Annual '64
Annual

WATERTOWN HIGH SCHOOL
WATERTOWN, MASSACHUSETTS
When we entered Watertown High School, we were mighty small people—sophomores. Although we knew little about the mechanisms of the school, we were sure that now that we had arrived, it would function exclusively for us. In 1962 we became juniors, disdaining the haughty seniors, pitying the lowly sophomores. And still we were convinced that it was for us that WHS existed.

But we are finished here now, and faced with the prospect of beginning again—somewhere—at the bottom. We have realized that we are not the entire picture, that we are only a tiny fraction of it. As we members of the Class of 1964 prepare to leave WHS to face the coming years, let us resolve to apply that realization to make each day of our "tiny fraction" worthwhile.

TO THE CLASS OF 1964

It is my opinion that liberal education, broadly defined, is not only the best, but perhaps the sole means known to us to insure a fighting chance of surviving as a world and a civilization and of remaining, as a race, in control of our brain children. For liberal education, properly conceived, is preparation for change.

Your generation, in spite of your youth, has already lived through more change than people usually encounter in a series of generations. You have met these changes admirably, with courage and conviction.

It is my hope that our attempts to liberalize all our curricula have been sufficient to help you meet the exciting and important roles that society will demand you play in the future.

I heartily congratulate you, the Class of 1964, on your graduation. May your courage that comes from faith in God continue to serve you well in success and happiness.

Sincerely yours,

John J. Kelley
Headmaster
MR. JOHN WATSON
Assistant Headmaster

MISS EDITH JACOBS
Dean of Girls

Administration

MR. JOHN McNEALY
Dean of Boys
MISS MARGARET McCARTHY
As a token of our appreciation, we, the Class of 1964, dedicate our Yearbook to Miss Margaret M. McCarthy.

It is difficult for us to express the amount of devotion with which she carries on her job as a college-preparatory English teacher.

From her we learned to think clearly and in specifics; we developed an animated interest in the classics: Oedipus Rex, Scarlet Letter, Moby Dick.

In our times of need, from the depths of our discouragement, we knew we could always turn to her for encouragement and guidance. Her advice has helped us over many rough places.

On us she has made an everlasting impression which neither time nor future English teachers will be able to completely obliterate. Above all, she has taught us to search for the truth—even if the truth does hurt—and that is the most important lesson.

It is our hope that Watertown High will be blessed with her presence for many more years.

Class of 1964
JOHN FITZGERALD KENNEDY
1917-1963

"In death he gave of himself to us. He gave us of a good heart from which the laughter came. He gave us of a profound wit, from which a great leadership emerged. He gave us of a kindness and a strength fused into a human courage to seek peace without fear."

Senator Mike Mansfield

"Mike" ... tall blond ... affectionate ... waterskiing and hunting captivate his fancy ... a new arrival at Watertown High.

PAULINE ZESKI
General
Veterinarian
"Pauline" ... friendly and personable ... enjoys collecting stuffed animals ... loves all kinds of animals.
Underclassmen
When we first entered W.H.S. as sophomores, we were all enthusiastic, eager, and zealous to meet and become well acquainted with all of the new faces we passed in the corridors. The first sign of the unity of the sophomore class was the election of officers: President, Mario Conti; Vice-President, Daniel McDermott; Secretary, Elaine Movessian; Treasurer, Betty Annese; Executive Committee, Mary Clark, Beverly Drinkwater, Robert Pugilese, Frank Stiriti, and Diane Roopenian. The high point of our Sophomore year was the annual Spring Dance.

This September, we became Juniors, upper-classmen, entitled to wear rings and attend the Junior Prom. As class officers, we elected: President, Daniel McDermott; Vice-President, Michael Asarian; Secretary, Elaine Movessian; Treasurer, Michael Deegan; Executive Committee, Mary Clark, Beverly Drinkwater, Robert Pugilese, Frank Stiriti, and Diane Roopenian.

We, the Class of 1965, look forward with great anticipation to our senior year, and wish the Class of 1964 luck and opportunity in facing the future.
Class of 1965
After hearing so much about high school, we finally arrived here just in time for the new schedule of hour periods, and six-period days. We were carried along in the stream of things to such an extent that June seemed just around the corner almost before midyears. As a large class, we were able to contribute substantially to the Winter Carnival and the Holly Hop.

We began our participation in the democratic process of the High School by electing our delegates to the Student Council and Sophomore Election Commissioners. In our March elections we chose our class officers for the first time: President, Paul Airasian; Vice-President, Robert Bloomer; Treasurer, Marilyn Corey; Secretary, Susan Venetzia; Executive Committee, Brenda Whalen, Elizabeth Golden, Robert Erickson, and Judy Wright. As we finished our Sophomore year, we were surprised by its apparent shortness, and eager to return to the privileges which await us as Juniors.
Activities
ANNUAL BIOGRAPHY STAFF

ANNUAL TYPISTS

ANNUAL ART STAFF
ANNUAL ASSISTANT EDITORS

ANNUAL ADVERTISING STAFF

ANNUAL EDITORS

Annual Staff
Tri-Hi, under the sponsorship of Mrs. Murphy, is most notorious for its Winter Carnival, but the girls also are active in other areas. They make the red-and-white beanies worn at football rallies and games; they present an annual scholarship to a deserving senior. They also swim at the Y, attend lectures, and hold a Christmas party for underprivileged children.
Throughout the year, members of Quid Nunc demonstrate their willingness to help and their fellowship toward all. They are affiliated with the Junior Red Cross, and take up various projects for the underprivileged, such as the filling of Red Cross boxes for world-wide use, and the making of useful items for patients in various surrounding hospitals. This service club does much toward creating a good name for Water-town High.

The Bulletin

Used-Book Sale
The Bulletin, the school newspaper, publishes eight editions per year, and attempts to cover all sides of school activities. The staff sponsors the Holly Hop (the Fall social event), a variety show, and a Book Sale. The Book Sale is intended to reduce the Bulletin's operating debt of $2500.
The Student Council, under the direction of Miss McCaffrey, is an organization whose chief purpose is to legislate student activities. Some of the activities of this busy organization were the Council Kick-Off dance, the United Charity Drive, the Goodwill Bag Drive, the Athletic Banquet, and all the assemblies. This year, the council chose two delegates to a "Model U.N." at B.C.
The main duty of the Election Commissioners is to aid in the administration of school elections. This group, supervised by Mr. Burke, is responsible both for the setting up of booths and the tallying of votes. This year, the work of the Election Commissioners was extended into the month of March because of late Sophomore elections. The Election Commissioner system aids the students of Watertown High School to gain an understanding of the democratic processes of a free society.

Election Commissioners

Devoted to teaching the safe and correct use of firearms, the Rifle Club helps instill in its members a deeper sense of sportsmanship, under the leadership of Mr. St. Onge, coach, and Mr. Jackson, faculty advisor. The club participates in several activities, notably a beach party held at the end of each school year.
The purpose of the Camera Club is to help members gain skill in taking and developing pictures. They get plenty of practice, as their services are in constant demand by the Bulletin and Annual. The special events of the year are professional instruction in photography, and an annual photography contest.

Camera Club

Students mathematically inclined find their interests quenched in the Math Club, which specializes in the study of number systems and computation methods. The club also covers the field of modern math. The major project this year was the purchase of slide rules by the members and instruction in their use. The club’s Minivac 601 computer has recently been expanded by the addition of more components, thus capturing the interest of the technicians in the club.
The Math Team, under Mr. Cleary, provides an extracurricular competitive program for students with above average aptitude for mathematics. This program covers arithmetic, algebra I and II, geometry and trigonometry. Meets are held five times a year at schools in and around the greater Boston area. The highlight of the year is the playoff in May.
The Office Workers are divided into three groups: those who work in the main office, those who work in the Guidance Office, and those who work in the Dean's Offices. They file notes and late slips, collect attendance sheets, answer phones, and, in general, enable the school to function much more smoothly than it otherwise would.
The Secretarial Club, under the direction of Miss Desmond, provides an opportunity for members to put into practice some of the skills they learn in business classes. In their activities, the members develop the type of personality so necessary for success in business: poise, self-confidence, initiative, adaptability, and loyalty. They visited a business office in Watertown, and held a typing contest.
The aim of the Art Club, sponsored by Mr. Moody, is to give those students willing to devote extra time to art the opportunity to express themselves in various mediums. The eighteen members have been busy working with oils, cosein 1 and watercolors. Copper tooling and soap carving are but two of the many fascinating crafts projects. These club members take an active part in decorating for many of the important dances of the school year.
Crafts Club

The Crafts Club gives its members an opportunity to express their latent talent in varied forms. The students make and sell banners, shakers, pins and football programs, plus posters for many school and town events. The highlights of their program are the Spring Demonstration and a trip to the Rockport art colony.
The Watertown High School Radio Club, under the guidance of Mr. John Kelley, gives its members an opportunity to explore the technical aspects of radio and electronics, and encourages them to obtain amateur radio licenses. Qualified members are allowed to operate the school amateur radio station, W1BLT, and further their interest in radio by conversing with other "hams." The special event of the year is a field trip to several local electronics installations.
The Projection Club, under the guidance of Mr. Bannon, strives to serve the school in the area of audio-visual aids. These club members set up and run the various pieces of school audio-visual equipment. An annual event of the club is a field trip to an industrial plant, followed by a luncheon.
This club meets once a month with Mrs. Wells, and aims to help French students understand better the life and culture of France. To accomplish this, club members journey to the Museum of Fine Arts, dine at a French restaurant, and through the year, listen to speakers and view a French movie. The new bulletin board in the language lab is also a result of their activities.
The Spanish Club at W.H.S. has the distinction of belonging to a national Spanish honor society: La Sociedad Honoraria Hispaniola. The club meets to use Spanish informally and to deepen its knowledge of Spanish and South American culture. A committee, under Frank Melgar, is now drafting a constitution in Spanish.
The Basketball Club, under the sponsorship of Coach Adams, consists of boys vigorously interested in basketball—many are members of the basketball team as well. The purpose of the club is to aid the boys to improve their game via tape recordings and analytical discussion.
The Gridiron Club, under Coach Cousineau, is made up primarily of the members of the football team. The purpose of the club is to introduce the members to the various philosophies of football. The activities include general discussion periods and viewing movies of past Red Raider games. Their special event is the Victory Dance at the close of the football season.
The purpose of the Theater Workshop, under the sponsorship of Mr. Hughes, is to stimulate student interest in the theater at the high school and college level, and to train students to perform before live audiences. The club acts out pantomimes, monologues, dialogues and scenes for experimentation, discusses methods of performance, and puts on a variety show and many of the assembly programs.
On March 19 and 20 the senior class presented the sparkling comedy, "The Man Who Came to Dinner," by Kaufman and Hart. The play relates the misadventures of a famous lecturer who attends a dull dinner party, has an accident when leaving, and is fated to remain in the house for weeks while recuperating. The cast and props included convicts and penguins on the loose, an Egyptian mummy case, and numerous escaped cockroaches; the production, under the directorial reins of Mr. Hughes, was a hilarious success.

The Folk Song Club, sponsored by Mr. Hagopian, is dedicated to the appreciation of that subtle form of folklore, folk singing. A sudden upsurge in membership this year resulted in more rewarding and more successful meetings, or rather, hootenannies. The officers are: Ingrid Schultz, Pres.; Patricia Sheehan, Vice-Pres.
The purpose of the Creative Writing Club is to develop in its members literary skill in prose and poetry. A new club, it was started this year under the guidance of Miss Silva. The members create their own “classics”, and then present them for discussion and criticism at meetings. Many members plan to make writing their career.
With a view to the development of the various muscles of the body and in accordance with the physical fitness program, the boys of Watertown High have organized a Weight Lifting Club. Intending to pursue Physical Education, these boys who are athletically inclined find Mr. Cousineau's assistance in this matter most beneficial.
Chess Club
Science Quiz Team

The Science Quiz Team, advised this year by Mr. Sakala, is a valuable media for the promotion of interest in science among its members and the members of the student body. It does this by representing Watertown in a series of competitive matches, at home and at other schools, sponsored by the American Chemical Society. The highlight of the year is a match televised over WHDH-TV.

Choraleers

**Orchestra**

The Band
Girls' Drill Team

Originally intended to fill out the Band, the Drill Team was eventually allowed to perform on its own. Their home debut, at the Thanksgiving Day game, evoked much enthusiasm among the girls, due in part to the large amount of publicity received by the group. Team Captains Patricia Sheehan and Donna Christopher hope that the team will be continued in the future.

Class History

Many years ago, it seems, in September of '61
We, the CLASS of '64, began a new career.
At W.H.S. we felt quite lost the first few weeks,
And spent our time discovering what we might expect that year.
Several more adventurous souls soon joined a club or two,
While all of us rebelled against the upperclassmen's scorn.
We chose our officers and, by the middle of the year,
No longer felt so persecuted, anguished or forlorn.
Our greatest goal became to soar
Above the rank of sophomore.

Our aim was finally achieved—as juniors we enjoyed
A year of fun, of great events, of work and sports and more.
Football games and rallies made us feel a part of things.
Class elections came and went. Our high school life half o'er,
We purchased our class rings as symbols of these happy years.
Spring brought the Junior Prom, a night of fantasy and fun.
But graduation held a special meaning for us all—
We knew that when next June arrived our school life would be done.

But time won't stop, so on we went
To senior year and all it meant.

We'd made it! We were seniors! We'd reached the highest peak!
The year was filled with everything we'd hoped that it would bring.

But came our final rally—last times for many things,
And time went by so quickly, winter soon gave way to spring.
Spring, the busiest time of all, passed by with whirlwind speed—
The Senior Prom and Banquet, Baccalaureate, and we
Then faced with joy and sadness the big moment of our lives
As Graduation offered us great opportunity.
But these three years will always be
Treasured in our memory.
Class Will

We, the graduating class of ’64, before kissing the archives of Watertown High School good-bye for pastures green and money lucrative, wish to bequeath the following items to the following sources for making our three year “Sojourn” at W.H.S. a memorable one.

1. To Barnes and Noble, we leave some slightly used crib sheets.
2. To Miss McCarthy, we leave some brief “specifics.”
3. To all anti-Bircher history teachers, we leave some Welches candy bars.
4. To the proctors at the S.A.T. exams, we leave students’ shoulders to peek over.
5. To Miss Parker, we leave all the potentials that we didn’t work up to.
6. To Mr. Hughes, we leave David Bortone in a wheelchair.
7. To Mrs. Deery, we leave censored, banned, licentious, condemned textbooks for the school library.
8. To Miss Hochu, Miss Cogen, and Miss Ames, we leave Mr. Wells, Mr. Volk, and Mr. Damon, respectively.
9. To the foreign language department, we leave the language lab on all-call.
10. To Mr. Cousineau and the Red Raiders, we leave the old saying, “It’s not whether you win or lose, it’s how you spike the other team.”
11. To the class of ’65 boys, we leave the class of ’66 girls. To the class of ’66 girls, we leave anything you can get your hands on.
12. To Steve Allen, we leave our thanks for making late night studying a pleasure.
13. And finally, to the faculty we leave the heartening reassurance that there could never again be another class like ours!

Monty Arnold, Chairman
Athletes
With only three senior lettermen returning, this year’s football team suffered from a lack of experience. Despite a winless record, the Red Raiders did have their bright moments. The Cousineaumen performed a defensive marvel when they held league-leading Brockton 8-0. On two occasions, against Malden and Belmont, the team went into the last quarter with the score all tied up, but was unable to rally a sustaining drive for the win.

This was the first year that Otis Brothers, Inc., offered “The Player of the Week” award. Individual winners of this award were Seniors Mike Economakos, Charlie Henderson, Carl Bazarian, Alex Tetanski, and Bob Corrazini. Outstanding Junior John Verrochi was not only a “Player of the Week”, but also recipient of the coveted McHugh Trophy for his Thanksgiving Day performance. Seniors rounding out the squad were linemen Justin DiGiacoma, Dan Hovanesian, Mike Merchand, Koren Ovoian, and Tom Valentine, along with quarterback Rick Renzi.

Coach’s Comment:

The team made a vast improvement as the season progressed. The two canceled games might have been wins for us. With a large number of Juniors returning next year’s picture should be brighter.
Review
Basketball

Winning eight games while losing ten, Coach Adams' hoopsters finished their best season in the Suburban League since joining it in 1950. Despite this record, the team was disappointed having expected to finish well above the .500 mark.

The hoopsters lost a number of close games, one of the biggest heartbreakers being the Weymouth game. In that game Capt. Billy Cannata had scored 33 points and was leading the team to victory when with 2½ minutes left to play he fouled out of the game. The rest of the team put out a gallant effort but to no avail. Weymouth scored a basket in the closing seconds of the game to win 77-75.

Seniors on the squad other than Capt. Cannata were high-rebounding Mike Economakus, spirited Marty Kelley, and utility man Paul Guild.

Coach's Comment: This year's record should have been a bit better. Next year's record should with the return of three starting juniors.

The Malleyman started the season well with a win against Acton on "Kookie" Stepanian's lone goal. Unfortunately, Stepanian, one of the highest scorers in the state, was unable to play for the rest of the season. Led by Captain Teddy Moushigian, the team put up a gallant fight in all of its remaining games but was unable to stalemate Winchester in its final encounter.

Star performers for the team were high-scoring junior Vasken Kaloostrian and goal-tending senior Marty Kelly who was one of the best goalies in the league. Point scorers on the offensive line also included seniors Jim DiStefano and Louis Ciolfi and junior Joe Sullivan. Other Seniors giving an all-out effort were Pete Ross, Frank Melgar, and Amletto Martochio.

Coach's Comment:

The team will lose much of its strength with the Seniors' departure. However, several Sophomores received the "Baptism of Fire", namely—Shawn Kelly, Joe Reagan, Jerry Smith and "Harpo" Ryan.

We should do better next year with the squad being implemented by all hockey and basketball candidates.

Hockey Team

The Hockey Team, coached by Mr. Shannon, had a rugged season. In Watertown's best effort, a 3-2 upset over Stoneham, Dave Danielson scored twice and Jon Camposano once while standout goalie Pete Gerlach made 27 saves. The seniors on the team were co-captains Jon Camposano, and Paul Danielson, Eddie O'Halloran, John Bergonzi, and Rick Renzi.

Coach's Comment:
Considering the odds against us, we were very successful this year. With high scorer Dave Danielson and several other promising juniors and sophomores returning next year, we can look forward to an improved season.
INDOOR TRACK

The Indoor Track Team’s first three meets were heart-breakers: In each case, the opponents stole the bacon by winning the last event, the relay. After losing six meets in a row, the team was able to turn the tables and beat Somerville—by points gained in the relay.

Although the team as a whole had a poor season, there were individual standouts: Sandy Tetanski dominated the shot; Pete Rizza led in hurdles and high jump; Captain Paul Callahan had his choice of the 300 or 600; high scorer John Whalen and Norman Hursh were a strong duo in the 1000, as were Bill Dickerson and Henry Kurkjian in the mile.

Coach’s Comment:
I was very proud of my first year’s team at Watertown. The boys took some heart-breaking losses, but showed the fortitude and determination to win the last one.

Cross Country

CROSS COUNTRY

Sparked by the new track coach Mr. Jenkins, the harriers had a fairly successful year with a record of 3-5. Leading the pack in this grueling 2½ miles race were co-captains Bill Dickerson and John Whalen, followed by Seniors Norman Hursh, Henry Kurkjian, Paul Callahan, and Junior Paul Donnelly. The team had more depth than it has had in recent years but didn’t perform as well as had been expected.

Coach's Comment:

Because of a tremendous improvement in our league this year, the team did very well to obtain a 3-5 record. Because this was primarily a Senior team, it appears that next year will be an uphill struggle.

*Lowest Score Wins
This year the rifle team was off to an encouraging start, winning their first two matches. Although hopes for league leadership were dampened by three consecutive losses, the sharpshooters are confident of winning the last four and placing in the first division. The team wishes to express its thanks to Mr. St.Onge who devoted many valuable hours to coaching, and to Mr. Palladino who was able to obtain the Waltham High range for practice while the Arsenal range is under repair. With the reopening of the Arsenal range, the team, with added practice, will definitely pick up its pace. Outstanding shooters this year are Paul Saulnier, Raymond Walsh, Arthur Napolitano and Stephanie Robak, one of the best girl shooters in many years for Watertown.

Coach's Comment:
With a little more luck and practice, our team would have been in contention for the championship. However, we still will finish with a very successful record.
GYMNASTICS TEAM

This year, for the first time, gymnastics was an official winter sport at WHS. Though gaining much experience under the able coaching of Tom Tirrell from B.U., the boys unfortunately were not able to participate in scheduled varsity competition. They did, however, enter several open meets in which they did unusually well for a first year team. In the Eastern Mass. Open, Watertown finished second. The only two seniors, Ken Phelan and Bob Goldberg, made impressive showings, while junior Frank De Giso exhibited unusual talent in long-horse vaulting.

Coach’s Comment:
Next year we shall compete in a full varsity schedule. If we have enough depth, we should tie with Newton and Weymouth for the league championship.

This year, under the capable coaching of Miss Biggane and Captain Diane Kavanaugh, the Girls' Basketball Team participated in another full season. Though the varsity's record was not very good, the JV's made an impressive showing. As a whole, all of the girls played many fine games.

The Girls' Field Hockey Team, also coached by Miss Biggane, played several matches this season, many of them extremely close. According to Captain Gretchen Kasper, the best game of the season was with Arlington, when the girls lost by only one point.

Congratulations to the Class of 1964

Because of the many opportunities that exist today in science and engineering, Raytheon hopes you will give some thought to a career in one of these fields. Consider, if you will, the exciting frontiers of scientific discovery which can make this a better world in which to live. Scientists and engineers at Raytheon have helped make many of the past year's headlines in such diverse areas as missiles, space, radar, semiconductors and electronic tubes. Tomorrow it may be your turn.

CONGRATULATIONS to the
ONE HUNDRED ELEVENTH GRADUATING CLASS

WATERTOWN TEACHER'S ASSOCIATION
WITHOUT BREAKING STRIDE,
why not graduate from high school to the Telephone Company? You’ll love the friendly young people who’ll work with you, and the many social activities that make your work so pleasant and rewarding.

OPPORTUNITY IS EXCELLENT
and your ability will be recognized. Your starting salary should climb with regular increases. And, of course, Company benefits, security, and regular advancement are well-known reasons why working for the Telephone Company is so attractive to graduates.

TELEPHONE JOBS ARE IMPORTANT,
vital to the effective communications of the community, the nation, and the world. When you take your place as a respected member of the telephone community, we’ll train you, on full salary, even without previous job experience.

Why not come and see our employment interviewer soon ... before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

Acknowledgments

We, the staff of the 1964 Annual, would like to express our appreciation to those aided us in the trying times during the publication of this book. We express our particular thanks to:

OUR ADVISORS:

Mr. Harold Moody, our able art advisor, who devoted his time and talent to the preparation of this yearbook.

Mr. William Kelleher, our faculty advisor, who ably assisted us throughout the year.

OUR HEADMASTER:

Dr. John J. Kelley, who, with his patience and understanding, helped us to publish this yearbook.

OUR FACULTY:

All the teachers who aided us in the success of this publication.

OUR PROFESSIONAL FRIENDS:

Purdy Studios, especially Mr. George Corregan, Mr. Joseph Sullivan, Mr. Herb Castro, Mr. James Bleiler, Mr. Terry Bleiler, and Mr. Bernard Marvin, whose cooperation and talents were of invaluable aid.

Taylor Publishing Company and Mr. Jack Delaney, who aided immensely in the publication of this, the 1964 Annual.
This year the students of Watertown High School note with regret the retirement of Miss Helen R. Parker, a member of the guidance department who has served in the Watertown school system for 21 years.

At Watertown High, Miss Parker has devoted many lengthy afternoons, evenings, weekends, and vacations to her students' programs, recommendations and transcripts. Largely because of her tireless efforts, scores of her seniors have entered top colleges all over the country.

In recognition, then, of a long job doggedly and efficiently done, we wish to dedicate the supplement of our 1964 Annual to Miss Helen Parker, with the hope that she will enjoy the long and happy retirement which she fully deserves.

Awards Day
CUM LAUDE

On May 1, in recognition of their high scholastic achievement during their high school years, twelve seniors were elected to the Cum Laude Society.

N. Bazarian, N. Erickson, M. Giovinazzo, P. Glidden, N. Harris, A. Heisler, H. Kurkjian, L. Perry, M. Robertson, I. Schultz, K. Theriault, and R. Walsh were inducted on April. The meaning of the Greek motto of character, justice, and virtue was explained by alumni Cum Laude students. Theodore R. Sizer, the Dean of the faculty of Education, Harvard Graduate School, addressed the assembly.
On May 13, 1964, forty outstanding students were inducted into the Richard M. Saltonsall Chapter of the National Honor Society. Henry Kurkjian, president, delivered the Society’s history, and four members lighted the candles symbolizing the qualities of a National Honor Society member—scholarship, leadership, service, and character. Mr. Alfred Maffeo, Superintendent of Schools in Natick, was the guest speaker.
