TOWN OF WATERTOWN
TIME CAPSULE
TO BE OPENED ON THE
400TH ANNIVERSARY 2030
Watertown was founded in 1630. Our town is rich in historical landmarks like the Perkins Institute for the Blind, the Gore Estate, and the Mt. Auburn Cemetery. During the years 1775 to 1776, Watertown was the capitol of Massachusetts and housed our country’s founding father, George Washington and Henry Wadsworth Longfellow, and Paul Revere.

The townspeople have been known for their patriotism. The Arsenal, built in 1820, was first an ammunition storage area and later became an ammunition material production center for the Civil War, World War I and World War II. The Arsenal employed men and women from Watertown who worked towards the ideals of a free, democratic country.

Watertown is only fifteen minutes away from the cultural benefits of Boston, which allows our residents to live a quiet, suburban life, and still experience the fast-moving life of a major city.

In appreciation of the historical background which instills a feeling of pride among us and its environmental Benefits, the Class of 1980 dedicates the Annual to the town of Watertown on its three hundred and fiftieth anniversary.
WHAT ARE WE LOOKING FOR FROM A TEACHER?

Throughout our years at Watertown High School have been those who have made the times here special and worthwhile. To these people we give special thanks and appreciation.

Mr. John Kelly taught math and electrical courses for many years at Watertown High School up until his sudden death. Mr. Kelly graduated from Boston Latin and went on to graduate Cum Laude with a Bachelor of Science degree from Boston College. Mr. Kelly then went on to pursue his education in the teaching field, receiving his teaching certificate from Boston State College.

In the years following his education, Mr. Kelly worked as an electrician for Central Fire Control in Colorado. During this time he was a member of the United States Air Force. He first taught at Charlestown High School before joining the teaching staff at Watertown High School. The faculty and students at Watertown High School deeply regret the loss of such a fine and dedicated teacher.

STANDING TALL

How do we say goodbye
When we’ve just said hello
We’re all starting to realize
We won’t be “here” tomorrow.

We’ve grown in strength together
“United” — we do stand
Pride, spirit, respect
All virtues we demand.

We’re not just a class, we’re family
We’ve shared happy times and sad
We’ve all been there for “good times”
We’ve bailed each other out of bad.

The Oakly, the West, the Cuniff,
The East, the Lowell, the rink —
All places set deep in our memories
For the times we’ll stop and think.

We can be proud about our walk out
It was what we thought was right
Never to think of the good times
“Everyone” stood up to fight.

But now we’ll be standing alone
Like a baby learning to crawl
Taking our failures and triumphs
Learning to stand tall.

Some will find a smooth path
All paved along the way
Still others will climb hilltops
Then contented, they will stay.

Some may see the pitfalls,
Life’s jagged avenues
But carefully they all will rise
to pay their social dues.

But we can always value
The “us” we’ve come to be
We may go far from WHS
But our mark we’ve left to see.

So Class of ‘80 can stand proud
On June 4th — Graduation Day
Unique, determined, able
And . . . ready to be on our way.

— Robin Antonelli
Every school has its own area which seems to be the melting pot of sophomores, juniors, and seniors. For Watertown High School it is the cafeteria, known affectionately to some as "the caf." The cafeteria is a place to study, talk, read, meet, joke, write, and oh yes — eat. This year the cafeteria has undergone a minor change with the addition of the sophisticated new tables. The cafeteria gets everyone's vote as the place with the widest variety of people.

Prevocational Class

Watertown High's Prevocational Program, which works with students who are moderately or severely disabled, serves as an educational program for those students who would otherwise not be attending a public school. In Room 007 the program focuses on self-care, basic writing and mathematical skills, and good working attitudes. Perhaps the greatest advantage to the program is that these students learn to get along with other students in the school by participating in gym classes, eating in the cafeteria, attending assemblies, and going to homeroom. These special students are an important part of life at the high school.

A SPECIAL GROUP OF STUDENTS
Led by Co-captains Lisa Yankowski, Sheila Quinn, and coaching support from Kevin McLaughlin and Patricia Beagan, the WHS Girls' Basketball Team entered the State Tournament with a 13-5 record, placing thirteenth in the standings. The Hoop Pack beat three teams who were placed 7th, 5th, and 2nd, but lost in Division 1 North Finals to Salem High School, who for the second year, captured the state title.

The girls were given a rally of their own to honor their continuing success throughout the tournament.

HARRIERS MAKE A RUN IN THE END

Overcoming injuries, late conditioning, and powerful competition early in the season, the Raider Runners defeated Stoneham 22-39 and rival Belmont 19-46 at the Fresh Pond course in Cambridge. This completed the Cross-Country team's Middlesex League season with a record of four wins and five losses. The season was tough with the harriers dropping their first two meets to Lexington and Woburn, the league's powerhouses. The team also lost to Wakefield before defeating Winchester and Burlington.

Senior co-captain Mark Parsekian was Watertown's star Cross-Country runner, earning a spot on the Middlesex League All-Star Team. Co-captain Kevin Crouse and Junior Steve Parsekian were also consistent performers.

Next year's squad has the potential for a successful season with four returning varsity achievers including Juniors Steve Parsekian, Tom Mann, Tom Pease, and Sophomore Dave Tierney.

Senior Jennifer Smith, who graced the Cross-Country female division throughout the season, will be greatly missed as the girls' team attempts to become a factor in the league next season. Coach McGovern is expecting solid teams for next year.

PAGE 76 — Top: The gun sounds for the start of the race. Center: Co-captain Mark Parsekian with Coach McGovern and Co-captain Kevin Crouse. Bottom Left: Jerry Alberico comes on strong. Bottom Center: Kevin Crouse kicks for the last half-mile. Bottom Right: Mark Parsekian with his winning stride.

A MUCH IMPROVED SEASON

After the 1978 record of 0-12-1 and an overall percentage of .038, the girls' Varsity Field Hockey team and Coach Kelly Fitzgerald ended their season with a fine record of 5-8-4 and a .412 percentage. This was quite an improvement for the team, established with impressive victories over such teams as Belmont, Lexington, and Stoneham.

With the nucleus of the team returning next year, the girls have a very strong chance to further improve their record. The team loses four seniors: Tri-captains Patricia D'Amico, Denise Nugent, and Sheila Quinn, and a much-improved Tina DeGuglielmo. Next year's tri-captains are Eileen Coffin, Mary Duffy, and Paula Pomponi. The Watertown High School Field Hockey team is no longer the doormat of the Middlesex League, but a team whose star is rising and one to be reckoned with in years to come.

FOOTBALL FURY

Although the 1979 Red Raiders experienced a losing record, they were winners in other ways because they worked extremely hard and gave it their best effort.

Co-captains Michael Avtges and Zareh Orchanian provided excellent leadership for their relatively "young" team.

Michael Avtges was honored being selected to the Middlesex League All Star Team. Patrick Makridakis was chosen for Honorable Mention.

PAGE 80 — Top Left: Coach Barbati is flanked by Co-Captains Mike Avtges and Zareh Orchanian. Top Right: Zareh takes a break. Center Left: Mike has a hard day. Center Right: Bob Munroe, "I hope I'm going the right way." Lower Left: Rafli studies the game. Lower Right: Coach Gika watches intently.

The Raider Golf team, led by Captain Bob McPhail and Senior Karen Mitchell, completed the season with a winning record, after a slow start. With only two senior players, the inexperienced team lost its first three matches. Steady improvement of the underclassmen Tom Cusack, Kevin Sullivan, and Ed O'Brien, under the leadership of McPhail, turned things around in the next five matches, and Watertown became a strong team. A close loss to the eventual league champion, Woburn, was the only disappointment in the last half of the season as the squad finished with a record of seven wins and five losses.

The highlight of the season was the final match of the year against Lexington. Lexington, with only one loss, came to the Oakley Country Club tied for first place in the Middlesex League. Led by McPhail, Watertown beat them handily 7-2, handing the league championship to Woburn.

McPhail was a fine captain and player. His loss, and that of Karen Mitchell, will be felt greatly by the team. However, the return of Cusack, Sullivan, O'Brien, and a surprising Kevin Brown, has Coach McNicholas smiling and anticipating a successful 1980 season.
INJURIES
FOIL RAIDER
BOOTERS

Watertown High's varsity soccer squad, plagued by injuries to key players, finished off a
disappointing season. The team's unimpressive record, no indication
of the intensity with which it played,
was due to the prowess of other
teams in the Middlesex League.
Four teams from the league
qualified to enter the State
Tournament in which one of the
teams went as far as the finals.
The Raiders, under the direction
of first year varsity coach John
Arone, previously the junior varsity
coach for eight years, was thought
to be a contender at the beginning
of the season, but in the third game
of their schedule, an unfortunate
mishap struck the team. Senior co-
captain Sarkis Ourfalian went down
with a knee injury and was
sidelined for the rest of the season.
Sarkis, the team's leading scorer as
a junior was counted on to continue
this feat as a senior. The scoring
was then mainly divided up
between juniors Sandro Lanni and
Vatche Manoukian. The latter
finished with a team leading nine
goals and six assists.
Other injuries, both leg injuries,
caused John Georgopoulos and Billy
Avtges, both starters at halfback, to
miss the rest of the season. Junior
Armand Keuchakorian was also lost
to the team for four important
games.
The team, despite it's 6-10-2
record, did get the recognition it
deserved as it placed starting
fullbacks senior Garbis Awakimian
and junior Hratch Jockadarian on
the Middlesex League teams have,
the Raider booters must avoid this
year's freakish injuries if they hope
to remain a strong competition.

AN EXPANDING SEASON FOR BOYS' BASKETBALL

It turned out to be a frustrating year for the players and their coach, Russ Hammond, both of whom put in long hours and hard work throughout the season. The team finished with a misleading 1-20 record but with a few breaks, the squad could have had 7-9 wins. Despite its record, the team gained the respect of its opponents by losing 15 of their games by 10 points or less.

The team season was highlighted by its lone victory over Reading, and the back-to-back near upsets over Lexington and Burlington. In the former game, Watertown scored a convincing triumph as Mark Ouellette and Mike Wood led the Raiders with 11 and 10 points, respectively. Against Burlington, co-captain Raffi Boyadjian led a balanced scoring attack with 23 points as Watertown scored its highest output of the season, but still managed to lose an 89-80 decision to the first-place finishes.
HOOP PACK: A TEAM WITH HEART

The Watertown High Girl's Basketball team reached goals this year which were not even considered pre-season. Any team's goal is to do better than the year before. The Watertown Girl's went a step further as they were the only team in the school's history to reach Division 1 North Finals.

The team was led by Co-captains Lisa Yankowski and Sheila Quinn with coaching support from Kevin McLaughlin and later Patricia Beagan.

Co-captain Sheila Quinn suffered a back injury which prevented her from finishing the season.

Lisa finished the season averaging 14.7 points, 9.9 rebounds and 3.9 steals. She was high scorer of the Middlesex League averaging 22 points first half of the season. She was elected for the All-Star Team for the 1979-80 season.

The team had very talented underclassmen who will be returning next year. Juniors Mary Duffy and Lesley Horne both averaged 10 points a game. In addition to her points, Lesley averaged 11.5 rebounds a game. Junior Paula Pomponi was also an exceptional standout. Junior Eileen Coffin made an outstanding contribution to the team.

The remainder of the team included Senior Denise Nugent, Junior Anne Donelley, Judie Kalashian, Sophomores Pam Clancy, Jeanine Haggarty, and Josephine Hanlon.

Coach McLaughlin sees promising talent for next year's team. Manager, Senior Patricai D'Amico gave much support to the team. We wish all the luck to the Hoop Pack of 1980-81.

GYMNASTS LEAP TO NEW HEIGHTS

As a result of hard work and determination, the Boys' Gymnastics Team experienced an outstanding season. They finished off the season at six and four, the only winning season for a boys team.

The season was also highlighted by the shattering of the old school record with a team effort of 84.5. The team's intense determination was exhibited when it broke the new school record with a 90.9 score.

The team was led by a fine group of senior performers, including Paul Tonelli, Bill Farrington, Paul Greenough, Dave Clifford, Rick Leombruno and Garo Lachinian, who will all be missed next year.

With its continual improvement, next year's team has a strong chance of the same fine quality performances.

GYMNASTS PROVE TO BE FLEXIBLE ATHLETES

Although the Girls' Gymnastic Team did not have a winning season, it did accomplish an important task. The team put the importance of winning into perspective, and as a result, goals such as team cooperation, individual improvement, and discipline were achieved.

These goals were realized through the efforts of every member of the predominantly sophomore team, led by Co-captain Elise Doble and Dea Raney. Other members included senior Laura Kelly, junior Laurie Ganem, and sophomores Mary Melanson, Joan Palladino, Linda Robinson, Linda Hunt, June Colavecchio, Marie Quinn, Mary Messina, Robin Bridges, and Margaret Sherback.

Because of Co-captain Dea Raney's skill in the execution of vaulting, floor, uneven parallel bars, and the beam, she was awarded the honor of "Most Versatile Gymnast." The MVP award was given to Laurie Ganem as a result of her status as leading scorer for the team. Elise Doble's graceful performances on the balance beam became an example in good execution of skills, as did Laura Kelly's performance on the vaulting horse.

In all, the team's future looks hopeful as the sophomores move up in experience. The acquisition of new facilities and equipment will also aid the girls in their next season.

HOCKEY TEAM'S HOPES DAMPENED

The 1979-80 season began with a historical victory over powerhouse Burlington. For the first time in Watertown’s history, the mighty Red Devils fell to the smaller, less experienced Watertown squad. This early season victory by the Umilemen hoisted hopes for a great year, but the more powerful teams in the league simply added too much depth to their charge, and Watertown’s Red Raiders did not enjoy the season that they had hoped to enjoy. However, the future looks bright if the youngsters coming up continue to work. The West Junior High boasted an undefeated year. If those boys work hard, perhaps Watertown will find the depth it needs to win this tough Middlesex League.
Combating lack of depth and experience, the running Raiders posted a record which left something to be desired. Coach McGovern could situate only one runner of quality performance in a race, leaving no one to grab the second and third places which are an important part of winning an Indoor Track meet.

The team also needed consistency. Runners like Scott Burdick who has been combating a severe thigh pull from last year, proved to be a big asset to the team with his clutch performances in the forty-five yard dash. Senior Rick Bartley always gave his one-hundred percent throughout the season, and Mark Parsekian proved his versatility this year by being able to run almost any race. Coach McGovern asked him to, from the six hundred yard run to the two mile race.

Perhaps the most consistent performer on the team was Bob Munroe, who seemed to peak to his ability this year. Under the coaching of William Fleeca, Bob attained the title of League Champion. In State competition, Bob demonstrated his strength by winning second place in the State Coaches meet, and picking up third place in the State Meet.

The biggest loss of the season suffered by the team was that of Assistant Coach Wittenhagen, who was offered the position of Coach of the Girls' Track Team at Northeastern University halfway through the Indoor season.

Next year's squad will see the return of many Varsity runners, and the potential is there for a successful season.
Despite a losing record of 2-9-0, the Swim Team produced some fine swimmers including Seniors Ada Baker, Bill Clary, and Mary Hetherington. The underclassmen were Sherry Bigelow, David Colacito, Maura Driscoll, David Boole, Denise Gagnon, and Tom Cusack. Coach Bob Hughes trained divers Ken Altier, Tom Cusack, and Garbis Awakimian. Tri-captains Adam Baker, Mary Hetherington and David Colacito pushed the team to strive for individual goals which resulted in dedication and camaraderie. Unfortunately, Junior Nancy Hughes was unable to finish the season, a serious loss to the team. The team will suffer the loss of Coach Bob Hughes next year, but will acquire an equally qualified coach.
Consisting of four seniors and nine underclassmen, the Watertown High School Rifle Team suffered a losing season. Their final record was one win and eight losses with their only victory for the season being over Weymouth High School.

This sport, however, is not as competitive or extreme in terms of winning or losing as other sports are. The team is comprised of students willing to go out for a team, having a good time, and doing their overall best.

The Most Valuable Player of the team was senior Vahe Mirzabeighi, who had the best shooting talent on the squad. Other sharp shooters included seniors Brad Jones and David Carroll.

Coach St. Onge has high hopes for next year and expects a much improved season.
BASEBALL BUILDS TOWARD NEXT YEAR

It was a young, but close-knit squad that first-year coach Richard Maloney inherited from his predecessor Coach Dick Beradino. Despite its youth, however, the team impressed its Middlesex League opponents by posting a 6-12 record and establishing itself as a future contender.

Co-captains Jim Masteralexis and David Smith headed a solid group of seniors who also included John Arone, Paul Torilli, and Donald Kelley.

For Masteralexis, it was a productive year with a batting average of over .400, and at the same time he demonstrated clutch defensive skills from the catcher's position.

A banner year was also had by Smith, whose circus catches and timely hitting made the season most memorable. David was also elected to the 1980 Middlesex League All-Star team, along with junior pitcher Richard Hussey.

With the help of a strong bench (seniors John Arone and Paul Torilli), an impenetrable defense (juniors Jeff Daibis, Mike Wood, Brian Walker, and John Hamill), and a talented group of sophomores (Mike Corliss, Frank Zaino), the team was able to stay in every ball game, despite often being outsized and outexperienced. In addition, the pitching game was bolstered by the strong performances of Richard Hussey, Mark DeNovellis, and sophomore left-hander Bob Rallis. With the return of all three, the outlook for future seasons is bright.

NOTHING “SOFT” ABOUT THIS TEAM

Although they started the season with high hopes, the Girls' softball team could manage only four victories. Such a record does not even come close to reflecting the hard work and determination that this year's team experienced.

Coach Vento correctly predicted that this would be the best season ever for the team. They were powerful at the plate, on the mound, and in the field, but lacked confidence. One of the highlights of the season was the victory over Woburn.

The team was comprised mainly of underclassmen, including seniors Sheila Quinn and Tricia D'Amico, juniors Eileen Coffin, Anne Donnelly, Mary Duffy, Jackie Gadsden, Maureen McLaughlin, Mary Nelsen, Judy O'Neil, Paula Pomponi, and sophomores Linda Cestroni, Tina DeAngelis, Carrie Nason, Lori Ricci, and Francine Rizzuto.

EXCEPTIONAL INDIVIDUAL PERFORMANCES MARK OUTDOOR TRACK

Despite a season that saw the Raiders win but one dual meet against eight losses, that one victory proved to be a big one as they defeated Belmont High. In the season’s finale with an exciting come-from-behind 74-70 win.

Many outstanding individual performances highlighted the season, however, Bob Munroe smashed the WHS Outdoor record in the shotput with a heave of 56'8" and Bob later went on to capture the event and win the gold medal in the State Class “B” Championships with a toss of 55'1¼".

Mike Avtges scored heavily in the 100-yard dash and the discus while Mark Parsekian (middle-distances and relay) and Jerry Alberico (distance events) were strongly consistent in their respective specialties.

The trio of Munroe, Delegas, and Iodice also swept top honors in the shotput at the State Coaches Relays held early in the season.
KEEPING UP WITH RUNNERS

Despite the losing record, the girls' track team continued to put forth their best effort. The enthusiasm and dedication of each member was maintained through the leadership of tri-captains Kathleen Brannelly, Jennifer Smith, and Sharon Piantedosi.

The team includes the talents of sophomores Pam Clancy, Jill Piantedosi, Denise Gagnon, Joanne Fay, Donna Navarro, Marie Guinn, and Linda Hunt. Junior members were Susan Iodino, Lynn Clancy, Susan Delresco, Mary Abrev, and Cheryl Henderson.

Experienced seniors were Dea Raney, Sharon Piantedosi, Jennifer Smith, Norma Jamgochian, and Kathleen Brannelly.
A BRIGHT LIGHT OF HOPE

The 1980 Boys’ Varsity Tennis Team was much improved this year. The team had worked hard in the pre-season and had showed a tremendous difference from its performance of the previous year. The scores of the matches did not indicate the individual performances of the players. With a squad of seventeen members, Watertown’s team was the largest in the league.

The cohesiveness of the team was held together by the diligent and organized captain Adam Baker. Mention must be made of the other seniors who worked hard all year: Paul Berman, Bill Brescia, Bill Callahan, John Griffin, Scott Koumjian, Eric Osieki, Ed Seferian, and Hai Tran. Next season looks hopeful with returning players Doug Burd and Kevin O’Keefe playing as a tandem, undefeated with a 4-0 record.

WHG GIRLS' TENNIS TEAM HAVE DISAPPOINTING SEASON

Under the new coaching techniques of John Beagan, the Watertown High Girls' Tennis Team worked a hard, but unsuccessful season.

The team was comprised of five sophomores, three juniors, and only two seniors. Sophomores included Katie Delaney, Sandra Burg, Caroline Kelly, and Carol Erickson. Captain Susan Magliozzi, Brenda Burg and Chris Hanoian were the junior members of the team, and Violetta Chow and Marcia Cunningham were the senior members.

With no wins on their record, the girls had a disappointing season. Because the majority of the team's returning next year, Coach Beagan looks forward to an experienced team for the '81 season.

Smitty addresses the masses.
Under the direction of Ed Seferian, president, and Mr. Cucinatto, advisor, the Student Council had a very productive year. Among the activities which they sponsored were two voter registration drives, a rock concert, and various assemblies. This year's student body had the privilege of hearing two expert political speakers; Newton Minnow, former FCC Director, and Bainbridge Speaker Senator Paul Tsongas. The Student Council's annual Thanksgiving Charity Drive was its usual success, and the group also participated in the celebration of the town's 350th anniversary by entering a float in the June parade.
Watertown High’s academic achievers belong to the National Honor and Cum Laude Societies. Among the clubs’ activities was a successful bake sale held at the Watertown Mall in the fall. All proceeds went to the societies’ scholarship fund. The members raised all of the money for this fund, and paid all of their bills and are proud to have done this without assistance from the school.

At Christmas time, a group of members sang carols at the Charlesgate Manor Nursing Home and were well received. The societies are responsible for the Honor Roll certificates passed out after each marking period. In the early spring, the motion picture “Tommy” was presented. A few technical difficulties were worked out and the evening turned

out to be a success. The big fund raising event of the year was the raffle of a twenty-five inch color television at the Watertown Mall. Members sold raffle tickets during shifts for a total of three weeks.

The clubs’ year came to an exciting close with the beautiful induction ceremony held on May 14th in the Shaw Auditorium. The National Honor and Cum Laude Societies were privileged to have as their guest speaker, former governor Michael Dukakis. The result of the year’s hard work was the awarding of fifteen one-hundred dollar scholarships to members of the societies. The club in turn received an award in receiving the annual school spirit award at the Awards Day assembly in May.

Tri-Hi-Y, an active organization at WHS, is noted for its charitableness. This year the members volunteered to work at the Western Electric company in Watertown to raise funds. With this tremendous group effort, the club was able to present several scholarships to well-deserved WHS Seniors. The members also sponsored the annual carnation day on Valentine’s Day, which aided them in acquiring funds.
As the season ends, usually so does the interest in the sport. The Gridiron Club, sponsored by Coach Barbati, was established to keep members interested. This is accomplished by the showing of sports films, which enable the members to improve their skills. The club also raises funds for the school.

ALPHA-BETA-GAMMA

Originally a sorority, Alpha-Beta-Gamma saw itself as more of a service organization, and took steps to affiliate itself with WHS. With Dr. Hall's help, the transition to a recognized service organization was made. Among the club's activities were volunteering at a WBZ-TV sponsored Ski-a-Thon for the mentally retarded, collecting at the Thanksgiving Day game for a Cambodian Relief Fund, and a bake sale at the Watertown Mall, with proceeds going to the Massachusetts Kidney Foundation and a scholarship fund.
DECA CLUB

The Distributive Education Program at Watertown High School is designed to assist students to better understand the world of business. The DECA Club helps students to strive in developing management as well as marketing skills by letting them participate in employment in the school. The DECA store sold basic school supplies, snacks, posters, and greeting cards.

WORD-PAINTER

Filled with various works of poetry, stories, plays, and illustrations, the Word Painter, WHS' Literary Magazine, is created by and for the students. Under the direction of Ms. Stowell, the staff reads and selects the best articles for the magazine, working throughout the school year. Works are contributed by sophomores, juniors, and seniors, and reviewed by the staff on an anonymous basis. This year's issue was greatly enjoyed by all of its readers.
MATH TEAM

Under the coaching guidance of Mr. Paul Langione, the Math Team had at least an enjoyable season. Despite transportation problems, the Mathletes managed to participate in the meets which were held at various high schools in Eastern Massachusetts. The team had two practice sessions each week to prepare them for an upcoming meet.

CHESS TEAM

This year's Chess Team, coached by Mr. Bob Ford, was an eager, fighting one. Although the team was small in number, the members did their best at each of their matches. Practice sessions were held after school, where the participants brushed up on their strategies.
Students interested in the sciences were able to get a closer perspective on nature by attending trips with the Biology Club and its sponsor, marine biologist and teacher, Mr. George Buckley. Trips were taken to the Aquarium, Museums, and the Pleasant Bay Marine Lab which is operated by Mr. Buckley.

Many of the club members were also involved in the SCUBA Club. The highlight of the year for the divers was a diving trip to the Florida Keys. The club also went on many local dives.

In the beginning of the season, the Indians were without an advisor until their problem was brought to the attention of Mr. Jack Bernazzani. The Indians assisted in organizing the beginning of each game and did the major work of decorating for rallies. Next year's spirited squad looks forward to its own advisor.
The Soccer Cheerleaders have come a long way this year to include participating in the All Sports rally held in the fall. With the help of their advisor Mrs. Whynot, the squad cheered on the team to make an exciting season.
The WHS hockey Cheerleaders gave it their "all" this season which started off well. The squad's advisor, Mrs. Foynes, provided support for the girls and assisted them throughout the season.

DRILL TEAM

This year marked the merging of the Majorettes and Flag Squad to form the WHS Drill Team. The Drill Team, under the direction of Mr. Bernazzanni, practiced long and hard hours, the result being polished performances.

INTERNATIONAL CLUB

New to WHS, the International Club under the direction of Ms. Roberts, was very active this year. Each month the club discussed a different country and learned about its culture by tasting its food, listening to music, and oftentimes hearing guest speakers. Field trips were taken to various local spots including the North End, a Greek restaurant, and an Armenian restaurant.

The Armenian Club at Watertown High School introduces the people the many aspects of Armenian culture. The club raises funds for scholarships and performs dances to display their dancing, music, and costumes.

Despite a mild snowstorm, Tri-Hi-Y's annual Winter Carnival was a huge success. On Friday evening, March 14, 1980, the dance was held in the gym. The tradition of the Winter Carnival is that the girl does the asking. The theme of the dance this year was "Wishing on a Star." Entertainment was provided by Ms. Elaine Martello's band which played a variety of popular selections. This year's queen of the Winter Carnival, picked by wives of the teachers in attendance, was Donna Britton.

Congratulations to the Class of 1980

As you move forward toward varied careers, it is nice to know that you do not have to leave Watertown to find an employer who can offer you solid growth opportunities in the expanding field of industrial instrumentation.

United Electric is moving to new facilities, in Watertown, in 1980 and we encourage you to consider moving ahead with us.

SPECIALIZED, "HANDS-ON"
OILHEATING & SOLAR HEATING
VOCATIONAL COURSES

JOB-ORIENTED
OILHEAT
TECHNICIAN TRAINING

The New England Fuel Institute has specialized in Oilheat training for over 29 years, with the majority of course graduates passing the State Competency Exam (Massachusetts). Qualified technicians are appreciated in the oilheat industry where competent, professional services play an important role in energy conservation.

This is practical, job-oriented training that combines classroom instruction with extensive “hands-on” lab experience. Work on a wide variety of oil burners and complete heating systems; with personalized assistance from instructors at one of the most modern Oilheat education facilities of its kind.

Low tuition fee includes books and training aids.

SOLAR HEATING INSTALLATION
AND MAINTENANCE

Train now for this challenging and rapidly expanding heating field.

New England Fuel Institute is a leader in solar training. Our “hands-on” vocational course is specifically devoted to practical, job-oriented training in the installation and maintenance of solar heating systems.

This course covers all phases of solar equipment installation. The use of tools, special equipment, and working methods that are essential to the solar industry are emphasized. Extensive “hands-on” laboratory experience puts classroom instruction to practical use. Special attention devoted to solar heating as a tie-in with existing domestic energy systems.

Low tuition; working tools, texts, and training aids provided.

Good Luck
Class of '80
Carol Menton does some serious note-taking.

Evanthia takes a breather from her classwork.

Seniors hard at work before Senioritis strikes.
Old acquaintances,
We must now move on,
For fate has taken its course,
And torn us apart.
Be sad no more,
For God will reunite us
In our final destination.

Edward Seferian

The 1980 Annual extends sincere thanks and appreciation to Mr. Joseph Bannon, Mrs. Helen Hetherington, Mrs. Marie Hannon, Mr. John Moxley of Purdy Studios, Citizens of Merchants, the Watertown Public Library and Christine Harris, Mr. Tom Hetherington, and Mr. Bill Kelleher.
