DEDICATION

Teaching is a very demanding profession, because it is essentially aiding the growth of young minds. To teach someone to speak a language well is in itself a feat worthy of praise, but to teach honesty, integrity, and pride at the same time is truly an accomplishment of merit.

You have done these things and more through your teaching, your coaching, and your friendship. We have learned basic principles of everyday life which we will carry with us wherever we go, simply by listening to what you have told us at rallies, in class, and at halftime. Your message is always to strive to win, but at the same time to retain our dignity, to be at all times truthful, and to take losing as easily as winning.

Our lives will surely be better for the ideals which you have given us. You have set a pattern for us to follow, and though we will no doubt stray from this straight and narrow path at times, your example will always be there to help us realize our mistakes, and correct them.

We have two ways of repaying you for all you have done for us. One is to try to follow the lifestyle which you have taught us, and the other is to dedicate this annual to you, Coach John Barbati.

The prevocational class at Watertown High works with students who are moderately or severely disabled. This is a collaborative with Arlington and Belmont, and we service the age range from sixteen to twenty-two.

Needless to say the class is most happy to be so well received by their fellow students. After three years of contact in the cafeteria, auditorium, and gym, many of this year’s graduating class know the pupils by name.

In room 007 instruction centers on self care, speech therapy, basic writing and math skills; eye-hand coordination and good work attitudes are present.

Sports
Our Red Raider Football Team did the unexpected this year by turning a predicted disastrous season into the Middlesex League Championship. The Red Raiders, led by co-captains John DelRaso and Bill Tocco earned an 8-2 record for the “76” season. Watertown completed its sixth consecutive winning season, and, within the last four years, have compiled a record of 31-8, one of the best records in the state.

Five seniors were selected for the All-Middlesex Team. They are fullback Fabian Flori, quarterback Phillip Greenough, middle guard Bill Tocco, linebacker John DelRaso, and safety Mark Tocco.

Receiving special awards at the banquet were Most Valuable Defensive Player, John DelRaso; Most Valuable Offensive Player, Phillip Greenough; Most Valuable Players, Bill Tocco and Fabian Flori; Most Improved Player, Mark Tocco; Most Dedicated, Arthur Sarkisian; Best Lineman, Bill Tocco; Unsung Hero Dave Downing; and the Scholar Athlete, Matthew Hegarty.

The “76” season was filled with excitement as the team battled tough teams like Burlington, Woburn and, of course, rival Belmont. This season will never be forgotten and will go down as one of the most memorable seasons in the school’s history.

Under the spirited leadership of tri-captains Jeff Whynot, Vin Lacerra, and Veken Danoyan the varsity soccer team completed one of their best seasons in the past ten years. Through the hard work and determination of this year's seniors Jeff Whynot, Vin Lacerra, Mike Long, Mike Pelligrini, Hagop Manjelekian, George Kalminedes, Frank Dagostino, George Williams, and Brian McCauley, the team ended the '76 season with an impressive record.

In spite of a bright outlook, the field hockey team did not have the season they had anticipated. The long arduous hours of practice did not reflect the season’s record.

However, captain Eileen Everett and goalie Lynn Woods advanced the team’s image by making all-stars.

Nearing the end of the season, the team did beat their rival Belmont after tying them earlier in the season.

High scorers of the season were Jean Fantasia and Sharon Fay. The team looks forward to a promising future as many juniors and sophomores return.
Watertown's Cross Country team enjoyed its best season in 6 years, posting a 7-2 record, and finished in third place in the Middlesex League. The Red Raiders also placed ninth in a field of 33 Class B teams in the State Class Trials.

The season was highlighted by a close 25-31 season ending victory over the arch-rival Belmont High School.

The Red Raiders paced by co-captains Jim Tierney and Joe Mazzola, were beaten only by undefeated Reading and second place Wakefield.

Jim Tierney was selected for the first team of the Middlesex League All-Star team, while Joe Mazzola and junior Erik White earned honorable mention.

The chain gang.
In its second season, the members of the Swim team worked hard and well. Several individuals won or placed in their events. Despite the lack of results on paper it was a very successful season and all who competed can consider themselves winners. Most importantly, they all enjoyed being part of the team, which results in the kind of spirit that will lead to success in the future. The team is ready for winning now, for they cannot be expected to keep up such morale without the promise of victory.

Watertown's Indoor Track team had a fine season, finishing with 6 wins and 3 losses, good enough for a third place position in the Middlesex League standings.

The Red Raiders, led by Co-captains Frank McCarthy and Jim Tierney, won 4 of their meets by a total of only 13 points, which provided for a most exciting season.

During the season thirteen athletes from W.H.S., in a variety of events, qualified to compete in the State Meet held in February.

Leading the Gymnastic's Team this year were co-captains Allison Aylaian and Lee Burdick. Although the team didn't win any meets, many individual scores were greatly improved throughout the season. Despite unfavorable conditions, the team still maintained school spirit and pride which encouraged them to do their best.

Many returning juniors and sophomores, exhibit the kind of potential to make next year's team a success.

I could stay here all day.

During the pre-season, the Gymnastics team had high hopes for the '76 season. However, the team did not have the season they expected. Their hard work and determination did not reflect their 3-6 record. The Team was well represented at the Middlesex League Meet as Senior Mark Tocco placed first and earned a gold medal for his vaulting excellence. At the team's banquet, held at the Chateau in Waltham, special awards were given out to deserving team members. They were Lenny Ferrara, Senior Accomplishment Award; Norbert Simmoes, Best Attitude, and Mark Tocco got MVP.

In only their second year of league play the Girl's Varsity Hockey Team has developed into one of the strongest in the league. Under the coaching of Peter Pomponi, assistant coach Karen Brennick, and with the assistance of Janet Pinzone and Eileen Duffy, the Raiders compiled an impressive record of 7 wins and 4 loses for a strong second place finish. Through the aggressiveness, hard work and determination of this year’s seniors, Captain Patty McCaughey, Donna Sorrentino, Norma Cassie, Stephanie Rundlett, Sharon Hames and Barbara Cassidy, a winning tradition and spirit has evolved which future teams can be counted on to continue.

Our Red Raider Basketball team didn’t have a winning season, but outstanding efforts by Kevin Buckley, Bob Brown, Phil Greenough, Peter Hunter, Joe Boujoulian and Mark English provided for much excitement. There were many memorable games throughout the season, especially vs Reading where Kevin Buckley broke the school record and scored 48 points. Tri-captains this year were Joe Boujoulian, Kevin Buckley and Phil Greenough. The team was greatly aided by the managing of Bob Bonamo.

Competing in the Metropolitan District Rifle League, the rifle team fired in nine meets. The team did not have a winning season but spirits still remained high. A big reason for the team’s disappointing record was the fact that both of the armories where they practiced were shut down due to the energy crisis and the team never had a practice. Next year’s team will have four returning marksmen and hopefully the team will have a successful season.

The girls track team brought honor and pride to W.H.S. this year with a 7-1 record. There were remarkable individual achievements, but above all the team effort took precedence. The girls worked hard, and they worked well together. They were concerned with winning meets, not winning individual glory, and this feeling greatly enhanced their drive and helped them to achieve a record of which they and we may be proud.

Coach Bill Flecca's Red Raiders squad completed the 1977 Spring season with 4 wins and 5 losses in the always-competitive Middlesex League. Perhaps the highlight of the season was a come-from-behind 73-72 win over Stoneham. Raiders also beat Burlington, Woburn and Wakefield during the regular dual meet season.

A number of seniors closed out fine high school careers this season with Captain Jim Tierney excelling in the middle-distance events and Frank McCarthy, showing the way in the high jump. Other seniors making a significant contribution throughout the season were Connie Asmas in the long and triple jump. Jim Iuliano in the dashes, Joe Mazzola and Jim LaRoche in the mile and 2-mile runs, and Doug Rockwell in the discus. Norbert Simoes in the javelin and pole vault, Dean Neufell in both the hurdles and high jump, Kirk Nahabedian in the quarter-mile run and relay, Dario DeCicca in the half-mile and relay and Mark Tocco in the discus.

The 1977 Tennis team consisted of 14 members, 7 of whom were first-string players. These seven players included three singles players, Karnik Benjamin, Peter Poltsios and Steven Conduris; and two doubles teams John Hanlon with Peter Tsicoulias and Peter Lemonias with Robert Basteri. The three singles players, as well as the doubles team of Hanlon and Tsicoulias, all had winning records with the best record achieved by Captain Karnik Benjamin with 8 wins and 5 losses. The over-all team record was 6 wins and 7 losses. Coach Garabedian was told he would have to go back about twenty years to equal such a good record. He attributes the team's success to the love for the game which the boys showed by their desire to play tennis as often as possible. The future is promising.

With a pre-season winning streak, the Softball team looked forward to a successful season. However, a lack of experience proved to be the team's downfall. Toward the end of the season, the girls started to put it all together again as most of their games were decided by a few runs. Since the team first started practice in March, there has been a great deal of individual improvement, especially in players like Sue Duffy who did a fantastic job, and Sue Allegro. The team will only lose one player and will return next with an experienced team.

The Red Raider nine closed out their season with an 11-9 overall record and 10-8 league record which was good enough for a fourth place finish in the Middlesex League.

The Red Raiders started the year with a win followed by six straight losses. The team did not quit though as Watertown went 10-3 the rest of the way.

Some of the outstanding individual performances of the year were turned in by Sr. Bob Brown and Soph. Steve Khederian. These two hurlers each threw a no-hitter during the year.

Steve’s was a 6-0 win over Winchester, and Bob’s was a 1-0 win over Lexington.

Our Golf team had a record of 4 wins, 3 ties, and 2 losses in the Middlesex League.

In addition, the team won two games outside the league. Senior Captain Andy Sbordone was a true leader and accomplished many individual goals. Outstanding performers were Andy, Paul DeStasi, Juniors Mike Mann, Gary Sullivan, Jim Kavanaugh, and Sophomores Steve Ranieri and Jay Avata. Rounding out the squad were Paul Bannon, Rich Celleran, Paul Long, George Miller, and Luis Uciferri.

Seniors Andy Sbordone and Gary Sullivan qualified for the State Individual Schoolboy Championships held at Wachusett Country Club in West Boylston. Gary finished twentieth, and Andy, twenty-fifth. They were the only two boys to reach the finals from the same school. With only two seniors leaving the promise for a successful season is great.

DECA

The Watertown High DECA store is completely operated by and for WHS students. The store gives the Distributive Education students a first hand look at the whole operation of a small retail business, from the selection of items to be carried, to the entries necessary in a set of books at the end of the month.

Some other activities DECA students involve themselves with are regional, state, and national conferences. There are also chapter projects such as candy sales and much more.

A customer...
The success of the senior class is always measured financially, and though this is unfair, this year's senior class officers did remarkably well for the class. They ran dances that were among the most successful ever, and they organized, the Prom, the Banquet, and the All Night Party.

But even greater than that, they brought the workings of their office to everyone, and got opinions from all in each of their decisions.

They worked hard, with the help of the Executive Committee members — Carol Cousineau, Matt Hegarty, Brenda Nevins, Joe Mazzola, and Joe McHugh, and they accomplished much in their term of office. If the class of 77 is remembered for just one thing, it should be for their tremendous effort.

The WHS Student Council works in direct contact with the administrators of the school, and also with the central office. Members choose assemblies, and make monthly reports to the Watertown School Committee. Constant effort is made to maintain close contact with the student body through home-room representatives and frequent canvassing of student opinion.
TRI-HI-Y

TRI-HI-Y has long been one of the most prestigious clubs at WHS. This charitable organization ran a rummage sale, the popular Winter Carnival, and also gave two scholarships. Though no longer an all girl organization, its members were picked carefully to provide the club with members that could and did do much to better Watertown High School.

STUDENT LEADERS

With the outstanding leadership of Allison Aylaian, Debbie Aylaian and Carol Cousineau, the club experienced another successful year. Club members were involved in idea sharing of alternative programs in physical education, assisting sophomores in individual physical activities and socialization experiences with the special education students.
INTERNATIONAL CLUB

The International Club is one of the largest clubs at WHS. Members sample foods and culture from all over the world by taking trips to cultural spots around Watertown, and also by classroom study. Members enhance their knowledge of people by learning and understanding the customs of the other people who inhabit this earth.

ARMENIAN CLUB

Because of the strong Armenian influence in Watertown, the Armenian Club at WHS is very popular. Members attend Armenian cultural events in the area, and even have exhibits and ethnic affairs of their own. Through their hard work, the contributions of the Armenian culture became even more visible and important to the citizens of Watertown.

The image contains photographs of the International Club and Armenian Club members. The International Club members are shown in a group, and the Armenian Club members are also shown in a group. The photographs are labeled with names and positions of the members.
The Biology Club meets monthly to discuss biological topics and to plan activities such as snowshoeing, camping and visits to interesting places such as the New England Aquarium, Harvard Museum, and a Cape Cod salt marsh. Some of the biology club members meet after school to plan our annual mountain climb. Each spring the club participates in Earth Day, the Charles River Cleanup and the Boston Harbor Islands Cleanup.

SCUBA CLUB

All members of the Scuba Club become familiar with the sport of diving, and if they are not already certified divers, they are well on their way. The members made frequent trips to the seashore, but also studied the techniques of diving as well as the equipment.

SCUBA CLUB: Mark Nelke, Jerry McMahon, George Buckley (advisor), Larry McCarthy (advisor), Randy Barron (advisor), and Greg Smith.
The members of the Basketball club are true devotees of the sport and work long hours to perfect their dribble, their shot and the basic fundamentals of the game of basketball. One of the most popular clubs in the school, the basketball club has developed young inexperienced players into potential varsity members.

GRIDIRON CLUB

The members of the Gridiron Club are dedicated to the sport of football, and carry its influence of sportsmanship and fair play with them both on and off the field. Long one of the most popular clubs at WHS, all members are fans and enthusiasts of the sport of football.
The Girls Hockey club members are dedicated to the sport of hockey and seeing that it remains an important part of the WHS sports scene.

This past year the Ski Club went to Switzerland for the first time in Watertown High’s history. A total of twenty-seven students plus three staff members spent the February vacation in the Alps. It was a most rewarding experience for everyone. Another trip is being planned for next year.
The Chess Club at WHS, though a quiet group, carry with them a love for the game equal to any teammate's love for his sport. Members know first hand the thrill of castling, checking, and of course the ever popular checkmate.

The purpose of the Math Club is to motivate students to a level of learning beyond the level of regular classroom teaching. They become involved with equations and theory that few other students at WHS reach, and many members ultimately enter a math related field.
Bulletin

The Watertown High School Bulletin staff worked hard to produce a journal of high quality. The paper is published approximately once a month, and is read widely by the student body. The interesting articles and photos contributed greatly to its success.

LITERARY MAGAZINE

The Literary Magazine has been in existence since 1975. This year, under the leadership and guidance of Ms. Stowell, Mrs. Litchmen and Mr. Grossia the magazine was published in May. At each of our meetings, we read over short short stories, works of poetry, and plays. Each piece of work was individually read, and commented on by each member of the staff. Each editor gained a tremendous insight into the world of creative writing and publishing.
Each year, the members of the Theater Workshop work long hours to produce a play of literary worth. This year the drama "Inherit the Wind" was the project and it was a great success.

The members also observed professional and college theater in the Boston area.

AUDIO VISUAL CLUB

Throughout the school year the staff and students of WHS depend upon the members of the A.V. club to provide projectors, tape recorders, etc., and to take charge of the assemblies. Their help was needed at literally every school function, and it was through their efforts that the senior class play, the assemblies and the audio visual aids ran well and went smoothly.

The 1976-1977 hockey season brought the addition of a new cheering squad. With the help of their constant support, the hockey team enjoyed one of the most successful seasons. The girls withstood the cold, and attended the home and away games to cheer on the team.
CHEERLEADERS

The cheerleaders have played an important role in the victories of this years basketball, football, and soccer teams. With Lori Tarpinian as captain, and a totally new group of girls, the cheerleaders added color, spirit and enthusiasm to our games.
MAJORETTES

With the assistance of the band, captains Donna Barry and Barbara Holt led their squad into fine performances during halftime, making halftime more enjoyable. Their participation during the rallies kept the spectators entertained.

With their lively spirits and enthusiasm, Gale, Helen, Joanna, Robin, Stephanie, and Tamar, this year’s Indians, have aided in getting the crowds on their feet and cheering. Their efforts were greatly appreciated.
THE W.H.S. BAND

One of the most reliable, but often taken for granted, groups in our high school is the W.H.S. Band. They are always present for rallies, plays, assemblies, football games, etc. Through dedication and long hours of practice, our band has developed into something we can be proud of.

Mr. Cardello leads the stage band.

Graduation

As graduation approaches at a momentous rate, I find myself filled with many emotions. I am of course sad to be leaving many friends and memories, but I am also relieved to have finished one of the first true goals in my lifetime. There are many things I will miss, and I know that once I leave, I can never return to things as they are now, but there are also many things I am glad to be rid of. The world is a large place, and though Watertown is a great place to live, I feel that there is more to life than this, and I want to search for it.

This brings me to my next emotion: fear. I am afraid to go, and yet I am afraid not to go; I am afraid of what I might miss. I want to go forward and conquer all that I can, and yet at the same time I wish to return to kindergarten and the assurance of childhood. I have finished thirteen years of school, and I still feel inadequate. How much more must I learn to be educated? Why must I learn it? What is waiting for me if I do? If I don’t?

As I prepare to grab my diploma and run, I reflect upon school in general. Has it done it’s job; Have I done mine? Somehow I thought it would be different. It has prepared me for almost nothing. It has given me no real knowledge. I do not know what to do about the world situation. I have no answers. Where are the answers I want? Where are the answers? What are the questions?

June first approaches quickly at times, and it seems so distant at others. Will I be given the answers on that fateful day? Will I at least know the questions by then? I am asking for the answers of questions I do not know. Perhaps school has made me insane and incapable of psychological development. I am confused and I feel that I must keep going until I find the answers to those questions, and that the questions themselves are not that important. Perhaps school is just a foundation from which to build, and in the sense it has probably served me adequately. I want to go out and answer everything. I know I will not, but the drive is there, and perhaps my contribution will be great, if but only to me.

One thing is certain; I am being handed a world, and it has been plagued with problems and questions since it was first inhabited by man. If I am not ready now, I will never be.

Running the relay, endlessly long.
Search for the finish, the triumphant song.
Faster the pace to keep with the sun.
I am handed the stick, and now I will run.
The staff of the 1977 Annual would like to extend their appreciation and gratitude to Mr. Kelleher for his help and dedication, Ms. Canning for her guidance in photography, Mrs. Hannon and those who typed for us, the citizens and merchants of Watertown whose financial support has made the publication of this book possible, and to all those who have contributed their time, talents and skills to this Annual.

Thank-you
