Devotion . . .

Charles Aubin
For your devotion to young people, generous nature, complete concern for others, and for ten years of constant dedicated service, we wish to express our deep appreciation.

As Director of Food Services, President of the St. Vincent DePaul Society, President of the Watertown High Gridiron Club Directors, and Director of the Watertown Boys Club, you have done much good for your fellowman.

Therefore, to you, Mr. Charles Aubin, we, the class of 1971, dedicate our Annual.
For everything there is a season
and a time ... 

for every matter ... 

under heaven;
A time to win...
and a time
to lose . . .
A time to work...
and

a time to rest . . .
A time to think . . .
A time to act...
And a time
to be silent
A time to speak . . .
One day the sun will shine over a warless world
Birds will again sing — animals will all be tame
And Nature will live and its beauty will be everywhere
Yet I fear there will be one thing missing —

Mankind

For I'm afraid, to have a warless world mankind will have to destroy itself first
I wish I could see a peaceful world — if only for a second
An instant to make life worth it
It's too much to ask
Who am I to want to see Heaven on earth
Maybe I'll have to settle for simply Heaven
I guess on second thought that would be pretty good.

Written Somewhere in Vietnam
Robert Arria, Class of 67
Our Administration

DR. JOHN J. KELLEY
Headmaster

DR. RAYMOND DELANEY
Superintendent of Schools

DR. WILLIAM D. MACKOLIN
Assistant Superintendent of Schools
The administration at Watertown High has had the insight to understand the changing needs of students. With the institution of the Independent Studies program, and the widening of senior privileges plus the abolishment of the dress code, they have proven that they are willing to consider any program which is in the best interest of the students and the school in general.
The English Language plays a great part in our lives; every day we speak it, read it, and write it. However, the goal of the English Department is much more than teaching students how to construct sentences. It strives to stimulate the student's imagination and teach him how to add color and life to his ideas. For this reason, a new program was initiated this year in which students selected a particular course of study such as Critical Thinking, Creative Writing or Mythology for the period of one term. This along with the phases of the traditional English Course has helped students attain a better understanding and a deeper perception of our native language.
Math Department

This year the Math Department has broadened its course offerings to include, along with the regular courses, two new one-semester programs. This enables Watertown High students to have the choice of expanding their knowledge or reviewing basic concepts for enrichment and College Board preparation.
Once again this year, the Guidance Department has done a good job in helping students solve their problems. The Guidance Department has scheduled many interesting and informative programs to give seniors a chance to meet with representatives from different universities throughout the country. Although special attention is given to seniors, sophomores and juniors are not forgotten.

The Guidance Department has just started "The Future Teachers Club" under the sponsorship of Mrs. Radford, primarily for interested juniors and sophomores. Our Guidance Department has helped so many of us in many different ways, the Senior Class salutes you.
The History Department of Water- 
town High School not only offers Unit- 
ed States and European histories but 
this year has added the history of 
China, Russia, and Africa. Cultural 
Anthropology, Government and Cur- 
rent Issues. Noteworthy speakers have 
been guests and have participated in 
making the curriculum more inter- 
esting and valuable to students.
Science at Watertown High School is a field encompassing Biology, Chemistry, Physical Science, and Physics. All four attempt to open the world of science to the student. Teachers strive to educate students wishing to enter into fields of science and to give basic understanding to those who desire to learn. This is important today in a world where people must work to better conditions of man and his environment.
Language is essential to a good liberal arts education because it provides the student with an appreciation for foreign cultures which are important to tolerance and understanding of our modern world.

Our Language Department now offers six languages to study: French, Latin, Spanish, Italian, Armenian, and Russian. They are divided into three levels and the courses are then selected by the students to fulfill his own needs. We are fortunate enough to have a Language Lab which helps round out the foreign language student’s knowledge of both understanding and speaking the language.
The Art Department of Watertown High School strives to educate students in the various aspects of art. Under fairly liberal instruction, allowance is made for experimentation on the part of the student in many types of media. These include works in structure, lithography, block printing, paints and chalks, as well as, the use of clay and glass in the craft classes.

It is left to the discretion of the student which level of the course they wish to take. Classes may range from a minor meeting twice a week to an advanced major. This class is offered for those having definite art ability and usually interested in pursuing an art career.
Business courses at W.H.S. provide excellent training for those students who wish to further their business education or acquire work after high school. Courses such as Data Processing, Business Law, Filing, and Secretarial Practice prepare students to hold their own in today’s technological world. With the aid of modern equipment, they can more readily adapt themselves to business methods.
Home — The Core

Home Economics is not the "sewing and stewing" course of several generations past. Although clothing and foods are still an integral part of the Home Economics program, there are many new facets to this department. Family Living, with its emphasis on personality development, the purposes of dating and engagement, preparation for a successful marriage are an intriguing part of our "new face."

There are two early childhood education and care courses which include field work in local kindergartens, nursery schools and home care centers. The Interior Design Project emphasizes how to be smart home consumers and manage money to the best advantage.

And let's not forget those boys in Chefs! They are potential homemakers also. To have a winning team, everyone must know the signals.
Students destined to face the working world must have the ability to accept what they have learned. Industrial Arts education is responsive to innovative ideas, reform, and experimentation. Program emphasis has been placed upon the individual student and his performance rather than an instructional content, subject matter, or categories of vocation.

The students are encouraged to explore, experiment, and develop ideas which are essentially self-expressive. Its recreational aspect compliments the technical and occupational functions of the program.
The energetic, compulsory physical education program at Watertown High develops the bodies as well as the minds of the students. The exercise drills and games provide general fitness with tests to determine individual fitness. Sportmanship and competitive sports are encouraged throughout the activities.
Vital to creating a cheerful spirit at W.H.S. is the music made by its students. Participation in the orchestra, band, rock band, newly introduced this year, and chorus, provides our budding musicians opportunity to practice and develop their acquired skills.

Courses in music theory and appreciation offer students the chance to master basic concepts as well as encourage potential music majors.

Figure that one out.
The editors and staff of this year's Annual encountered all the problems and joys that are involved in the production of a yearbook. In spite of the confusion usually found prior to deadlines, efforts most often emerged victorious. The editors attempted to preserve the memories of WHS and with the excellent guidance of Mr. Kelleher and Mr. Voci the 1971 Annual "is."
CLUB EDITORS

Robert O'Halleran
Assistant — Bob Beach

Mr. Voci comes to the aid of the Annual staff with layouts.

Mr. William Kelleher, dedicated Annual sponsor.
A literary magazine is apt to get lost among the multitude of clubs at the High School. Yet, the Harbinger is striving to carve its place by presenting some creative work of the students. Included in the publication are short stories, essays, and poems selected mainly from the work done in English classes. The material is collected and prepared by the Harbinger staff while illustrations are provided by the art classes.
The Bulletin

The Bulletin, the school newspaper, is published monthly and sponsors no other activities except for occasional fund-raising activities. The Bulletin would not be possible without the aid of Mr. Neylon, faculty advisor.

THE BULLETIN EDITORS: Mark Dugan, Mark Hughes, Gale McGuirk Hogop, Anne McHugh, Victoria Gregorian, and friend Carmine Gentile.

QUID NUNC

One of the most noteworthy clubs at WHS, Quid Nunc, is a charitable organization of girls who devote a great deal of their spare time to helping people who are less fortunate than themselves. They prepare holiday baskets for needy Watertown families, teach reading basics to children, and work on projects for the Red Cross.

THEATER WORKSHOP
Our office workers and library aides, who perform the little tasks and errands that are so necessary to keep the main office and library running efficiently, deserve a great deal of credit. The office girls answer telephone calls, deliver messages and file notes. The library aides help fellow students gather information or find books.

Students in library listening to rock opera Tommy, using earphones attached to distribution box.

OFFICE HELPERS

OFFICE HELPERS: Terry Gulla, Susan Burns, Jody Stadman, Tom Hoggar, Kathy Barry, Karen Stevens, Paul Stamjuzi, George Andreoules, Tom Webster, and Heather Mackie.
WORLD LITERATURE CLUB

Under the direction of Mr. Grassia, the World Literature Club brings the literature of the world to students and in so doing gives them the ability to gain insight in the philosophies of men. Their activities include trips to museums, plays, and movies.

WORLD LITERATURE CLUB OFFICERS: Steve Bakalis, President; Lennith Austin, Vice-President; Sandy Aroian, Secretary; Steve Basil Treasurer. MEMBERS: Adams, Lizzie; Aroian, Sandy; Austin, Kenneth; Baird, Marcelia; Bakalis, Steve; Basil, Steve; Calabrese, Paola; Carbone, John; Delrose, John.

TRAVELS UNLIMITED

Travel, once the pastime of Kings, has at last come to Watertown. Its members were working hard in October conducting a week-long book fair in the Annual fair as well as a penny drive, cake sale and several other functions. The goals of this group are: to stimulate individual as well as group travel, at home and abroad, to provide the means for setting up group travel during school vacations, and to institute an exchange program with foreign countries sometime in the future.

TRAVEL UNLIMITED CLUB: Sheila Barber, Charlotte Nargorian, Victoria Gregorian, Mark Dugan, Carmine Gentile, Judy Erickson, Janet Casello, Cathy Joyce, Pamela Koot, Gail Kazanjian, Russell Sadler, Phil Wong, Karen O'Connell.
CRAFTS CLUB

The Crafts Club annually sponsors a toy drive for underprivileged children at Christmas time. It also makes Easter baskets for hospitalized children. In the spring, a field trip to Rockport art galleries is a highlight.

ART CLUB

The Art Club provides an opportunity for interested individuals to visit museums and art exhibits. The members benefit from shared ideas and art experimentation.
CAMERA CLUB

The club is designed to acquaint its members with the basic techniques of photography through practice and demonstration. Many club members are already knowledgeable in camera use and these members share their knowledge with less experienced members. The club also makes use of slide and film presentations on photography supplies by the Kodak Company. Planned activities include field trips, to Polaroid and the Boston Globe, while a club outing to New York is also anticipated.

PROJECTION CLUB

Any time any member of the faculty needs a projector or aid in the use of the audio-visual machines, the members of the projection club are prepared to lend a hand. They gain practical knowledge as well as great enjoyment from their work.
Future Nurses is a group of young people interested in nursing and allied health fields. They are brought together to explore opportunities and requirements, to grow as individuals by working in a group, and to learn about the community life in which they will soon participate.

The Future Teacher's Club, under the guidance of Mrs. Radford, seeks to stimulate future candidates for the teaching field through learning about teaching as a career and observing and assisting teachers. Members visit numerous colleges in an attempt to evaluate the quality of curriculum offered.
The Secretarial Club under the direction of Miss Moran explores fields relative to the members' interest. With the help of Miss Moran, they strive to improve their secretarial skills.

STUDENT LEADERS

In addition to the help the student leaders give the gym teachers, they do a great deal of charitable work. As a reward for these services the group goes on an all day outing in the Spring.
Under the guidance of sponsor Mrs. Ornato, the Debating Team has proved to be successful in competition with other schools in the vicinity. The members learn that their ability to express themselves is vital. Bob Beach, Peggy Arslanian, Queenie Haybatian, Sandra Aroian, Jay Mulvaney, Tom Maguire (not present) Sponsor — Mrs. Ornato.

Involved in a wide spectrum of activities, the Biology Club sponsors a science fair, monitors pollution levels in the town, expands their horizons via field trips, and helps teach science to elementary school children. The club also cares for a veritable zoo in room #3.
Chess Champs

CHESS

Chess is a game of careful thought and strategy. The members of the chess team spend many a relaxing afternoon playing chess. In this way, they improve their game while they spend pleasant hours with friends.
The Math Team and Club, under the sponsorship of Mr. Garabedian, attempt to create and sustain an interest in Mathematics and to investigate obscure areas in mathematical studies. The Club visits scientific institutions to gain further insight and knowledge in the mechanisms of mathematical theory.

MATH TEAM: James McDermott, Jay Segarra, Raffi Hollisian, Donna Fortini, Susan Burnhardt, Anne McHugh, Mark Dugan.

CHECKING A SOLUTION TO A PROBLEM.

Mark Dugan explains a problem.

Mrs. Spak's International Student Union members hail from all over the globe. Members acquaint each other with their own native lands as well as learn about others. They also help new foreign students get accustomed to the routine at Watertown High.

The Italian club tries to help its members learn more about the language, customs, and culture of Italy. The study of the language has resulted in the students' appreciation of the country's people and culture.

ITALIAN CLUB: Don Aquilano, Franny Centole, Terry Arena, Jerry D'anella, Cynthia DeRico, Julie DiPace, Nancy Di Nauta, Silvana Marcini, Pat Soordone, Jim McDonald, Betty Ann Yeradi, Betty Fraser, Torri Conti, Matilda Bisella, John Vella.
Off The Court

And On the Slopes

The Track, Gridiron, and Basketball Clubs attempt to improve the athletic ability of their members by showing films of their respective sports during club periods. A majority of the boys in the Hockey Club venture out two mornings a week before school at a local MDC rink.

"The Pied Piper,"
On March 11 and 12th the senior class put on the comedy by Woody Allen, "Don't Drink The Water." Captured behind the iron-curtain, three American tourists get involved in a frantic escape plan only to put on a zany display of comedians in performance. The sundry characters worked hard and practiced often to get this play together so well. Credit should be given to Mr. Paul Hughes, our director, who maintained his sanity throughout the performance.

This year, the Red Raiders ended the season with a 3 and 6 record, though it doesn't show the teams true worth. The Raiders left training camp ready to go after victories over Swampscott and Don Bosco, also adding Peabody to their belts.

The first few games fell from the win column by short margins in games that would have broken the back of any other team but a powerful comeback was seen. A number of tough breaks faced them throughout the season. The worst of these was against Wakefield. But that didn’t stop the Raiders of Watertown. Under the leadership of tri-captains Yankowski, Torri, and Spence the team pulled off three straight victories over Concord and Reading plus the thrilling comeback victory over Stoneham proving their worth.

SOCRER TEAM PLAYS ROLE OF SPOILER

Defeating many of the top teams such as L'xington added a little something to the season. Point wise the team ended up even on the year. The socsters specialized on the long kick and break-a-way style with the defense many of the offensive drives. The highlight of the season was the 5 to 1 victory over first place Lexinglon as John Carbone scored 4 goals. Congratulations should go to Coach Costello for the fine job he did, and the players leaders co-captains Howie Johnson and John Carbone for their fine effort. A special congratulations should go to the two co-captains and Kevin Keefe for their selection to the All-Scholastic team. Fullback John Quirk was also named to the All-Scholastic second team.
Temper, Oare.
The Indoor Track team had a tough year with events and other bad breaks that turned the season. The boys kept up their team spirit and came through with wins over Concord, Woburn, Reading.
George McDonald finishes last leg of relay for Watertown.

Howie Johnson sinks one.
Under second year Coach John Myers, the Raiders gave 100 percent every game and as a result qualified for the Tech Tourney. The final record on the season was 15 with 5, with 2 of the wins coming over non-league teams Chelsea and Everett. The Raiders went 6 and 0 before they faced defeat at the hands of Lexington in one of the season's toughest battles. Coach Meyers feels that the team doesn't have any super individuals but that as a team they worked hard and knew themselves that this is what it takes to win. This year's Captain George Yankowski did a fine job at the high spot, with the forwards Chuck Barrett, Bob Beach, Howie Johnson, Charlie Banacos, Bob Patey, and Jay McManus and sophomore Bill Hatten all added up to a winning season. The team was supported strongly all season, and this was a great help to the boys. These season long fans were into the Tech as they came from behind in a thriller to beat a strong Needham team 53 to 52. With this under their belts and the first game jitters gone the Raiders could go on to bigger times. Aggressive play, a fine balanced team and a great coach have made Watertown truly a team to remember.
Charlie for a layup.
McManus goes baseline.

Yankowski awaits rebound from teammate Barrett in game with Concord-Carlisle.
Tech Tournament — March 1971

For the first time in 30 years the W.H.S. Raiders are in the Tech. Twice previously Watertown teams had made the Tourney but, never before had they come up with a victory. With a crowd of over two thousand people comprised mostly of Watertownites cheering and screaming for victory they were not disappointed. The Raiders in a neck and neck battle with Needham were down by 7 points with four minutes to play, the team gave it everything they had and in a last valiant effort that paid off, gave the team a 53 to 52 victory. As the game ended the fans rushed the court in excitement and pride for the team that in 1971 went to the Tech.

On March 5, 1971, the Red Raiders defeated the defending Boston City League and Class B champs, Hyde Park, in the Tech Tourney quarter finals at Boston Gardens. It was a seat-squirming overtime victory which was highlighted by Charlie Banacos’ eighteen foot jump shot with two seconds remaining. Captain Yankowski again led the game with fifteen rebounds while scoring fourteen points. Chuck Barrett was the high scorer for the Raiders with sixteen points.
Our rifle team this year has been running a bit of hard luck. Coach Al St. Onge and his team have had their troubles with away meets, since their home range is J.F.K. Jr. High in Waltham. The team had its closest meet against Acton High losing by a very small margin. Co-Captains of this year's team are Pam Strout and John Bishop. Returning will be Rich Marchant, with him and a little recruiting the hopes to improve its record next year.

Referees separate Watertown and Lexington players as tempers flair in 2-2 tie.
Our skaters had a tough season only winning 2 games against Reading and Winchester. Coach John Krole and his squad played their best game to tie against a tough Wakefield team. Co-Captains Pete Pomponi and Jazz Brannelly and the rest of the team should be congratulated for their never say die attitude.

A Watertown player goes down.

Watertown scores.

Kevin Keefe passes off as Brannelly looks on.

Jean fires a slapshot to center.

Waiting anxiously.

Competing for the first time in the Middlesex League, the Watertown High's Girl's Field Hockey Team has had a very satisfactory year. With plenty of outstanding team work and hustling by our defensive backs Charlotte Nargozian, Cathy Joyce, Judy Erickson, Janet Casello, and Jane Ciciarelo, and by our offensive line: Patty McNeice, Eileen Brackett, Carol Milian, Judy Fitzpatrick and Debbie Erickson, the girls had a record of 1-5-3. With displays of talent by Jean Oteri, Cathy Leonard, Marianne Guggina and the rest of the team, we are looking forward to the 1971-1972 season with optimism.

Psyching Up!!!

S.A.V.E!!!

At the end of a disappointing year, the W.H.S. hoop team is looking forward to a much improved game next year. Leaving the team are Cathy Joyce, Pam Koot, and Rosanne Pallotta. But we have an undefeated J.V. with top-notch shooting by Diane Russo, Maureen and Martha Ryan. Even though we have not won many games, there is victory in defeat and we plan to be on top in the 1971-72 season.
Watertown's Got Th

With a yell and a shout, we cheer the spirit of W.H.S. Spirit is hard to get but the Indians, cheerleaders and majorettes sure do a great job. They brave all sorts of weather and spend many hours practicing for a rally or game. Captain Maria Timperio and co-captain Sue Breen and Majorette leader Joanne Parshley should be complimented along with the rest of the group for a job well done.

Here we go Raiders!!!
Grace roots for the Raiders!
Barbara, Joyce and Bobbi.
Patty and Judy perform during halftime.
Here we go Watertown, "Here we go."
Solitude...

Perspicacity.

Peace, baby.

I hate Monday mornings!
For every star that falls to earth
A new one glows
For every dream that fades away
A new one glows
When things are not what they would seem
You must keep following your dream
So while my heart is still believing
I'll say good-bye

ROBERT M. FORD
You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people with all kinds of talents. And especially, people who really want to get going with their future and want to be rewarded with automatic raises. Your High School diploma is all the experience you need. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

New England Telephone an equal opportunity employer

ACKNOWLEDGEMENTS

The Staff of the 1970 Annual would like to express their thanks to the people whose special help contributed to making this yearbook a success. They are grateful above all, to Mr. William Kelleher and Mr. Roy Voci, for their valuable guidance, which set the Staff on the road to correct management and workmanship. They are indebted to Dr. John Kelley, Headmaster, and Miss Donnelly and Miss Mathew, secretaries, for their wonderful cooperation and understanding. The assistance given by Mr. Robert Finn, Mr. Robert Chevoor, and Miss Mary Moran of the Business Department and Mr. Frank Peros of the Photography Department is greatly appreciated. The Staff cannot overlook thanking their professional associates, Mr. Jack DeLaney of Taylor Publishing Company, Mr. Jim Saunders, Mr. Terry Bleiler, Mr. James Bleiler of Purdy Studios for their services.
