A high school is more than a building, it’s a spirit, a belief, a feeling. From the first day of sophomore year to graduation there is a spark that grows within us. It becomes larger as we kindle new friendships and the expansion of our cooperation with others. We see it in the spirit of competition whether it be victory or defeat, and in the people who still cheer on whatever the score. It’s the feeling of warmth we find in the fun and the games, but also in the quiet seriousness of the times. The spark grows into a flame as we strive for our ideals. And as individuals only we can attain those goals. When we are through there’s a fire burning in our minds and our hearts. Let this fire NEVER BURN OUT!
A high school is more than a building,
It is a spirit, a belief, a feeling.
From the first day of sophomore year to graduation there is a spark that grows within us.

It becomes larger as we kindle new friendships and the expansion of our cooperation with others.
We see it in the spirit of competition whether it be victory or defeat,
And in the people who still cheer on whatever the score.
It's the feeling of warmth we find in the fun and games.
But also in the quiet seriousness of the times.
The spark grows into a flame as we strive for our ideals
And as individuals only we can work to attain those goals,
When we are through there is a fire burning in our minds and hearts . . .
... Let this fire Never Burn Out!
In Your Honor

Mr. James R. McNicholas
DEDICATION

The devotion of a man to his profession goes all too often unrecognized. Such devotion is quiet, frequently overlooked, and yet, as it exists within Mr. James McNicholas, very strong. The commitment of Mr. McNicholas to his career extends beyond academic subjects and into extra-curricular and community activities.

First and foremost a teacher of English, he strives to maintain the importance of a subject which students often consider boring and irrelevant. The ability of Mr. McNicholas to establish a warm rapport with his students through his humor and his amusing stories is highly regarded.

Mr. McNicholas's concern for the total student is shown by his involvement in sports, particularly as coach of the golf team and as a director of the Gridiron Club. He also takes an avid interest in sports with which he is not directly concerned, and his attendance at many games is noted and appreciated. Being involved as the Director of the March for the Retarded evinces his interest in all of us.

So in appreciation of your being you, we, the Class of 1975, with respect and admiration dedicate our Annual to you, Coach James McNicholas.

To many students, the study of English means grammar. Grammar implies rules which are too often broken, endless memorization, and boring compositions.

Yet, the study of English involves much more, since our language is a part of our culture. Therefore, when studying English we are exposed to culture, through the drama, poetry, and creative writing included in an English course.

Perhaps the most vital goal of English is to teach a person how to express ideas clearly and precisely. In this modern age of mass media, the need to fulfill this goal has become even more prominent.

A hard day's night.
In our ever-advancing technological society, the study of math has become essential. The higher forms of math are more often studied now, but the basic elements remain extremely important, because we must use them in our daily lives.

During the year, Watertown High participated in a "Metric Week." A week was set aside for the study of this system of measurement in all math classes. Currently, the metric system is a prime example of basic math which will affect our lives as the United States gradually adopts this system.

The Past Revisited
Social Studies at the high school flourished this year with the addition of a new course called American Legal System. While the approaching Bicentennial stimulated interest in our country's past, this year's excitement in Washington also increased student concern with current affairs. The Social Studies Department welcomes its new director, Richard Najarian, and looks forward to many successful years under his direction.

Skills For Industry
The Industrial Arts Department tries to apply the principles a student learns in his academic subjects to practical activities. While acquiring special skills, a student is also taught to use information gained in other classes.

To allow students to discover their own interests, all are exposed to a cross-section of the many courses offered. Included in the curriculum are courses in electronics, automotive, mechanics, graphic arts, mechanical drawing, and woodworking. The course selections allow students to receive comprehensive vocational training.

This year the Business Department has expanded its program in order to allow students to develop employable skills. The third year of the College Secretarial program went into effect for the first time, along with the Suggested Course Sequence. This Course Sequence allows students to choose courses to provide them with the particular type of Business education they desire. Also new this year was a federally funded Comprehensive Education Training Program. This program is offered to unemployed residents of Watertown as a chance to obtain some business training.

Building Strong Bodies
12 Ways
Physical Education at Watertown High School seeks to develop each student physically as well as mentally. This energetic, compulsory program has developed a wide range of games and drills, such as volleyball, gymnastics, softball, field hockey, basketball, and track.

A wide variety of varsity and junior varsity sports is offered both to girls and to boys. The girls' program was improved this year by the addition of a varsity track team.
Creating Ideals With Their Hands
The Art Department here at Watertown High School presents an opportunity for creative expression. The development of many courses strives not only to help the talented, so that they may further develop their ability, but also to the average student's interest and imagination, in order to develop aesthetic tastes and attitudes productive in art. The WHS art curriculum is constantly growing and presenting avenues for students who choose to learn about and to appreciate art.

Mr. Courchene in conference with client.
The Guidance Department proved most valuable again this year to departing seniors, and advice concerning futures was well received.

Although very busy with seniors, the Guidance Department was available to Juniors and Sophomores desiring assistance with programs or with conflicts with schedules. Counseling, planning programs and arranging college conferences for fourteen hundred pupils is difficult for only six people, and their ability and dedication is demonstrated by their successful results.

Folk, rock, and jazz. The rhythm of the Watertown High Music Department encounters all these at one time or another. On its way uphill, under the direction of Jack Hahn and with Joseph Cardello as its new band leader, the Music Department has revived a bit of the soul in all musicians and performers at W.H.S. Music is an unrestricted outlet for our reactions to the times, and is the form of free expression all of us want. The Music Department has given us the opportunity to get it.
The Science Of Human Understanding
New dimensions came to Watertown High’s Foreign Language Department this year. German was added to the list of language choices which already included Spanish, Armenian, French, and Italian.

With the continued use of the language lab, students are able to attain a fuller and more meaningful insight into each language. A great deal of credit is due to Mrs. Stella Boy, who is an important factor in the continuing success of the Foreign Language Department.
Treat yourself to international gourmet dishes such as crepes, lasagna, or chicken cacciatori. Recycle your jeans, make gifts for your friends, or wear the latest fashions. Both boys and girls prepare for life in the contemporary world when they enter the field of Home Economics. Students gain an understanding and appreciation of an important field in which they may pursue a career as a homemaker or as a professional.
Of all the knowledge that we acquire during our high school years, probably the most widely and the most frequently used skill is that of safely driving an automobile.

The Driver Education Program is designed to instill within each driver-to-be the importance of auto safety. The department is peopled with dedicated instructors who are devoted to their job and who, fortunately, are blessed with a much-needed sense of humor.
Chapter 766 Brings Changes

This year, a new law, Chapter 766, went into effect, which states that the physical and academic education of all retarded and handicapped children must be provided for by each town. The new law has resulted in increased numbers of students with special needs, a situation which Ms. Hayes and Ms. Dennelly have ably handled. Ms. Jane Jackson, as the resource teacher, has been busy working with small groups of students within their classes.

Football, Raiders Upset Rival Belmont

The W.H.S. Red Raiders, last year's Middlesex League co-champions, won seven of their ten games in the '74 football season. Headcoach John Barbati was most pleased with this year's team and with W.H.S. football in general. The Red Raiders have won more football games in the last four seasons than any team in the league.

The '74 football season ended with one of the biggest upsets in the fifty-four history of the Watertown-Belmont Thanksgiving Day game: Watertown beat Belmont, 28-14. This was the Raider's first victory in Belmont since 1960. This year's team had a lot of underclassmen playing varsity, indicating a very successful season next year, also.

Elected to the post-season Middlesex League All-star team were Chuck Laurie, Nick Delraso, and Art Bougoulas.
Gary Spence and Bob Waitt stopping the ground game.

Dave Meneilli and Orazio Lattanzi still on their feet.

Vinny Torrilli and Chuck Laurie converting on a point after attempt.
Soccer: Record Doesn't Show Their Hard Work
Soccer: Record Doesn't Show Their Hard Work

The W.H.S. Red Raiders sustained numerous injuries in compiling their three wins, ten losses, and three ties record. The pre-season starting lineup was intact during only three games. The Red Raiders played in five double over-time games, tying three and losing two.

Ricky Barba, Tom Ciccatelli, and Brian Quirk were elected tri-captains of the varsity; Ricky was also the team's leading scorer with nine goals and five assists, totaling fourteen points. The headcoach of soccer at W.H.S. is Mr. Phil Costello.

The Red Raiders played every game to their utmost, even in the face of adverse conditions; they gave their fans a lot of moments to remember.
The Watertown Red Raiderettes Varsity Field Hockey Team was off to a promising start winning their first league game against Burlington 2-1. But due to a few injuries and a new league rule there was trouble later in the season.

The team deserves a lot of credit for their long, hard practices; some of the members also attended field hockey camp. Also, Maureen Ryan and Patty Beagan, the Co-Captains, played outstanding hockey all season and deserve a lot of credit. Other seniors, Debbie Saverese, Jani Oates, Michelle Gagnon, and Linda McCarran will surely be missed. The team will return next year with Eleanor Pannesi, Elizabeth Brackett, Des Kilbourne, Eileen Crocetti, and Diane DerBoghosian as leaders.

Girl’s Field Hockey 1974
Don't worry Patty, I've got it! P. Beagan, M. Ryan Co-Captains.
The W.H.S. cross country team ran to a five wins, three losses, and one tie record in the '74 season. The tie makes this a most unique season; ties are nearly non-existent in cross country. The coach for cross country at W.H.S. is Mr. Thomas McGovern; the Red Raiders' home course is at Fresh Pond, Cambridge.

Varsity captain Tony Nugent placed second in the Middlesex League Meet, Don McWhirter placed tenth. They were both named to the All-Middlesex team for 1974. This year's team depended heavily on underclass runners; making next year's prospects look very good.
The W.H.S. Red Raiders are a vastly improved hockey team. Under a new coach, Dick Umile, the team compiled a four wins and fourteen losses record. The Raiders were in every game; four games were one goal losses. For the first time in many years the team won three consecutive games. Half of the 74-75 varsity team was composed of sophomores; the team has a tremendous potential for the next two seasons.

Defenseman Dan Cronin was elected team captain and was selected to play in the Middlesex League All Star game along with sophomore Ernie Morgan.
Coach Dick Umile, Capt. Don Cronin, Coach Jack Gardiner.

Frank Deignan takes out an opponent.

Middlesex All Stars Ernie Morgan and Don Cronin.

Dan Cronin moves the puck out.
Dom Martino, Frank Deignan, and Dan Cronin tighten up the defense.

Ernie Morgan loose in front.

Bob Murdock penetrating the defense.

Goal! — Jeff Whynot
Basketball: Losing, But Still The Favorite

The WHS Red Raiders managed only a six wins and twelve losses record on the court in 74-75. Despite the losing record boys' basketball attracted capacity crowds to the gym; the interest remains strong.

Jim Simpson led the team in scoring and rebounding. Tim McMannus and Vinny Testa were elected co-captains. Other Varsity players were: Brian Quirk, Brian Buckley, Jim Ryan, Chuck Laurie, and Kevin Buckley. The head coach was John Myers; assistant coach was Joseph Guden.
Chuck Laurie bringing the ball upcourt.

“But Ref, I didn’t mean to do it!”

Jimmy Simpson scores on a breakaway.

“Ouch! Get off my foot!”
Girl’s Middlesex League Champs
1974-1975

Girl's Basketball: Hard Work But Winning Is So Much Fun!

Two years of hard work seemed worthwhile as the Watertown High Girls' Basketball team captured its second consecutive Middlesex League Title.

The squad was led by a capable and versatile senior, Captain Maureen Ryan, who was high scorer for the season, averaging 14 points per game. She set up many fast breaks which guards Patty Beagan and Eileen Crocetti quickly capitalized on for two points. These guards, along with junior Elizabeth Brackett, possessed great defensive ability and immobilized their opponents on possible fast breaks.

Senior forwards Linda McCarron and Marie Horan proved to be outstanding at both defensive and offensive boards. At any time throughout the season, forwards Kathy Eberly and Karol Paltios could be called on to fill the shoes of the starting board. Other team members who could be called on at any moment were Seniors Lynn Casagrande, Jani Oates, Debbie Saverese and Junior Ginny Studley.

The Middlesex League Champions entered the State Tourney with a 9-0 record, and defeated their opponents from Lexington. They then defeated rival Belmont in the Quarter-finals but were eliminated by a strong Lincoln-Sudbury team in the Semi-final round.
"Just dribbling along, singing a song and trying to keep my head up."

"Oh please go in... or else I'll get killed."

"This one is all mine."

Let's go! Beat Belmont!
Rifle Team: A Disciplined Sport

The W.H.S. Rifle team competes in the Metropolitan Rifle League, under the supervision of their coach, Mr. Adeland St. Onge. Due to the inherent danger of the sport, team members must demonstrate such qualities as maturity and responsibility at all times.

Frank Garbouchian, the team’s best shooter, distinguished himself as the league’s shooter. The other seniors on the team were Moses Boyajian, John Fleming, Diane O’Brien, Carol McHugh, and Bill Patterson.
Boys' Gymnastics: Long Practice Paid Off In Victory

The W.H.S. Red Raiders won five of their seven gymnastics meets in the '74-'75 season. Excellent coaching by headcoach Anthony Gika and long practices, often held at night, lead to the fine team record. Gymnastics is a new and growing sport at W.H.S.

Despite the highly individualized nature of the sport, the Red Raiders functioned as a well disciplined team. There were no real stars, everyone performed up to expectations. Seniors included Mark Leonard, Mike Pepe, Ralph Chloadian, Jim Donnelly, Bob Busconi, Vin Woo, and Phil Costello.

The Red Raiders impressed all those who came to watch their meets with their discipline, skill, and finesse.

Jim Donnelly showing good form.

Tony Digione on the rings.

Mike Pepe dismounts from the high bar.

Bob Busconi in the floor exercise.

Mark Leonard vaulting.
The girls gymnastic team will miss Maureen's leadership, Cheryl's all-around performance, Eve's team cheer before each meet, and Betsy's bar routine. These four seniors were on W.H.S. first competitive gymnastics team. Watertown sent two girls to the state meet this year: Cheryl Conti and Betsy Cooper. The team scored consistently in the 60's and were an opponent that other middlesex leagues had to contend. With more experience and more depth they will be a formidable group of gymnasts.
Indoor Track: Reviving Interest And A. 500 Season

The W.H.S. Red Raiders compiled a four wins, four losses, and one tie record in the '74-'75 indoor season. Headcoach William Flecca enjoyed his team's first 500 season indoors in years. There were also more participants this season than in the recent past. Interest in winter track is rising, despite the fact that Watertown is now the only team in the Middlesex League without an indoor track facility.

Tony Nugent was elected team captain, and ran excellently. Leo Topjian was outstanding; he broke the fifty foot mark in the shot put several times. Track is a team sport; everyone's contribution is crucial to victory. On the W.H.S. indoor track team everyone contributes.
Winning By Much; Losing By Little

The W.H.S. Red Raiders compiled a good record of six wins and three losses this year. The Raiders lost a close one to Reading, won lopsided victories over Burlington, Lexington, Woburn, Stoneham, and Winchester, lost a heartbreaker to Wakefield by two points, defeated Melrose and in turn were defeated by Belmont.

Though the seniors formed the backbone of the team, a lot of the team's success was due to the underclassmen, whose talents and large numbers did not go unnoticed.
Outdoor Track

Joe McEvoy impresses the Reading team.

Tony Mazzeo heading for the finish line.

Baseball: A .500 Season As A Ballpark Figure

The W.H.S. Red Raiders have played to a record of nine wins and eleven losses to date. First baseman Jim Simpson was elected to the Middlesex League All Star team in his second sport this year; the other one was basketball. Southpaw pitcher Jim Devaney and catcher Dan Cronin formed the team's most effective battery. Everyone else made his own indispensable contribution to the team effort.
Larry makes an easy throw to first.

David — Ready and waiting.
The 1975 softball season was a difficult one for the team. The girls received a new coach this year, and they put a lot of team work and effort into learning new techniques of the game. The senior members, Maureen Ryan, Debbie Savarese, and Debbie Titchen will be missed greatly next year. Maureen, a varsity player for three years, was outstanding this season. Next year the girls have high hopes for a successful season.
Boy’s Tennis: A Backhanded Comment

The W.H.S. Red Raiders did not fare so well on opposing teams’ courts this season, compiling a record of one win and seven losses to date. Victory Field was unavailable due to reconstruction; practice had to be held on weekday mornings before school in Newton.

The team is coached by Mr. Sollitto. The outstanding player was senior Randy Corkum, who attracted the attention of several colleges.
The W.H.S. golf team, under Coach McNicholas, had a respectable season, though they lacked experienced players. This year’s team was largely made up of underclassmen, with the exceptions of Dave Herlihy and Marty Nahigian. Both Dave and Marty were cited for their outstanding golfing at this year’s awards assembly. They will be missed, but most of the team will return next year, for what they hope will be a successful season.
The cheerleaders started off with a new group of girls this year and they did quite well. From thinking up new ideas for the rallies and bringing baggies around to the football players, to spending Friday and Saturday nights during the winter months snuggled up in Mr. Gulla's bus, they never seemed to give up hope. They represented our school in an excellent way.
Majorettes

This year the majorettes proved to us that halftime shows can be fun. They displayed varied talent and put on routines that were enjoyable for all. Who could forget Proud Mary, THE Horse, or the Swinging Shepherd (better known as THE STRIPPER).

The girls worked hard and their work was well worth it.

MAJOR ETIE S: L to R: Susan Urciullo, Loretta English, Jean Wade, Laurie Dupuis, Barbara Connors, Valerie Stewart, Barbara Holt, Karen Brassard, Karen Brassard.

Laurie Dupuis

Susan Urciollo

Barbara Connors
This year, the Indians consisted of an all-around group of girls. Betsy Cooper with her gymnastics gave her a hand with her kung-fu fighting. Jane Crouse with a little bit of everything, including good vocal chords, made everyone listen to her. Noel Butler, trying to keep everything organized kept all the Indians on their toes. Debi Bucciarelli, with her popularity, and the gang in the stands helped keep everyone cheering. Patty Beagan, with her spirit and long hair and jumping around never once went on the warpath. We could never forget the leg shots here and there from Debi and Patty.

None of the Indians will forget the fun, dancing, yelling, and jumping . . . they all speak for themselves in memories now and forever.
This was the first year Watertown had a separate girl's track team and it was a great success. The girls worked hard and won 8 out of their 9 matches, losing only to our rival Belmont.
Girl's Tennis: Lots Of Work With Little Rewards

Lisa and Eleanor score a point.

My ballet lessons sure came in handy.
In Memoriam

Richard Vincent

Richard Alan Balch

May You Always Walk In Sunshine
And God's Love Around You Flow
For The Happiness You Gave Us
No One Will Ever Know
It Broke Our Hearts To Lose You
But You Did Not Go Alone
A Part Of Us Went With You
The Day God Called You Home.
A Million Times We've Cried
If Love Could Only Have Saved You
You Never Would Have Died
On March 6 and 7, 1975, the senior class presented "Arsenic and Old Lace." This famous comedy, about elderly sisters who kill lonely old men with poisoned elderberry wine, is an enjoyable one, both to the performers and to the audience. The students, under the direction of Mr. Paul Hughes and Mrs. Diane Tetreault, enjoyed their individual characters and worked hard at making the production a success. The result was an excellent play, which earned $600 for the senior class.
George and Valerie enjoy a peaceful moment.

Policemen tell the Brewsters that Teddy disturbs the peace with his bugle.

"You hit him too hard," says Brian Buckley.

Lenny Holt explains the situation to Bob Busconi.

Bob Busconi as Teddy Brewster.
Students from Watertown High presented the school’s second musical, “West Side Story,” on May 14, 15, and 16, 1975. Long hours of hard work at rehearsals resulted in what audiences agreed were excellent performances. Musicals are difficult to put on, and everyone in the cast and the crew made a great effort.

Special thanks are extended to Ms. Donna Galebach, the director and orchestra conductor, and to Lisa Denaro, the student choreographer, who made it all possible.
George Daskalos tells Chris Pacheco of her brother's death.

The Jets decide to dress up for the dance.

The Jets wait for the war council.

The curtain call.

The Jets tell their story in "Gee, Officer Krupke."

Future Homemakers of America

This year economics students formed a local chapter of Future Homemakers of America. F.H.A. is a national organization founded to foster leadership in home and community life. This year's activities included exploration of living patterns of various ethnic groups of Boston.

Music Club

Tri-Hi-Y

Tri-Hi-Y, an active organization at Watertown High School, focuses its activities on charitable endeavors. Holiday fruit baskets and colorful Christmas favors wrapped by members of the organization were distributed to nursing homes here in Watertown during the holiday season. Spring brought new ideas as well as group activities for the organization.
DECA

The Distributive Education Group at Watertown High School had a very successful year. They attended competitive conferences in Philadelphia, Boston, and Chicopee. Throughout the year DECA students were awarded 13 trophies. Eleven were awarded at the regional conference and two were awarded at the Chicopee meeting.

DECA students Judy Iverson, Angie Morizio, and Charlie Smith with Ms. Farnsworth.

Distributive Education

FRONT: Participants in the North Atlantic Regional Conference were Debbie Dexter, Maryanne Consolazio, Ms. Farnsworth, Bernice Comeau, Louise Davidson, and Angelo Morizio.
The Student Council again worked diligently in the interest of the student body. They sponsored many activities this year, including bands, concerts and movies, such as JESUS CHRIST SUPERSTAR. The Council also organized the Springthing concert and the National Honor Society assembly. In their bi-monthly meetings the S.C. continues to protect student rights and reflect their needs.

Student Council

The Student Council: Paul Bulger, president, Tricia Burke, secretary, Janice Salvucci, treasurer, Tomar Hollisian and Judi Gallagher, executive committee, Jeff Whynot, Vice president.

SOPHOMORE CLASS OFFICERS: SOPHOMORE CLASS OFFICERS: Poul Bulger, president, Tricia Burke, secretary, Janice Salvucci, treasurer, Tomar Hollisian and Judi Gallagher, executive committee, Jeff Whynot, Vice president.

SOPHOMORE CLASS OFFICERS: Paul Bulger, president, Tricia Burke, secretary, Janice Salvucci, treasurer, Tomar Hollisian and Judi Gallagher, executive committee, Jeff Whynot, Vice president.

SOPHOMORE CLASS OFFICERS: Paul Bulger, president, Tricia Burke, secretary, Janice Salvucci, treasurer, Tomar Hollisian and Judi Gallagher, executive committee, Jeff Whynot, Vice president.

STUDENT COUNCIL: BACK ROW: Cindy Kanonovich, Bill Berry, Susan Donnelly, Lisa Ganjian, Donna Boole, FRONT ROW: Marie Devito, Sally Danforth, Barbara Devito, Jean Fantasia, Rory Butler and Helen Doggett.
SENIOR CLASS OFFICERS

The responsibilities of the class officers are great. As elected representatives, they must be able to carry out the wishes of the student body and at the same time make the wishes of the administration known to the students. Their efforts raising class funds result in the ability of the student body to conduct meaningful and enjoyable activities.

JUNIOR CLASS OFFICERS

The class of '75 is fortunate in having outstanding leaders. More often than not, the Junior Class plays a secondary role to the Senior Class, but this was not so this year. The outstanding success of the Junior Class gives testimony to the spirit and devotion of the class officers. We look for them to continue their outstanding performance next year.
Information in a serious or humorous context is found in the Bulletin. Articles by students, sports stories, news, and editorial comment result in an informed student body.

Artistically talented students contribute sketches. The work of the photography staff completes the efforts of all involved students.

This year’s Chess Club was small in number, but what it lacked in quantity it made up for in quality. The club was led by a nucleus of outstanding talent from this year’s chess team. The remainder of the club was composed of chess enthusiasts from the student body at large. Although the atmosphere of the club was always informal, the competitive nature of tournament chess was always present.
Math Team

The Watertown High math team competes in five ten-team math meets in the Greater Boston Math League each season. As an understatement, the problems are difficult and the competition is rough. Pressures of stiff competition and a race with the clock compound the difficulties of the meets.

Armenian Club

For the past five years, the Armenian Club has been carefully working for various purposes.

Our major project this year was a dance with the Belmont and Arlington Armenian clubs. The dance was held at the Sheraton Commander in Boston.

The club has toured many of the historical locations of Boston.

Art Club

The purpose of the Art Club is to advance visual creativity through studying and creating all forms of art. The members are involved in various fund-raising projects which result in the scholarship award to a senior planning to major in art. Teaching art at Home Base School and a field trip to Rockport are important activities.
**Biology Club**

The Biology Club has tried to get involved in different environmental activities. We have gone mountain climbing, camping, have participated in the Charles River cleanup, and other activities. We hope to interest more people in their environment and to make others more aware of environmental problems.

**Yoga Club**

The Yoga Club is an introduction to yoga exercises and thought. Yoga methods are 4000 years old and may be used by people of all ages. Through yoga, a person learns his own capabilities for meditation. Yoga improves a person's physical well-being and increases his personal self-esteem.

**Theater Workshop**

Theater Workshop is made up of students who are interested in theater arts. A major function of the group is to take an active role in school productions. Throughout the year, field trips are arranged for members of Theater Workshop to see performances at local colleges and universities as well as professional productions in the Boston area.
Gridiron Club

Although the football season ends in November, with the Thanksgiving Day game with Belmont, the Gridiron Club, sponsored by Coach Barbati, attempts to keep the interest in football going throughout the year. The club shows sports films, hears speakers from the athletic world, and aids the school with charitable works. The club membership is comprised of members of the football team and other interested students.

Basketball Club

The purpose of the sports clubs at Watertown High is to create and sustain interest in their respective sports. Their activities in athletic and fund-raising areas are an important part of the extra-curricular activities of the school. Fitness of mind and body is their final goal.
Culture Club

The Culture Club was organized this year and members considered the club to be a success. Our activities this year included trips to the Gardner Museum, to see the Nutcracker Suite, to the Boston Pops, and also an ethnic dinner. The club divided its treasury between the Art, Music, and English departments to enable them to purchase much needed items.

Media Club

Instead of just offering students a chance for enjoyment the Media Club performs necessary services for the school and the town. By video-taping sports events and acting as technicians for town meetings, school assemblies, and especially the class play, the club's members fill an important need.
Recognizing Our Leaders

Awards Day

Two for Jim Simpson — Basketball and Baseball.

The Elks scholarship for Patty Beagan.

"Thanks for helping on the Annual, David."
Recognition of one’s abilities and efforts are always greatly appreciated. With that in mind, Watertown High holds an annual Awards Assembly to acknowledge the many talents of its students. The many trophies, scholarships, certificates, and other awards presented at this assembly are deserved and received by students with appreciation.
This is embarrassing.

Oh Dad! You dance divine.

I'd rather dance with Moe anyway.
They're playing our song!

"Don't look now, but he's taking our picture."

Come on, you guys, say 'Cheesel'
Senior Banquet
June 3, 1975

Linda McCarron reads the annual dedication.

"Hey — are we going to be in the annual?"

"Debbie — you've got to be kidding!"
"Eat it — it's supposed to be good for you."

"I had the filet. Who had the lobster?"

"The check — please."
Graduation

Vice President Linda McCarron, President Brian Buckley, and essayist Vincent Woo.

Essayist Maryann Ceglia.

Thank God it's finally over.
June 4th, 1975

Looking forward to the all-night party.

Bob Busconi receives his diploma.

I’m psyched!
Members of the senior and junior classes at Watertown High were inducted into the National Honor and Cum Laude Societies on May 27, 1975. The guest speaker for the evening was Mr. Donald Costello, Admissions Director at the University of Massachusetts at Boston. Maryann Cegl, David Ellis, and Vincent Woo assisted Dr. Kelley during the ceremony. Speeches on the histories of the National Honor and Cum Laude Societies were given by Laurie Bejoian and Janet Parsons.

The assembly was made more meaningful this year by a candle-lighting ceremony and the presentation of flowers to the candidates.

Yes! If you get your prom things together at Lord & Lady Formalwear in Watertown.

We have tuxes and gowns in all the latest styles, fabrics, and colors so there's never any guessing about his matching hers. Whether you're buying or renting, we've got something great-looking you both can afford.

See your student representative for a special coupon.
A bank should work as hard for your money as you do.

We hope that in some small way we helped to influence your future lives.

Now the world is out there waiting for you.
Now the future is what you will make it.

Which way to go?
What job to seek?
Where is the yellow brick road?

One company represents so many different avenues there may be a job opportunity that just fits your particular talents. More important, a job that leads to a better job. Ask your guidance counselor where and when you can apply for an interview with New England Telephone. A people-to-people business.

The staff of the 1975 Annual is indebted to Roy Voci, William Kelleher, and Dr. Kelley for their encouragement and guidance.

A special thanks is extended to Mrs. Marie Hannon and her typing classes, who did so much to help produce this book.

Finally, a special thanks to the citizens and merchants of Watertown for their support.

Thank You
