HISTORICAL MAP
OF WATERTOWN
1630-1930
During the years we have spent at Watertown High School, we have to know, respect, and admire you, Miss Martello, as one who is truly concerned with the well-being of the students.

Your presence has been made known by your exuberant personality and your involvement in student activities. By always being there to help as a teacher, as a coach, and as a friend, you have helped to keep the spirit alive at Watertown High.

As a teacher, you have shown to us your devotion to your profession; as a coach, you have demonstrated your fine quality of leadership; and, most importantly, as a person you have taught us the meaning of friendship.

So as a sign of our appreciation, we, the Class of 1976, dedicate our Annual to you, Miss Elaine Martello.
For twenty years, Dr. John J. Kelley has served as the distinguished principal of Watertown High School. During this time, he has provided both leadership and assistance for the student body and the faculty. The responsibility of being headmaster requires not only energy and fortitude but also compassion and understanding, and Dr. Kelley has demonstrated his possession of these attributes.

In this Bicentennial year, we bid farewell to a man who has dedicated his life to education, which is one of the country's most important priorities. On behalf of all the students of Watertown High, both past and present, we would like to express our gratitude and our best wishes for the future.

The Spirit of '76 is not just that of the Bicentennial.
We, the members of the Class of '76, have a
spirit just as real and alive at Watertown High
This spirit has been present in the hard work, dedication, and obstacles we have experienced.
We are a group of people whose interests differ greatly but whose loyalty to each other never falters.
Our memories of Watertown High can never be forgotten because these special years have shaped our characters, matured our minds, and opened up new horizons.
Our challenges have been many, and yet they have only just begun.

IN MEMORIAM

In memory of a very special teacher —

Miss Pizzuto was a very special teacher and person. Happiest while doing for others, she made even the hardest things easier to take and her smile brightened even the gloomiest day. Knowing Miss Pizzuto was a very special experience and we will all cherish the moments we had with her.

(written by two of Miss Pizzuto’s students)

MISS ANN PIUUTO
1946-1976

You have to evaluate everything in this complex world — what is worth worrying about and what isn’t easy. To establish a sense of values is one of the most difficult tasks one has to attempt. We all have our own idea as to what is right and what is wrong.

It is hard to remain an individual today when so many of us take refuge in groups. I don’t want to be swallowed up.

If everyone started criticizing himself as objectively as he criticizes his friends, there would be a lot less complaining.

I am trying so hard to discipline myself . . . to enjoy and be aware of each moment, each person . . . to learn from others about life . . . and not to be bitter about bad moments, memories . . . all experience is woven together. It’s necessary for awareness.

Nothing is forever, not happiness or sorrow, . . .
Each has its own season.

HOME OF THE
WATERTOWN
Red Raiders

SPORTS
This year, the Red Raiders were led by co-captains Tom Boyce and Manny Bougoulas and a squad of over thirty seniors. By the end of the season, the Raiders had compiled an impressive record of 8 wins and 2 losses. From the team, five players were selected to the Middlesex League All-Star team. They included co-capt. Bougoulas and Orazio Lattanzi. In addition, these two were selected to the All-Scholastic teams. Also making the All-Star team were co-capt. Boyce, Gary Spence, and David Morrill. The team completed the fifth consecutive winning season for Watertown and within the last three years have compiled a record of 23 wins and 6 losses, the finest in Watertown's history. Although losing approximately 30 seniors, Coach Barbati is looking forward to continuing this streak with the return of many talented juniors and sophomores to next year's team.
Oh no you don't!

After winning all of their pre-season games against some tough teams, the soccer team’s hopes were high as their Middlesex league schedule began. However, the team did not have the season they expected. Their original hopes were dashed as the Watertown eleven were plagued by a series of injuries. Still, led by co-captains Tony DiGiovine and George Salvitti, the members of the soccer team never gave up and were very seldom out of a game until the end. Because of their hard work and dedication, Tony and George were selected to the Middlesex League All-Stars, while Levon Habosian made honorable mention to the squad.
"Kick the ball."

Where's the ball?

"Kick the ball, not me!"

No hands, no feet, no cleats...

Ralph controls the ball.

Dorn with a pass to Tony.
With two impressive pre-season victories, the Field Hockey team looked forward to a winning season. Unfortunately the record did not reflect the hard work and dedication contributed by each member of the team. The highlight of the season was a victory over Belmont with Sharon Harvey scoring the winning goal. Captain Diane DerBoghosian had a great season in goal and made honorable mention to the All-Star team. Next year, the team hopes to better their season record, as returning juniors and sophomores have gained a year of meaningful experience.
"STAND STILL!"  
"I never get any action!"

Sing along with Miss Martello.

Kick save, DerBoghisian!

Coach McGovern's Cross-Country team finished its season with a 4-5 record. The team's efforts throughout the season were spearheaded by the fine performances of co-captains Joe Mazzola and Jim Tierney. The contributions of seniors John DerBoghosian, Kevin Fahey, Bob Martino, and Bill McMahon greatly supported the team. Since many important underclassmen will be returning for the 1976 season, Coach McGovern is looking forward to a strong future for the team.

Competing in the Metropolitan district league, the rifle team fired in nine meets against Holbrook, Acton, Wayland, Malden, Newton, and Braintree. The team did not have a winning season but spirits remained high. Vernon Burke, this year's high shooter, made the league's All-Star team.

Under the spirited leadership of captain George Salvitti, the varsity hockey team completed their best winning record in the last twenty years. Through the hard work and determination of this year’s seniors George Salvitti, Mark Warner, Stephen Tocco, Joe Murphy, Dom Martino, Greg DeStasi, Ricky Johnson, and Ricky DeFelice, the team ended the ’75-’76 season with an impressive 8-10 record. Coach Umile and juniors Frank Deignan, Ernie Morgan, and Jeff Whynot are looking forward to another excellent year.
Ernie and Jeff get set to move in.

"Did you hear the one about...?"

"Will it go in?"

"Waiting for a rebound."

Goal.
In their first season, the Girls' Ice Hockey team tied for first place in their league. Winning games by five, six, and ten goal margins, they outscored their opponents 29 to 5 and compiled a record of 5 wins, 1 loss, and 2 ties. Captain Susan Duffy and goalie Jane Ford had fine seasons, as did the high scorers Donna Sarrintino, Carolyn Woods, and Debbie Romanelli. The team is looking forward to another excellent season as they will be losing only one player, senior Cindy Mitchell.
In its first season, the members of the Swim team worked hard and well. Although the team did not win any meets, several individuals won or placed in their events. Despite the lack of results on paper it was a very successful season and all who competed can consider themselves winners. Most importantly, they all enjoyed being part of the team, which results in the kind of spirit that will lead to success in the future. The team is ready for winning now, for they cannot be expected to keep up such morale without the promise of victory.

This year, despite many close games, the Raiders still ended up with a record of 10 wins and 10 losses. Led by the aggressive seniors Mark Roopenian, Bill Joyce, Bill Ford, Mike Bowler, and John Anastos, the varsity gave every team in the league a tough battle. Returning next year for Watertown will be Kevin Buckley, Phil Greenough, Joe Bejoulian, Joe Nardone, and Chucky Shutt.
Bill Joyce warms up. Joe sneaks through. Mark and John box him in!

Joe has the beat!

Of course it's going in!

Joe has the beat!

Wait, I'm not finished yet!

Mark goes in for the lay-up.

Reaching for the ceiling.
With the nucleus of a strong returning team that had been part of two championships, Coach Martello’s hopes of another successful season were realized. The 1975-1976 Girl’s Varsity Basketball team experienced a long but rewarding season. The honors were many: an impressive 13 and 3 record, third successive Middlesex League Title, advancement to the semi-finals in the Eastern Mass Tournament, and three members chosen to represent Watertown in the League All-Star team: Eileen Crocetti, Liz Brackett and Karol Paltsios. Memorable games with Belmont, Lexington and Reading emphasized true team comradery and proved to all they were a team of “Champions.” Graduation means the loss of 10 seniors. However, with the returning talent of juniors Marlene Coffin, Eileen Everett and Kathy O’Loughlin the championship spark still remains for WHS Girls’ Basketball 1977.
Let's get on with the game!

"No one gets in my way!"

... A curtsy from Liz!

"The next one's MINE!"

"If it's the last thing I do..."

Eileen on the drive.
"I'll hold her — you take the ball!"

Time out at the Tech.

"Sit on the bench — not on me!"

Poltsios puts one up.
A record of 5 wins and 3 losses provided the Boys' Gymnastics team with its third consecutive winning season, giving them an overall record of 16 wins and 8 losses. Co-captain Joe McEvoy was the team's high scorer, while co-captain Steve McWhirter won the bronze medal at the Middlesex League Championships and placed 9th at the state individual championship for his performances on the side horse. Although losing some valuable seniors, Coach Gika and Coach Hughes expect another successful season next year.
Girl's Gymnastics started their season with a new coach, Gail Rundlett, and assistant coach, Cheryl Conti. The girls had a good season, scoring very consistently, though they were never able to win a meet. Members of the team include senior Anne Pugliese (captain), juniors Lee Ann Burdick and Allison Aylaian, and sophomores Debbie Williams, Anne Leonard, Jean Clifford, Elaine Farrington and Barbara Carney. The gymnasts are looking forward to another season of competition.
The Watertown Boys' Track team didn't have a winning season, but outstanding individual efforts were made by Jim Tierney in the 440 and mile, Mark Roopenian in the discus, Chris McCarthy in the high jump, triple jump and high hurdles, and Kevin Buckley in javelin and high jump. Fine contributions were made by Levon Habosian and Tony DiGiovine in the sprints, Kevin Fahey and Joe Mazzola in the distance runs, Doug Rockwell in the shot put, and Frank McCarthy in the high jump. Peter D'Amico, the only pole vaulter, improved greatly as the season progressed. This year's team also included some excellent sophomores, who Coach Flecca expects to do very well next year.

The WHS Girls' Track team produced another exciting season as they finished 2nd in the Middlesex League with a 7 and 1 record. The only loss of the season came against rival team Belmont for the championship, in a close meet which was decided by the dramatic last relay. Driven by Coach Tony Flecca and Assistant Coach Elaine Martello, the girls learned the true meaning of athletics and the spirit of competition. Many individual as well as team records were broken this season, and each girl truly deserves a "bite of the hat!!!"

UGHH!!!

True concentration.
Although the record was not very impressive, the Boys' Tennis team did improve their play over last year. They ended 92 games, 8 sets, and 4½ points better than they did last year. Peter Paltsios, captain of the team, won 4 of his 9 matches and was considered for the Middlesex League All-Stars. Karnig Boyajian looked good through most of his matches and gave most of the opposing number one players a severe testing. The best, of course, is the return of Peter Paltsios, Karnig Boyajian, Steve Conduris, John Hanlon, Peter Tsicoulias, Peter Lemonias, J. C. Bejoian, and George Williams for the 1977 season.
Toke that!

"Please, come down!"

Peter's two-fisted backhand.

"I should be a gymnast!"

Intense concentration!

"Keep your eye on the ball.

This is TENNIS, not golf!"
The new tennis courts at Victory Field finally gave the girls an opportunity to hold regular practices. As a result, the girls were victorious in three of their league matches, the best record compiled in many years. Singles players Sharon Harvey, Kathy Eberly, and Carol Cousineau all had fine seasons. Doubles team Terry Oates and Sirvart Boyajian was also quite successful and greatly contributed by winning the majority of their matches and sometimes deciding the outcome of the match. Carol Cousineau, Janet Pinzone, Katie Mulvaney, Andrea Connelly, Carol Knell and Barbara Holt hope for an even better season next year as they and Coach Vance have another year's experience.
"I dare you to hit it back!"

That took a lot of effort!

Cindy returns another.

Is that Kathy or a statue?

"You cheater, that shot was in!"

Lisa warms up.

"Didn't hear the 1st time, huh?"
Despite the fact that the baseball team did not do as well as expected, the members worked well together and produced some outstanding achievements. Team captain George Salvitti led the league in hitting with a .478 average, and Dave Boyce hit .355; both were All Star choices. Mike Goyetche was an alternate choice for the All Star team. Other seniors who contributed to the team effort included Rick Johnson, Steve Tocco, and Bill Barnes.
Dave gets set. “Hope the coach wasn’t looking.”

“I’m going to kill this one.” Strike!

John has first. Going home.
With a pre-season winning streak, the Softball team looked forward to a successful season. However, with only four veterans, Diane, Ginny, Nancy, and Sue, playing, a lack of experience proved to be their downfall. Toward the end of the season, the girls started to put it all together again as most of their games were decided by a few runs. Since the team first started practice in March, there has been a great deal of individual improvement, especially in sophomores Cindy, Ginny, Debbie, Karen, Debbie R., Angela, and junior Norma. Co-captains Ginny and Diane have high hopes for next year’s team, next year’s co-captain Sue Allegro, and Sue Duffy, who was elected to the 1976 All-Star team.
"Bet you can't hit this one!"

"That guy's making me nervous."

"What are you looking at?"

Diane with a hit to left.

Pep talk on the mound.
The golf season ended with a satisfying 5-5 record. This year’s team was young and inexperienced, having only Mark Warner from the Senior Class. Mark was captain and set a fine example for his younger teammates. The highlight of the season was Andy Sbordone’s qualifying for and finishing twenty-ninth in the state school boy tournament. Prospects for next year are excellent.
ACTIVITIES
Student Council

The members of Student Council worked diligently on behalf of the student body. Discussions during the bi-monthly meetings covered everything from student rights and needs to what the next assembly could be about. Student Council activities included raising funds for various charitable causes, holding a voter registration drive, setting up assemblies, and organizing the Spring Thing concert. Mr. John Cucinatto, the faculty advisor to Student Council, assisted the members in planning their projects.

Senior Class Officers

Concerned with the betterment of the Class of '76, this "close-knit" group worked continuously and enthusiastically throughout the year. Their efforts resulted in a candy drive, a Blood Drive, and some dances, as well as other traditional senior activities such as the Prom and the Banquet.
Junior Class Officers

By participating in the Class Skits competition, organizing a Spring Cotillion, and sponsoring a raffle, the Junior Class Officers demonstrated their ability and spirit. Through their efforts, they gained some of the experience they will be needing to provide effective leadership for next year's Senior Class.

Sophomore Class Officers

Even though Sophomore Class Officers don't play as important a role as the officers of the Senior and Junior classes do, this group offered its support to all school activities. Their projects included organizing the winning Class Skit, sponsoring a bake sale, and holding a car wash.

Filled with short stories, plays, poems, and artwork, the Literary Magazine is created by and for Watertown High students. Under the supervision of Ms. Stowell and Ms. Lichtman, a panel of students read the articles submitted and picked the best. This year's issue was very successful.
Tri-Hi-Y

Tri-Hi-Y plays an important role in the involvement of students in community activities. Its members organized a rummage sale on the High School campus this year, with profitable results. Sponsoring the Winter Carnival and hostessing a banquet for Watertown's Senior Citizens were just a few of their worthwhile projects.

Student Leaders

Under the supervision of Miss Martello, the Student Leader's Club is an all girls organization. The qualifications needed to become a member are based on the participation, responsibility, enthusiasm, and leadership displayed in gym class.
Theater Workshop

The Theatre Workshop gives aspiring young actors and actresses a chance to develop and display their talents in performing, directing, and possibly writing. The members attended several plays performed by local colleges and dramatic societies.

Art Club

Getting together with people who have the same interests and who wish to express their individuality is the main purpose of the art club. It gives avid young artists the opportunity to experiment as well as to share ideas with their peers.
Music Club

The Music Club is designed for students who wish to experience music for pleasure and personal interest. It is not necessary to be a musician, for the field trips and programs are set up to create an enjoyable musical experience for all.

Culture Club

The purpose of the Culture Club is to encourage the development of a sensitivity to and an appreciation of the creative world around us. The activities involved include visiting museums and attending plays and concerts.
Armenian Club

By interacting with other Armenian Clubs in the surrounding area, the WHS Armenian Club helped to form closer relationships between all Armenian students and to develop appreciation of Armenian cultural heritage.

International Club

Established to foster better understanding of different cultures and peoples through many varied activities, the International Club has members who come from the French, German, Italian, Latin, and Spanish classes at WHS. Club projects included going to restaurants, museums, and foreign films.
Basketball Club

By promoting interest in their respective sports, the Gridiron and Basketball Clubs encourage their members to play fair and to be humble in victory and proud in defeat. The clubs show sports films which help improve the ability of the athlete because he is able to see and thus learn from his mistakes.

Gridiron Club

Scuba Club

Headed by Mr. Barron, the Scuba Club was newly organized this spring. All those belonging to the club are certified divers. They enjoyed several field trips along the Massachusetts coast.

Ski Club

The aim of the Ski Club is to generate interest in and to provide instruction for the sport of skiing. Monthly meetings were spent viewing movies, having slide-lectures, and planning for weekend trips, making this a successful year for the members.
Future Teachers

This club was formed to help students explore career goals related to teaching. Students discussed the roles and responsibilities of people working in the fields of day care, nursery school, and elementary school. They also looked at ways to set up a playgroup or a home-care program.

Biology Club

Under the direction of Mr. Buckley and Mr. Barron, the Biology Club is an active group. The mountain climbing and camping trips are found to be most popular. Besides the experience of the activity itself, the trips enable participants to learn much about the out-of-doors environment and group interaction.
Chess Club

This year's Chess Club, under the indirect auspices of its spiritual guide, Bobby Fisher, has improved beyond the wildest hopes of its faculty advisor, Mr. Napolitano. The year began with a small band of intrepid novices eagerly seeking the true meaning of the game of chess. Now, at the end of the year, most have mastered the basic moves of the chessmen and are ready to delve into the perplexing moves known as castling and en passant. (article contributed by a Chess Club member).

Math Club

The Math Club provides enjoyable means for the student to explore and investigate the many topics in the world of mathematics. Complex problems and intriguing equations stimulate the minds of the members. Most of the club's members are also on the Math Team, which competes in five meets against neighboring towns each season.
Bicentennial Committee

Organized a few years ago, the Student Bicentennial Committee gave W.H.S. students a chance to become involved in the celebration of the Bicentennial. The committee's various projects included building small scale models, holding a colonial fair, and helping out with the Charles River Clean-up.

Audiovisual Club

As a member of the Audiovisual Club, one becomes familiar with a wide variety of skills. Students assist teachers in the production of graphic materials, and they also become involved in video production, lighting, and sound control, as well as technical assistance. Visits to local television and radio stations reinforce what the students learn.
Garden Club

Supported by many people who supplied equipment and clippings, the Garden Club was filled with "earthy" activities. Members enjoyed planting and tending plants indoors and outdoors. Many of the plants were then sold at a plant sale this spring.

Jets

Focusing on Science and Engineering careers, this club is a chapter of the Junior Engineering and Technical Society (JETS) — a national organization. Sponsored by Dr. Jerome Vigil, a physicist who lives in Watertown, and Mrs. Julia Wan, Director of Science, club activities during the year included several speakers, films and a project on transportation and energy.
D.E.C.A.

The only national student club at Watertown High, the Distributive Education Clubs of America consists of student activities which supplement the Distributive Ed course. DECA strives to develop managing and marketing skills in students. Local members have opportunities for state and national recognition through competition that they would not otherwise have. Any student who is in the Distributive Ed program may become an active member of DECA. This year Watertown received a total of 20 trophies in competition with schools from all over Massachusetts.

Under the leadership of Eleanor Pannesi and Peggy Mannix, the group raised money throughout the year for charitable causes. In mid-winter, the sister sororities sponsored a ski trip to New Hampshire which was enjoyed by all.

Consisting of an active group of girls, this year’s Psi Sigma Tau was one of the largest in sorority history. Organizers Donna Angelucci and Dotty Faggas kept the group busy during the school year. Next year the tradition will be carried on by Steph and Tamar.
Lounge Club

As one of the outstanding clubs at W.H.S., the Lounge Club prides itself in promotion of academic and athletic, as well as social, progress.

R.S.

R.S. is the only organization in which outgoing people with exuberant personalities may feel comfortable. During their membership, these people have been taught the meaning of being wanted.
Cheerleaders

In many sports, spectators play an important role because they give the players the extra encouragement which could mean the difference between winning and losing. This year's cheerleaders, with Dawn Robley as captain, contributed by leading the crowd in rousing cheers.
With the help of the band, the majorettes, led by captain Peggy Mannix, innovated some interesting routines, making halftime more enjoyable than ever. They even gave the guys on the football team a chance to try a little twirling during the Thanksgiving Day rally.

"We can do it too!"

A tense moment.

The Spirit of '76 was exhibited by Anne, Cheryl, Marybeth, Sharon, and both Eleanor. They did everything from helping lead the cheers to dreaming up ways to make our rallies more fun.
The W.H.S. Band

Under the direction of Mr. Joseph Cardello, the WHS Band has improved not only in size but also in quality. The members spent a great deal of time rehearsing their songs, which were played at various assemblies as well as for the usual band activities. Their many hours of practice culminated in the release of the WHS Band's first album.

Artie, Adrienne, and Patty.

"And a one-o, and a two-o."

There go the drums of the Carlevale twins!

Mr. Joseph Cardello.

WHS
"Chemistry stinks!"

Our memories of WHS will include many moments that were . . .
During a Student Council meeting . . .

busy . . .

“NOW who wants their picture taken?”

Words of wisdom

Organizing a Class Skit

Joe-O wants YOU!

Setting up to perform during the musical . . .
Taking a break...

That's one way to get out of going to class!

quiet...

Soaking up some April sun...

Concentration

A peek into the Special Ed room

Peaceful solitude
"Let me out!"

Before the rally . . .

Working away . . .

It's been a rough day!

During the "after-school hush"

Good book?

Reflection . . .

Reflection ...
Co-Captain Tom

"School lunches make me feel so strong!"

Co-Captain Manny

Coach Barbati gets his feathers too.

Time off in the cooking room...

Jean sure blew it this time!

After a humorous phrase in the Class Prophecy...

There go the Naads...
or just plain fun.
