WATERTOWN HIGH SCHOOL

WATERTOWN MASSACHUSETTS
Football, clubs, studies, student council, field hockey, basketball, essays, sorority, student elections, the Holly Hop, bustling in corridors, jamming lockers, schedule III, Friday's rallies—these are some of the elements that have filled our three years at W.H.S. In both work and play we have broadened our scope on life and have worked more closely with one another than ever before. Though studies occupied much of our time, sports and social events were never neglected. Our school's atmosphere was lively; our every day was filled with action. Nevertheless, all the emotions, victories and setbacks we experienced are a mere hint of what we'll encounter upon commencement. The world will fling us toward its many paths: of virtue and vice, of action and stagnation; each of us, alone, will have to seek out and travel the right paths. We shall always remember our experiences in high school and forever practice the knowledge we gained there.

In this message of adieu, I would like, as the last person in the High School to have you as a captive audience, to implore you to beware of the philosophy of sit-ins, teach-ins, protest marches, and other unpatriotic demonstrations. Noise and disorder are admissible means of protest only for those to whom orderly channels of expressions have been closed. Try to realize that the rights and interests of those engaged in the routine of daily living—who may feel no involvement in current controversy—must be respected. While it is altogether right that you should hold and express opinion on national affairs, you must learn to rely on reasoned argument in winning acceptance of your opinion and not the mere shouting down of opinion of which you do not approve.

These are the obligations of citizenship. The learning and the practice of all this will be the essence of your continuing education.
MISS EDITH J. JACOBS
Dean of Girls

MR. JOHN WATSON
Asst. Headmaster

MR. JOHN McNEALY
Dean of Boys
We, the class of 1966, dedicate this Annual to a teacher who has been influential in guiding many students toward college, particularly his alma mater, the University of Massachusetts. His enthusiasm in teaching and his interest in his students have been incentives for his students to work harder. He has provided an example for students to copy, in his personal life and in his dealings with others. He is the symbol of the ideal teacher-student relationship; mutual respect and genuine friendship. And so it is with great honor we dedicate this, our Annual, to you, Mr. Malley.
Our Faculty
We, at Watertown High, are fortunate in having a dedicated staff of teachers who devote their time to the ideals of modern education. These ideals not only encompass the instruction of academic subjects, but also provide a firm basis for independence in the years after high school.

Teachers in Action

Mr. Kaveny—Driver Education

Miss Muldoon—Secretary

Mr. Finn
Although we were busy this year with studies, college applications, and job placements, we always managed to make time to support the boys' and girls' sports teams, clubs, and the Senior Play. The next pages of our yearbook show the seniors and their activities of the past year.

Underclassmen
Juniors entered this year expecting more difficult courses and were concerned with colleges, business school, and employment. Sophomores, ushered in with new high school handbooks, entered a new and exciting experience: greater independence and responsibility and more momentous decision-making. The two classes harmonized, and together with the senior class, strove to improve the school's spirit and image.
A year ago, sophomores entered Watertown High School awed by the upper classmen and wondering if there existed such curiosa as pink elevators. Now, as juniors, more mature than before, they more fully realize their responsibilities in today's world. They have experienced the pride of receiving class rings; they have held elections for class officers and have attended the social functions which they are sure to remember, especially the junior prom. Working hard to insure a good future, they eagerly await their senior year.

The class officers are: President, Louis Fantasia; Vice-President, Timothy Mann; Treasurer, Jean Savignano; Secretary, Ida Timperio.

In September of 1965 sophomores anxiously began a long anticipated year at Watertown High School. As the first confusing weeks sped by, they gradually became accustomed to the busy pace of the high school, and before they had realized it, half the year had passed and they were faced with midyears. The winter semesters were highlighted with such events as the annual Holly Hop and Winter Carnival.

Soon it was June, and they looked back on the sophomore year and forward to the junior year with its new challenges.

Drumming it up
In addition to level one honors courses, levels two and three prepare the better than average ability student for college. Though level one courses are presented at an accelerated rate and in greater depth, all levels provide a challenge to the ambitious student.

Courses in typing, shorthand, bookkeeping, and clerical are available to the student wishing to enter business school. Business students are encouraged to incorporate their business subjects with liberal arts courses such as foreign languages and social studies.

VOCATIONAL-INDUSTRIAL ARTS COURSE

Courses in mathematics, science and mechanical drawing are elected each year with the requirement of two shops to make the student wishing a skill for immediate employment after high-school as well prepared as possible. English is a mandatory subject taken all three years, while history and Problems of Democracy courses round out this course of studies.

Features
High school means more than preparing for college, business or employment. It means maturing and working with contemporaries, exercising civil rights and taking the initiative — in any project.

Clubs, sports teams, the senior play, publications, winter dances and proms are a few of many extracurricular activities that make high school a social as well as an academic experience. Following, are some glimpses of events and clubs and of the people that partook in them.

RADIO CLUB

Under the guidance of Mr. John Kelly the Radio Club extends to its members an excellent opportunity to explore the technical aspects of radio and electronics. Those members with amateur radio licenses are allowed to operate the amateur radio station, WIBLT. The special event of the year is a field trip to several local electronics installations.

Radio Club

First Row L-R: Ray Gomes, George Mahoney, Sam Maloof, Bill Whyte. Second Row L-R: Tony Stanizzi, Greg Dilberto, Paul Raymond, Charles Maffioli, Nick Geshos, Dan Callahan, Mr. J. W. Kelly.
Art Club

Members of the Art Club, sponsored by Mr. Harold Moody, devote much of their time to improving their talent in applied art. They work in various media, including oils, pastels, and watercolors. The Art Club is responsible for decorations and preparations for most dances at the high school. Officers include John DeCamillis, President and Lucille Barker, Vice-President.
Under the sponsorship of Mr. Daniel Sullivan, the members of the Camera Club acquire skill in taking and developing pictures. Their assistance is often needed in the Publications Office as photographers of both the Bulletin and the Annual. Members receive professional instruction in photography and participate in annual photography contests.

Camera Club

Members receive information on use of cameras.
Under the direction of Mr. Megrian the Secretarial Club strives to aid the business student to acquire a broad outlook of her field. Among the Club's activities are various field trips to I.B.M. centers and lectures by guest speakers. The club also supports school campaigns and contributes to various charities.

Secretarial Club

Practical experience in the area of sign making.

Exploration and experimentation in clay, metal, mosaics, and other media make membership in the Crafts Club a most fascinating experience. Last year, the club, under the direction of Mr. Voci, repaired old toys contributed by the students of W. H. S. for retarded and crippled children.

Front Row L-R: Jane Wright, Lenora Caruso, Mr. Voci, Advisor, Mary McFarland, Judy Wright. Middle Row L-R: Don Guzzetti, Mike Noftsker (Pres.), Norman Ward, Dick Clancy, Donald Lambert, Michael Lombardo. Top Row L-R: Joanne Ricci, Wendy Malkasian, Diane Henderson, Janet Ferraro, Janis Galligar, Betty Holland.
CHESS CLUB

Members of the Chess Club and their sponsor, Mr. Craig. The Chess Team includes, Neil Fairbairn, Charles Goodrow, Tom Metcalf, Stephen Osieki, Gene Tucceri.

THE CHESS CLUB

This year, the Chess Club increased its membership considerably, an accomplishment due largely to an influx of Sophomores and Juniors. The club, under the direction of Mr. Edward Craig, welcomes members to play chess any afternoon. This year, for the first time, the club joined the Middlesex Suburban League. Prospects for the championship are excellent.
CLOTHING CLUB

Future homemakers at Watertown High are able to demonstrate their skills as members of the newly organized Clothing Club. Under the leadership of Mrs. Fitzgerald, the girls work independently on creative projects of their own choosing.

The Officers of the 1966 Clothing Club are: Sandra Guzzetti, President, Marjie Kalajian, Secretary, and Chris Bibbo, Treasurer.

Clothing Club

Students especially interested in the French people, their culture, daily life, and language, find the French Club most enjoyable and educational. During the weekly meetings members have the opportunity to speak the language informally with their friends, to read French magazines and poetry, or to listen to the music of the French. This year, the group, along with its advisor Miss Williams, has seen French films, has eaten in a French restaurant, and visited a college French class.
One of the school's largest organizations is the Math Club, sponsored by Mr. Cleary. The Club provides a stimulating program for all students interested in mathematics, with lectures and discussions given by Mr. Cleary, club members, and guest lecturers. Other club activities include several club outings and participation in Nu Alpha Theta, the Mathematics Honor Society.

PROJECTION CLUB

Under the direction of Mr. Joseph Bannon, the Projection Club serves the school in audio-visual aids. Members are responsible for the proper care and use of films, tapes, and technical equipment. They also control microphones and lights, for assemblies, proms and dances, the senior class play and the graduation party. Club officers include Arthur Chikerzian, President, and John Minasian, Vice-President.

Quid Nunc is a charitable organization affiliated with the Red Cross. At Thanksgiving time, the girls made favors for a hospital and provided a deserving Watertown family with a Thanksgiving dinner. For the Christmas season, they sent cards to our men in Vietnam, filled stockings, made wreaths and gave a party for the children at the Fernald school.
Spanish Club

This year's Spanish Club tried to give its members a more meaningful knowledge of the culture of South America and Spain. With an air of informality the meetings are conducted in Spanish.

This club has the distinction of belonging to a national Spanish Honor Society: la Sociedad Honoratia Hisp aniola.

An innovation at the high school this year was the addition of the Student Leaders Club. This group is sponsored by Miss Raybould of the Physical Education Department. The girls in the club assist the instructors during classes and are responsible for the proper care of gym equipment and apparatus.
Meeting of Theater Workshop, under the direction of Mr. Hughes, and President David Akillian.

Theater Workshop, under the direction of Mr. Hughes, stimulates interest and engenders a greater appreciation of the drama. The club affords students an opportunity to perform in front of an audience and to become acquainted with the various techniques used in the theater.

During club periods members exercise their acting ability by participating in one act plays, pantomimes, dialogues and monologues.

Published monthly, this year the Bulletin included club news, current school events, interviews, write-ups and predictions. The staff sponsored the Holly Hop, and with the Annual staff, the Used Book Sale.
Track Club

Coach Jenkins' Indoor Track Team had the most successful record of all the Watertown High School Teams. Competing in one of the toughest leagues which includes the two most prominent teams in the state, Randolph and Quincy, the track team did exceptionally well. The track team is to be congratulated for its excellent record and good sportsmanship.
The Election Commissioners organization is made up of representatives from each of the homerooms in the school. Members' duties include setting up booths, counting votes and overseeing the procedure of democratic elections. They also assist Student Council representatives in homeroom elections.
The Student Council directs student activities, promotes better understanding between students and faculty and encourages students to fulfill their civic obligations. This student government body, consisting of six officers and thirty-six homeroom representatives, belongs to the Massachusetts Eastern Division of Student Councils.

Mr. Hagopian's choraleers and madrigals gain pleasure and provide enjoyment in all of their performances. They have, in the past year, participated in numerous charitable functions and have conducted various exchange concerts. They also entertain at many school assemblies.

Chorus

The Chorus with advisor Mr. Hagopian.
Band and Orchestra

Under the direction of Mr. Zarba, the band and orchestra continue to provide spirit and entertainment for the WHS football games and pep rallies. They also participate in the annual music festival, several school assemblies, and exchange concerts.

The purpose of Hi-Y, a national high school boy's club affiliated with the Y.M.C.A., is "to create, maintain, and extend, through the home, school, and community, high standards of Christian character."

Under the direction of Mr. Neylon, the club visited hospitals, rest homes, and orphanages. The members experienced much satisfaction and enjoyment in helping and entertaining others. The club took part in monthly social events, ranging from hay rides and splash parties to overnight ski trips and a tour of the United Nation building in New York City.

Tri-Hi-Y

A purely charitable organization, TRI-HI-Y is a chartered member of the international league sponsored by the Y. M. C. A. This year, the thirty-six members sent a delegate to a week-long, nationwide convention in Minnesota, where typical interests and problems of American youth were discussed openly and in detail.

Office Helpers

The office helpers job is to assist in the administration department. The girls perform various helpful duties in the Guidance, Deans' and Main offices, such as: notes, delivering notices and collecting attendance sheets. With their valuable assistance, the offices are able to function more efficiently.

The Folksong Club, under the guidance of Mr. Hagopian, dedicates its Friday afternoon sessions to the appreciation of folk music. This club holds hootenannies in White Hill Hall, allowing other students to participate in their meetings. The officers include: Joyce Baker, Pres.; Mary Jacobs, Vice-pres.

Members of the World Literature Club have the opportunity to read and discuss both classical and contemporary literature. The group is sponsored by Mr. Grassia of the English Department. Throughout the year these students have found great enjoyment in discussing the works of the masters. Officers of the club include Steve Doherty, Peter Baker and Shawn Kelley.
Last Will and Testament

We the class of '66, being of unsound minds and unfit bodies, wish to bequeath the following items to the following sources for making our three year stay at Watertown High so enjoyable.

1. To Mr. Jenkins we leave five free Fred Astaire lessons.
2. To Mr. Grassia we will one million 4” x 6” cards.
3. To Miss McCarthy we leave a life sized stuffed Moby Dick.
4. To Mr. Hannon we will an Irish cook book for his Italian wife.
5. To Mr. Adams we leave a class of Curriculum “1” students.
6. To Mr. McKenzie we will a life time supply of Bardhol.
7. To Mr. Bannon we leave one night stick and fifty blue slips.
8. To Mr. Sullivan we will fifty shares in Brighams.
9. To Mr. Zarba we leave one used symphony orchestra.
10. To Mrs. Boy we will an English translation of Pere Goriot.
11. To Mr. P. Burke we leave six hairs from the M.G.M. lion.
12. To Mr. Sakala we will a pair of stretch pants and suspenders.
13. To Mr. Cheevor we leave a ten pound bag of lint.

So as a final gesture of farewell we leave to the Junior Class a pound of strength to withstand another year.

Sports at Watertown High School are a very important part of extracurricular activities stressing not only the thrill of victory, but also participation and good citizenship. The competition is keen and the road to victory is difficult, but with the earnest support of the student body, our teams have been spirited and successful.

Season's Record: 1-8-0

Coach Cousineau's "Red Raiders" played exceptionally well against the "power-houses" of the Suburban League—with a season of 1-7-1. Games with such teams as Brockton, Wakefield, and Weymouth were closely contested and the final outcome was not decided until the closing minutes. The '65 football season was Mr. Cousineau's last year coaching football at WHS.

SOCCER TEAM

Under the leadership of Coach Joseph Malley, the WHS socksters finished with a 7-7-1 record. The Mallymen’s 500 season was one of the best years. This year the team reached a pinnacle of success unattained in the previous five years. The senior members of the team presented a plaque to Mr. Malley, which read: TO COACH MALLEY, AN EXCELLENT COACH WITH A VIBRANT PERSONALITY, FROM THE SOCCER TEAM OF “65”.

Coach Jenkins Indoor Track Team had the most successful record of all the Watertown High School teams. Competing in one of the toughest leagues which includes the two most prominent teams in the state, Randolph and Quincy, the track team did exceptionally well! The team is to be congratulated for its excellent record and good sportsmanship.

Basketball

Kneeling — Captain, Gary Brackett.
Coach Allen's hoopsters had another successful season. Last year's retiring lettermen left many gaps in both the offense and the defense, but the boys were able to effectively fill the evacuated positions and to achieve an excellent record of ten wins and ten losses. The team started slowly, losing several close games, but improved consistently towards the latter part of the season. Mr. Allen and the boys are to be commended on a job well done.
Hockey

Although the Hockey Team won only two games, the boys never conceded defeat. With a little more depth and more school support, the boys would have done much better. The team, coached by new coach John Krol, should be more successful next year.

Gymnastic Team

With only two years in the Suburban League, Watertown High School's gymnastics team has done exceptionally well. All the boys on the team did their best, but the team lost many close games, particularly the meet with North Quincy when they lost by one-tenth of a point. With the majority of the team returning as lettermen next year, Coach Vento believes that Watertown will be in strong contention for the league championship.

Watertown High School's Rifle Club is one of the original members of the Middlesex Scholastic League. The club, under the supervision of Mr. St. Onge, holds weekly meetings at John F. Kennedy High School to practice prone offhand shooting with target rifles. The Rifle Team competes with nine other schools in the league for several annual awards.
The field hockey team was comprised of girls with excellent ability. Although the team's record is not a winning one, the girls were well coached and drilled.

Coach's comment: “Our team is better than it appears. It is just that the girls didn't score enough goals to win more games.”

Girls' Field Hockey

The girls' basketball team had one of its more successful seasons of the past few years. Even though the 3-4 record is not good enough for first place rating, anyone who knows the binding rules and mechanics of girls' basketball will appreciate this year's excellent showing.

Mr. Harold Moody, an active member of W.H.S. since 1939, has unselfishly given aid in the art editing of school publications, and has guided promising artists-to-be toward their goal. His reward from teaching has been great for the satisfaction received from helping others cannot be measured.

Due to his retirement, perspective art students will not have the privilege of being taught by this “great artist”, but Mr. Moody has promised to return from time to time next year to assist the annual staff.

It is difficult to express enough thanks for your long years of loyalty and service to WHS. Thus, as a token of our appreciation, we, the class of 1966, dedicate the Annual Supplement to you, Mr. Moody.

Opponent

Coach Beradino reviews line-up with J. Cady.
The 1966 season was primarily a year of rebuilding for the baseball team. As coach for the first time, Mr. Beradino guided the team through a 6 and 12 season. A lack of defense was the "Red Raider's" fundamental problem as most opposing runs were unearned. Pitching stand-outs were Tom Sheehan and Captain Jack Killian, who also led the team in batting. At the plate, Jack Killian, Richard Morrell and Jeff Moreno provided most of the punch. Looking forward to next season, many letter-men will be returning including Butch Raute, Barry MacKeigan and Larry Schiavoni.
Despite outstanding individual performances by captain Ken Ryan in the 220 and broad jump, and John Calcagni in the broad jump, the track team struggled through a dismal 2 and 6 record. Most discouraging of all was a 1 point loss to rival Belmont. Again, Coach Jenkins's team suffered from a lack of seniors.

At the league meet Ken Ryan set a new record of 22.7 sec. in the 220 and John Calcagni placed first in the broad jump.

Fortunately, next year’s prospects are encouraging as many varsity men will be returning.

Baccalaureate

On Tuesday evening June 7th the graduating class of "66" gathered for the traditional Baccalaureate service. After the procession into the auditorium, the students joined together in the saluting of the flag, and the singing of hymns. The orchestra played various numbers, after which the Rev. Wild gave an address for this tradition is basically religious. After his appreciated talk, the chorus sang several hymns, and the students receded from the auditorium.
On April 28, fifty-one students of W. H. S. were formally inducted into the National Honor Society. Of this number 34 are seniors, and 17 are juniors. Judith Norsigian, president of the society, informed everyone about the history of the society, and Doctor Kelley presented the inductees with membership cards.
The induction ceremony for the Cum Laude Society was held on Thursday morning April 28. Doctor Kelley congratulated the newly elected senior and junior members and presented the eleven students with certificates.

Membership in this society is achieved by the maintenance of an “A” average for juniors and a “B+” average for seniors.

"Pygmalion" by George Bernard Shaw, was this year's senior class play. Under the guidance of Mr. Hughes, the performers demonstrated exceptional ability in perception and dialect making the play one of the stand-out events of the year.

The audience could not help but be charmed by the excellent portrayal of Eliza Doolittle by Eloise Dale. Also cast in lead roles were Neil Fairbairn as Henry Higgins and John McElligot as Colonel Pickering.
