club

SPANISH CLUB

Once a week members of the Spanish Club traveled south of the border. These club members, with Mrs. De Avilla as a guide, explored the culture and customs of our Latin American neighbors. By conducting part of their meeting in Spanish, the members hoped to gain a greater fluency in the language. During the meetings, members read Spanish poetry and listened to native recordings. Through these experiences, the linguists gained a greater appreciation of the civilizations of Spanish-speaking people.

BASKETBALL CLUB

Basketeers

BASKETBALL CLUB

The Basketball Club, under the sponsorship of Coach Adams, consisted of boys who displayed interest in the exciting game of basketball. Many of the members of the club were also members of the WHS basketball team. This year, Coach Adams introduced an innovation to the club—tape recordings of games. From these tapes, the boys learned to improve their game and to derive more enjoyment from it. The successful basketball season testifies as to the value of these tapes.

Club officers were: Don Porteous, President; Jim Claffee, Vice-President; Billy Cannata, Secretary; Marty Kelley, Treasurer.
GRIDIRON CLUB

Boys interested in the game of football found enjoyment in belonging to the Gridiron Club. Made up, for the most part, of members of the football team, the club, under the direction of Coach Cousineau, had a very active year. Members met to discuss and profit from the movies of past Red Raiders games. During the year, these football-enthusiasts sponsored the very successful Gridiron Hop. To earn the necessary money for senior sweaters, the boys sold WHS sweatshirts.

THEATER WORKSHOP

Catering to Watertown High’s aspiring actors and actresses, the Theater Workshop draws its membership not only from those students interested in performing, but also from those interested in the production and direction sides of the theater arts. All the club’s endeavors culminate in the production of the Senior class play, with members making up some of the cast and the highly-important technical staff.

To broaden their knowledge of the legitimate theater, the Workshop attended Tufts University’s presentation of “Our Town” and “The Sound of Music”.

FOLKSONG CLUB

W H S Hootenannies

FOLK SONG CLUB

Relatively new to WHS is the Folk Song Club. Unrecognized and unsponsored until this year, members previously practiced in a dark corner of the auditorium balcony. The club now has Mr. Hagopian for a sponsor and does its singing in Whitehill Hall. As proof of their new status, the Folk Song Club took part in several concerts, including many performances at WHS.

The club is presided over by Ann Heisler and Ingrid Schultz as combination President-Secretaries. Guitarists include Ann Tambureno and Shannon Balliet, with Donna Christopher on the bongo drums. Patty Sheehan, Nancy Erickson, Kathy Blackburn, Karyn Mosman, Sandy Marion and Mary Giovinazzo make up the harmony section.

BIG STARS
WINTER CARNIVAL
We, the class of '63, being of sound (?) body and wishing to avoid the other part of this traditional phrase, do hereby make, ordain, and publish this as our last Will and Testament. It is with deep appreciation (not to mention outstanding generosity) that we do hereby bequeath:

1) To Coach Adams, a cat to keep his dog company.
2) To Mrs. Boy, memories of the “psychologically immature”.
3) To Miss Appel, a deaf ear to turn to the Bulletin office.
4) To Mr. Koumjian, we leave sturdier furniture.
5) To Mr. Jackson, we leave a greenhouse made of unbreakable glass.
6) To Mr. Cleary, a book entitled Modern Math Can Be Fun.
7) To Mr. McNealy, we leave that new invention, phoneo-vision, so that he may gaze into the homes of unsuspecting absentees.
8) To “Krash” Kaveny, a bottle of instant-courage pills.
9) To Mr. Kelleher, we leave a Hal Kevorkian doll which winds up and can’t be found anywhere.
10) To Miss Parker, we leave her fondest wish—a correctly filled-out College Board application.
11) To Mr. Watson, we leave a lunch period devoid of cannibalistic sophomores.

12) To the next year's Senior class, a book of blank pages entitled, The Advantages of Being a Senior.

13) To the gym classes, we leave an off-beat dosey-do.

14) To the track team, we leave a snow-blower.

15) To the blackboards, we leave erasers that live up to their names.

16) To the Bulletin advertising staff, we leave man-eating sharks who dislike Annual competitors.

17) To a more courageous class, we leave the items censored out of this year's class will.

18) To Dr. Kelley, we leave!!

We, being immensely pleased with ourselves and our munificences, in witness whereof, subscribe our names and affix our seal in the year of our Lord nineteen hundred and sixty-three.

Testated by—

Niel Porcaro, Chairman
George Airasian
Joseph Zeytoonian
On a September day in 1960, we, the class of 1963 made our debut. An audience, consisting of domineering seniors and over-critical juniors, were eager to view our every move. Amid never-ending corridors and unfamiliar faces, we were forced to adjust ourselves.

As the weeks passed, we learned to overlook the satirical comments made by upperclassmen and to find our own niche at W.H.S. It was not an easy task, but we were determined to succeed. To help us attain our goal, we chose as our class officers: Alan Malatesta, President; Fred Elacqua, Vice-President; Bette Brooks, Secretary; Donna Wyshak, Treasurer; Paul Tomasetti, Denny Williams, Judy Landry, Robert Fantasia, Kenny Vaughn, Executive Committee. At the Memorial Day assembly we proved our worth and when school recessed for the summer, we found ourselves anxiously awaiting our junior year.

When we returned to W.H.S. in the fall, we were no longer called “youngsters”. We criticized the sophomores very bit as much as we had been criticized; we still longed to wear the crown of “senior.”

Our class felt that experience was necessary in order to achieve all we desired. We therefore chose; Alan Malatesta, President; Fred Elacqua, Vice-President; Bette Brooks, Secretary; Donna Wyshak, Treasurer; Robert Fantasia, Vicki Neshe, Paul Tomasetti, Kenny Vaughn, Denny Williams, Executive Committee. We realized the sagacity of our selections when, aided by these capable officers, we, as a class, reached great heights.

One of the biggest moments of that middle year was the selection of class rings. For a time, the cafeteria conversation consisted of opinions as to the size and color to choose.
Our second year at W.H.S. ended beautifully with the Junior Prom. As we entered the lavishly-decorated gym on that very special night, we could not help but reflect on the memories of the past two years; our life at W.H.S. was rapidly—too rapidly—approaching the end.

When classes resumed in September of 1962, three hundred and thirty-six students stood a little taller. Now, we were seniors and the leaders of the school. To aid us in this all-important year, we relied on the capabilities of Alan Malatesta, President; Fred Elacqua, Vice-President; Bette Brooks, Secretary; Donna Wyshak, Treasurer; Denny Williams, Vicki Neshe, Robert Fantasia, Paul Tomasetti, Kenny Vaughn, Executive Committee.

On Thanksgiving morning in 1962, we braved the rain and cold to cheer for our Raiders. It was our hope that at this, our last game, we would soundly defeat our traditional rival. Our boys fought valiantly in the muddiest game imaginable. Problems arising from admission to college or employment after graduation took up much of our time. We found the necessary time, however, to attend the Holly Hop, the Winter Carnival, and, of course, the Senior Play.

Scheduled next on our ever-increasing list of activities was the Senior Banquet. After a hearty dinner, we received the long-anticipated Annuals. The festivity of this occasion contrasted sharply with the solemnity of Baccalaureate. We “could have danced all night” on the lovely spring evening of our Senior Prom. Then, it arrived — graduation. We were well aware of the challenges with which we would soon be forced to cope. As we stepped forward to receive our diplomas, we knew that our years at Watertown High would enable us to face these challenges WITH A SONG IN OUR HEARTS.
FOOTBALL

For many years an independent, Watertown's football eleven has entered the 1962 season as a full-fledged member of the Class A Suburban League. Sparked by a predominantly senior starting lineup, our gridiron heroes sustained a fine performance considering their toughened schedule. You may be sure that Coach Cousineau and his lads will never be able to forget that soggy Turkey Day at Belmont. Our head coach was ably assisted by the competent help of coaches Myles, Murphy and McDonnell. Quarterback Den Williams called signals for his aggressive backfield of Paul Tomasetti, co-captain Mike Tiano, and Dave Lupo; with Tony Deldon, Dick Iodice and Dick Williams being his chief targets on pass plays. Co-captain Len O'Connor anchored the offensive forward wall of Tony Flecca, Jim Stewart, Al Elias, Fred Lord and Bob Bibbo.

Coach's Comment:

Although we had a better team than last year, the boys didn’t attain the winning record as I expected.
Review
WH S Hustling Hoopsters

BASKETBALL

The basketball story at W.H.S. this year was far from gloomy despite the seven-thirteen record. By far the most thrilling victory was the sixty to fifty-nine win over powerful Brockton. Sophomore star Rick Grant's layup with thirty seconds remaining clinched the headline-making upset.

Helped by an enthusiastic crowd, their spirited play nearly produced major upsets over Suburban League powerhouses Rindge and Brookline.

The team played the best basketball of any Watertown quintet in recent history. Don Porteous and Bill Cannata gave the team the outside score while Jim Claffee, who scored over four hundred and fifty points to set a new school record, Rick Grant and Alex Elias supplied the inside scoring punch, with Dave Collette and Joe Adamik providing necessary bench strength.

Coach's Comment:

The boys played well this season although the record doesn't show it. If we had had a little better luck we could have had a good season.

While on his way to eventually become 1962-63’s third most productive score in the Suburban League, Watertown star center Jim Claffee set two Watertown high scoring marks:

1) most points scored in a single game: forty-one against Brookline, February 5, 1963.

2) most points in a season, 477 points.
SOCCER

Getting off to a slow start this season as a result of Coach Malley's illness prevented the Malleymen from getting well-needed practice. Although the Malleymen posted a disappointing two and eight record, the results were not as bad as they appeared for many of the games were lost by only one goal. Exemplifying this was Watertown's first game with Belmont, which our boys lost 5-4 after building up a 4-2 lead. The highlights of this year were the high scoring of Junior Kirk Stepanian and the sparkling defensive play of senior Co-Captains John Burokas and Ted King. Coach Malley is looking forward to more promising results next year.

Coach's Comment:

Although the team will lose six seniors this year including Co-Captains John Burokas and Ted King, the future looks bright with the return of several starting juniors including high scorer Kirk Stepanian, along with some promising sophomores.

HOCKEY... Pucksters... Save

Despite rosy pre-season predictions, which picked them to finish near the top of the Middlesex League, Watertown High's sextet was confronted with a much tougher schedule than expected and were disappointing. With much of the team's starting lineup consisting of returning senior veterans, the high-scoring duo of Dick and Denny Williams, anchored by Bob Morahan at center comprised the first line. Defensive duties were shared by another related combo, Jon and Bobby Camposano, ably assisted by spares Ira Leighton and Len O'Connor. Dave Ernst guarded the nets for head coach Art Shannon.

Coach's Comment:
This was truly a disappointing season considering the fine talent which the team possessed. We have, however, some promising prospects for next year.
Coach’s Comment:
The loss of seniors creates a big gap which has to be filled if we hope to repeat this year’s record. However, the junior and sophomore prospects look bright for next year and with a little luck we should have another winning season.

Sparked by co-captains Bob Messina and Tony Flecca, the Watertown High Indoor Track Team completed a fine season with four wins and three losses. The lack of depth hurt the tracksters with most of the burden placed on the shoulders of seniors Bob Messina, four times a double winner in the hurdles and high jump, Tony Flecca, who eclipsed the fifty-foot mark with the shotput, Paul Tomasetti, in the fifty, John Donahue, in the six hundred, and Mike Tiano, in the three hundred, all of whom accounted for over two-thirds of the W.H.S. points. Despite the lack of depth in the underclassmen, two of the three losses continued to the last event, the relay, before the final outcome was decided.

With another year of hard work and experience some of our remaining tracksters will blossom into real stars, especially John Whalen and Paul Callahan. Other promise lies in the ability of Peter Rizza, Norman Hursh, Justin DiGiacomo, Sandy Tetanski, and Bill Dickerson. Naturally, not too much was expected of the sophomore entrants but they provided many surprises for Coach Robert Gleason as time and time again Joe Tucceri, George Ruggerio and others narrowly missed placing.

Other seniors contributing to this year’s fine showing were Everett Baker, Ernie Johnston and Neal Duggan.

CROSS COUNTRY

The combination of a few skilled seniors and juniors and some inexperienced sophomores led the Harriers of 1962 into what was hoped to be a successful season. The team under Coach Gleason went into the season enthusiastically but met some hard opposition. The boys were led by the undying stamina of the team's captain, fleet-footed Everett Baker.

The Gleasonites traveled to White Stadium to participate in the cross country championship, where they placed thirteenth in their class. The runners were John Whalen, Mike Cohen, "Go man" Hursh, Bill Dickerson, "E. B." Baker, Peter Gerlach, Neal Duggan, Joe Tucceri, "Crazy-legs" Doherty and Fred Nastri.

Although the Harriers could have had a much better season, every member of the team displayed his fighting spirit that is so typical of Watertown High.

Coach's Comment:
Prospects look bright for next year with seven of ten returning.

A TELEPHONE JOB
OFFERS BOTH CAREER
AND SOCIAL SATISFACTION

WITHOUT BREAKING STRIDE,
why not graduate from high school to the Telephone Company? You'll love the friendly young people who'll work with you, and the many social activities that make your work so pleasant and rewarding.

OPPORTUNITY IS EXCELLENT
and your ability will be recognized. Your starting salary should climb with regular increases. And, of course, Company benefits, security, and regular advancement are well-known reasons why working for the Telephone Company is so attractive to graduates.

TELEPHONE JOBS ARE IMPORTANT,
vital to the effective communications of the community, the nation, and the world. When you take your place as a respected member of the telephone community, we'll train you, on full salary, even without previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

ELECTRONICS ENGINEERS GET CURIOUS—
AND LOOK WHAT HAPPENS AT RAYTHEON!

Surely we do encourage free-wheeling, no-holds-barred curiosity in this fast moving field of electronics! Here at Raytheon, for example, it's the constant interest of our people in exploring new ideas that leads every day to new and exciting electronics developments. Examples: "DataRay" equipment to transmit punched card data by telephone... weather radar to warn of approaching storms... lasers, a key to space communications. For the young man or woman eyeing a career, the electronics industry is filled with satisfying and rewarding opportunities. Raytheon Co., Lexington, Mass.

ACKNOWLEDGEMENTS

We, the staff of the 1963 ANNUAL, would like to express our appreciation to those who aided us in the publication of this book. We express our particular thanks to:

OUR ADVISORS

Mr. Harold Moody, our art advisor, who devoted his time and talent to the preparation of this year book.
Mr. William Kelleher, our faculty advisor, who ably assisted and advised us during the year.
To Miss Mildred Caram and her typing classes whose skill and assistance enabled us to meet our deadlines.

OUR HEADMASTER

Dr. John J. Kelley, who, with his patience and understanding, helped us to complete this yearbook.

OUR FACULTY

All the teachers who displayed interest in the success of this publication.

OUR PROFESSIONAL FRIENDS

Purdy Studio, especially, Mr. George Corregan, Mr. Joseph Sullivan, Mr. Herb Castro, Mr. James Bleiler, Mr. Terry Bleiler, and Mr. Warren Hunkier whose co-operation and talents were of invaluable aid.
Delmar Printing Company, and Mr. Douglas Dunn who, kindly extended deadlines and aided in the publication of this, the 1963 ANNUAL.
