• MORE TO COME IN SUMMER SUPPLEMENT
Miss Karen Kazarosian

We the Class of 1982 wish to extend our gratitude to you, "MS. KAZ", for the help and guidance you have so cheerfully given us, both in the classroom and in after school hours. The supportive influence you have had on our lives will continue to be a lasting tribute to you in the future.

"I am not a teacher, but an awakener."

Robert Frost
Youth is... not a time of life; it is a state of mind;
is a matter of the will, a quality of the imagination, a vigor of the emotions; it is the freshness of the deep springs of life.
Whether sixty or sixteen, there is in every human being’s heart the love of wonder, the sweet amazement of the stars and the starlike things, the undaunted challenge of events, the unfailing appetite for what-next, and the joy of the game of living.
You are
as young as your faith,
as old as your doubt;
as young as your self-confidence,
as old as your fear;
as young as your hope,
as old as your despair.

What It Means To Be Young
by Samuel Ullman
All our actions
Take their hue
From the complexion of the heart,
As landscapes
Their variety
From Light.

Francis Bacon
Life is not made up of great sacrifices and duties,
but of little things...
In which smiles
And kindness and small
Obligations,
Given habitually, are
What win and
Preserve the heart...
... and secure comfort.
Humphry Davy
Growing Inwardly

We are put here to grow, and to use all the means of growth according to the laws of our being. The only real satisfaction there is, is to be growing up inwardly all the time, becoming more just, true, generous, simple, manly, womanly, kind, active. And this can we all do, by doing...each day the day's work as well as we can.

James Freeman Clarke
Friends... "The only way to have a friend is to be one."

Which one of you guys stole my helmet?

Ha . . . missed again!

Life is tough

Be nice John!
The Watertown High Girl's field hockey team had once again a very successful season, compiling a record of 8-4-6 and ending up fifth in the over-all standings. Their season started in August when a majority of the team went to camp in Vermont and from there their hard work only continued between lifting weights, practicing and playing.

Next year's season will be one of rebuilding because of the graduation of nine seniors but with newly elected tri-captains: Anne Coletti, Sheila Deane, Marnie McGolderick, we are confident that the field hockey team will continue to uphold the highly deserved reputation of a respectable team.
This season our W.H.S. Varsity Soccer Team was led by Captains Daniel D’Amico and co-captains Desi Trainor and Todd Wilson.

Our defending Division II North Champions finished phase one of a three phase rebuilding program, with a respectable 4-8-6 season. All season long the defense was better than anticipated and finished the season with an excellent 1.38 goals against average. The stumbling block proved to be the offense, which failed to score in eleven of the eighteen games played and had a 1.0 goals for average.

The team can be proud of having played their tough Middlesex League peers as well as anyone. The players gave it all they could and were in all but two games played right up to the final buzzer.

Primarily their inability to score that “elusive goal” cost the boys what could have been another banner year for W.H.S. soccer.

Six ties, four of which were scoreless ties, and three one goal losses, show the margin of difference between a respectable season and a great season.

Coach Arone, although disappointed over the team’s failure to score, felt the boys did a job considering they only had two starters back from last season’s squad and played the toughest league in the state.

It should be noted that Watertown finished 5th in the Middlesex league and still managed to place four players on the Middlesex League All-Star team. Danny D’Amico and Desmond Trainor made All-Star at the halfback position. Todd Wilson and Lou Sirdigilozzi made honorable mention at the fullback position.

One of the major highlights of the season was knocking Wakefield out of 1st place in the Middlesex League by playing them to a 0-0 tie.

John Karafortis, James Daley, Zohrab Sarkissian, Sarkis Avakian and Joe Hauswirth were other team members that played solid soccer as the season progressed. A core of veterans, Missak Ourfalian, Hagop Sarkissian, Hagip Hartunyen, Mario Caloiaro, Frank Cousins, Kris Hogopian, Arakel Cinar, Avo Saghbazarian, etc. will provide a small base to build upon. Hopefully, phase 2 of the program will show vast improvement.

The boys cross country team though limited to only five runners, and having to compete with only the minimum requirement is pleased to report a 5 wins-4 losses season. This achievement was only possible by the determination and competitive drive of all the team members. Kevin Malloy and David Tierney showing strong leadership characteristics as Co-Captains were highly respected by fellow team members James Kelly, Fred Colman and David Renzella. All five boys pulled together to put out a 100% effort, and accomplish a 4th placement tie in The Middlesex League.

Co-Captain Kevin Malloy was nominated to the All-Star team, a medal at the Catholic Memorial Invitational and State Coaches meets. David Tierney was elected to the Middlesex League Honorable mention. These personal accomplishments plus team efforts are factors for Watertown pride this season’s cross country team.

The Watertown High School Golf Team completed its season with an impressive record of five wins and five losses.

The team was led by Co-Captains Kevin Brown and Dana Boole. They assisted Coach Travers during matches and practices, helping to develop the younger players.

The nucleus of the team was built around Michael Bannor, Ed Francis, Paul Miller, and freshman Michael Deignan. Valuable contributions were made from George West, Jay Essegin, Bob Gagnon, and Jim Ferreira.

Three players from the team were selected to play in the Middlesex League Tournament. The match was played at Bellevue Country Club in Melrose, with the thirty best players in the league competing against each other.

The results were Kevin Brown finished exceptionally well at fifth place, Michael Bannor finished strong at twelfth, and Ed Francis finished impressively at seventeenth.

On a personal note Kevin Brown was selected to the Middlesex League All-Stars. This is an outstanding honor for Kevin as there were only six players chosen from the entire league. Kevin finished his career at Watertown High School with an outstanding performance of twenty-six wins and two losses.

Thanks for a great year,
Mr. James M. Travers
Golf Coach.
This year we were fortunate to have a group of spirited girls cheering for our football team and basketball team. Both in times of victory and defeat these thirteen girls along with their mascot, Julie Destino, Never Quit. Although not always an easy job to cheer when you feel defeat, these girls cheered on. We can be proud of the job they have all done.

For those seniors who will be leaving us in body, but not in spirit, are wished success. A special thanks to two excellent co-captains Joanie Palladino and Kim Walker, much future happiness. A final farewell to a great group of girls: Linda Ballian, Nancy Destino, Tricia Nardone, Charlene Williams, Cindy LaForge, and Andrea Misserian.

THANKSGIVING DAY GAME

On a cold Thanksgiving morning the awesome Red Raider Football Team beat the Belmont team within the first minutes of the game. The touchdown was run by Ron Cantalupoe and even though Belmont had many chances to score, the Red Raiders' defense held them back.

Watertown Boys Basketball

Watertown High Boys basketball led a home record crowd, in the games against Belmont and Lexington where the cheering was loud.

Coach Dave Born in his first year here
Should be given three big cheers.
He led the team with spirit and hope.
Yet the other teams seemed too hard with to cope.
Seniors Jim Kelly, Charlie Everett, Kevin Brown and Brian Harvey led a tough fight.
In the battle for points in those games which were so tight.
Paul Connelly, Frank Zano, Jim Timmons, Victor Cannino and Roberto Leone led their fans.
To root, cheer and support from Watertown's stands.
And those sparkling juniors we mustn't forget:
Mark Ferrini and Mark Delmasco will lead us to a winning next season I bet.

The Watertown High Girl's Basketball

The Watertown High Girl's varsity team had a tough rebuilding season. With the loss of many starters and the addition of a new coach the task was set to mold a new team. Returning players included senior co-captains Pam Clancy and Jeanine Haggerty, Josephine Hanlon and Nancy McNicholas. Other seniors included Jill Pantedos, Donna Navarro and Tina DeAngelis. The final record of 5 wins and 13 losses does not truly reflect the hard work and dedication of each player. Each strove for excellence in their own position, while still maintaining the team concept. The defensive tackled was led by co-captain Pamela Clancy, with Nancy McNicholas' and Donna Navarro's outstanding outside shots leading the offensive attack.

This was a team which characterized the spirit of Watertown High, they never gave up, they tried their hardest and had pride in giving a 100 percent effort. The outlook for next season is bright with a now experienced Coach Smith and returning seniors Elaine McCarthy, Manoush Gazerian, Stephanie Eordikian, Suzy Orchanian and Kathy Hausworth.

The 1981-82 hockey season was one filled with expectation and hope. With Co-Captains Kevin Dickie and Dave Tierney leading the team along with help from seniors Steve Bruno, Joe Hauswirth, Roger Hoffman, Tim McCarthy, Dave O'Keefe, Dave Ricci and the rest of the Raiders team, the season looked promising. Their record of 7-8-3 does not begin to show the determination and pride shown by each player or the hard work and dedication of Head Coach Richard Umile and Coach Jack Gardiner. The assistance that Coach Cousineau gave throughout the season was also greatly appreciated by the team.

The Raiders fared well in the standings, finishing fifth in the Middlesex League. Next year's team looks just as promising with Fred Coleman, Steve O'Reilly, and Chris Vlachos leading as Tri-Captains of the Raiders. The J.V. team had a great season, finishing first, and looks to add several players to next year's varsity team.

The WHS Student Council has been busy this year raising money and serving the community. They were able to brighten many lives with their Thanksgiving Charity Drive and with contributions to UNICEF and Globe Santa. They also raised money by selling WHS T-Shirts and are planning to hold a dance in April.

The members of the Student Council would like to thank Mr. Cucinatto for all of his invaluable help throughout the year.

CLASS OFFICERS

1982 CLASS OFFICERS:

This year the officers worked hard to raise money for their class. Under the guidance of Mr. Parshley they sponsored dances, magazine drives, and the Blood drive. They are planning what promises to be successful graduation activities.

TRI-HI-Y

Under the guidance of Ms. Kazarosian, TRI-HI-Y continued to be one of Watertown High School’s finest service organizations. President Patty Mancuso, Vice President Anne Mitchell, Secretary Pam Clancy, Treasurer Allison Weber and Parliamentarian Barbara Figueiredo led the group activities such as the rummage sale, Christmas carolling at Emerson Nursing Home, Carnation Day, and the Winter Carnival. The participation of all members resulted in a most successful year.

GRIDIRON

GRIDIRON CLUB:

Though the football season ends in November, the Gridiron Club remains active throughout the school year by participating in a variety of charitable activities. The Thanksgiving turkey raffle raised money for Michael Avtges, co-captain of Watertown’s 1979 football team. Gridiron members also participated in the March for the Retarded, donated money to the Shriners Burns Institute, and sponsored a little league team. All of these activities contributed to the success of the Gridiron Club.
LIBRARY MEDIA AIDES:
This year over half a hundred of our students gave their talents and energies to providing Library Media services at Watertown High School. In tasks ranging from word processing to video recording they assisted students and teachers using the new, award-winning Center. They circulated materials and equipment, created graphics, filed, ran video cameras, typed, ran 16mm projectors, cleaned, duplicated catalog cards, booked films, ran inventories, shelved and a whole lot more. They have earned academic credit for their endeavors, but, more importantly, they have earned the gratitude of all those with whom they have had contact. The Library Media staff, Mrs. Boyce, Mrs. Clark, Mr. Flores, Miss Sproul and Mr. Whyte, says a warm, “Thank you.”
THE ANNUAL STAFF:
This year the ANNUAL Staff dedicated a great amount of time and effort to the making of this book. They went through many ups and downs throughout the year, and phrases like “I’m quitting tomorrow!” “Who has the Senior Section?” “I can’t handle this anymore,” and “Where are the girls basketball pictures?” will always be remembered. With the help of Ms. Murrman, they learned to deal with the panic of deadline time and to understand the meaning of the word ‘relief.’ The staff hopes that you enjoy this book, and wishes you the best of luck in the future.

The 1982 Annual Staff
DECA:
The Distributive Education program at W.H.S. is designed to prepare students for either business college or future employment in the field of marketing and distribution. The skills learned are practical and useable in future employment. The D.E.C.A. Club enables the students to participate in employment workshops held at other local high schools. Students are then eligible to attend State DECA conferences.

STUDENT REPRESENTATIVES TO THE SCHOOL COMMITTEE

Joan and John represent the students of Watertown High School at the School Committee Meetings which they attend regularly. At the meetings they voice the opinions of the student body and make sure that their fellow students are aware of the decisions being made by the Committee.
WORD PAINTER

The Word Painter, WHS's literary publication, is completely the work of WHS students. Students submit their writing to Mrs. Lichtman who gives them to a staff of student editors who read and comment on the various stories and poems. When the best pieces of work are chosen and illustrations have been drawn, the Word Painter is put together by WHS's own Printing Department and sold at the DECA store.

ART CLUB

Each year the Art Club raises money for the art scholarship that is awarded to an outstanding art student. Candy canes are sold in classrooms to collect this money under the guidance of Rose Gavrilles.

BIOLOGY CLUB

THE BIOLOGY CLUB SCHEDULES ITS FIRST SCUBA-DIVING EXPEDITION

The Biology Club recently visited the site of the Nova T.V. special "Sea Behind the Dunes." The club's divers made an adventurous quest after founder. The science department chairman, George Buckley owns the Orleans field station that helped produce the T.V. show and is the advisor of the Biology Club and coordinated the dive.

The divers are all scuba certified by Rusty Murray, who teaches at the Watertown Boy's Club. They suited up in full wet suits, prepared for the 46 degree water. Two boats were used for the expedition, the "Achilles" captained by Capt. Tyke McMahon who recently graduated from the Lundberg Maritime Academy and "Squid" captained by George Buckley. Upon reaching their destination in the middle of the bay, the crew donned their masks, snorkels and fins and plunged into the shallow waters. The flounders were scarce because of scalloping but visibility was good due to the lack of algae at this time of the year. The divers learned how to file the flounders that were caught and then consumed several quarts of hot chocolate before heading for home.

At another event, dealing with marine biology, John White and Kitas Kondylii assisted at the New England Aquarium's special programs on mollusks presented by George Buckley. This Aquarium Symposium was attended by over 1,000 people. John and Kitas helped to coordinate many of the fine exhibits which showed most rare and colorful shells found in the world.
NATIONAL HONOR SOCIETY

NATIONAL HONOR SOCIETY:
Upholding its reputation for service to the school and community, this year's National Honor Society continued the tutoring program, sang Christmas carols at two local nursing homes, and distributed Honor roll certificates. Fundraising activities such as Hallogram Day, a Celtic's Raffle, and a color t.v. raffle at the Watertown Mall provided scholarship money. Induction ceremonies took place May 12, 1982.

INTERNATIONAL CLUB

A successful and enjoyable year for the International Club included trips to the "In Search of Alexander" exhibit at the MFA, Boston, dinner at a Greek restaurant, Fanueil Hall a French film, a joint activity with the Armenian Club, including a film and discussion of the immigrant's experience and buffet of Armenian cuisine. The International Club concluded its sampling of different cultures with a trip to Hammond Castle in Gloucester. Moderator for 1981-82 was Barbara Williams.

ARMENIAN CLUB

The Armenian Club is one of Watertown High's most active organizations. Its main goal is to perpetuate the Armenian culture and its ethnic heritage. This goal is achieved through a variety of activities such as observing Armenian holidays, organizing Armenian dances, and participating in historical field trips. In addition, the club has tried to bring Armenian culture to the rest of the school through various films and lectures.

BAND:

This year the band has doubled its size with 39 band members, 21 flags, and 9 rifles. We could not go to band camp this year in New Hampshire because of prop.2½ but we started practicing a week before school every day at Victory Field. We worked hard all season long and it showed on Thanksgiving morning.

BAND COMPETITION:

On November 1, 1981 the band entered a competition for exhibition in Somerville. They won a trophy for participation. Next year the band hopes to enter more competitions to compete. Hopefully, with a little work, they should be able to bring back a trophy for more than just participation.

ANNUAL STAFF MEMBERS —
WHS VARSITY BASEBALL
The Red Raiders baseball team finished their exciting season with a 9-9 league record and a 10-10 overall record. The team, under the fine coaching of Moe Maloney and leadership of Co-Captains Ed Keefe and Mike Corliss, was an exciting, competitive unit made up of mostly experienced veterans. If there were two words to describe the '82 team they would be "character" and "hustle." This team would never say die as they proved in the McDonald's tournament when they rallied in the last inning from a three run deficit to fall just short of the win. Seniors Charlie Everett, Frank Zaino, Joe Hauswirth, Bob Rallis, along with the Co-Captains and the other seven seniors, were major contributors to the success of this year's team.
Led by Captain Lori Ricci this year's softball team had what could be called a very memorable season. Although the girls did not have a successful year, finishing with a record of 2-16, the season was full of surprises, the biggest highlight being the girls' victory over Belmont in their final game. The members of the team would like to extend their thanks to Coach Vento and Mary Joyce for their fine jobs as coach and manager.
GIRLS' TENNIS

Watertown High School's Spring '82 Tennis team won its first tennis match against Minuteman Regional Vocational School on Friday, April 16. All singles and doubles won. Playing first singles was Tri-captain Denise Coveney. Playing second singles was Tri-captain Carol Erikson, and playing first doubles was Tri-captain Katy Delaney and senior Sandy Berg.

Playing third singles was freshman Dawn Marie McCauley and fourth singles was freshman Sheri Fiillas. Second doubles was played by senior Melissa McDonnell and junior partner Lisa Iodice. Other doubles teams were: junior Luci Elandjian and senior Judi Hamparian, junior Phyllis Burd and freshman Nikki Karafotis, and senior Mary Messina, and juniors Ani Manjelikan and Georgia Stavropoulos.

They had two more scrimmages against Cambridge Rindge and Latin and Acton-Boxboro. The regular season began with their opening match against Reading.

This year brought a large turnout of new freshman and sophomore blood to the teams. The girls, under Tri-Captains Terri Carbone, Elaine McCarthy and Maureen McCarthy, had a disappointing one win season but had a lot of fun and worked very hard, never giving up no matter how discouraged they became. This year’s boys’ team was led by Seniors Victor Cannino, Ron Cantakou, Brian Harvey, Roger Hoffman, Nick Karamitsos, Jim Kelly, Doug Lopes, Peter Righelli, Dave Tierney, and Paul Tobio. Many thanks to Coaches Harrington and Umile for their work with the girls and Coaches Smith and Flecca for their great job with the boys.

Juniors - Amy Gallagher, Rosemary Pye, Nancy Nugent and Kathy MacIntyre.

SONNET
A fond farewell to Watertown High
We are now leaving your halls
Feeling the relief with one great sigh
And hoping good fate is what calls.
Our assorted times are long since gone
The memories are what’s left to remember.
The future isn’t far along
But lurking in the coming September
Through the years we greatly matured.
And in the process we found our identities.
Soon it was time to start to look forward.
To the thoughts of freedom which became quite a tease.
Now leaving the school we all stand tall
For we have found “The Greatest Love of All”

Cum Laude — National Honor Society Induction Ceremony

The Cum Laude — National Honor Society held its annual induction ceremony on May 12, 1982. The guest speaker was Senator George Bachrach. The Humanities Award was presented to Mr. John Carver, and two-thousand dollars in scholarships were awarded to several members. Mr. Anthony Grassia was presented with a plaque for his outstanding service to the school, and a scholarship was established in his name. A reception was held in the cafeteria after the ceremony.

A teacher at W.H.S. for nineteen years, Mr. Grassia will always be remembered as a man of principle. We wish to thank him for all his work with the Honor Society and hope he is successful in all his future endeavors. He will be greatly missed.

I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride and make it easier
Let the children's laughter remind us of how we used to be
Everybody's searching for a hero, people need someone to look up to
I never found anyone who fulfilled my need
A lonely place to be
And so I've learned to depend on me
I decided long ago, never to walk in anyone's shadow
If I fall, if I succeed, at least I'll live as I believe
No matter what they take from me, they can't take away my dignity
Because the greatest love of all is happening to me
I found the greatest love of all inside of me
The greatest love of all is easy to achieve
Learning to love yourself is the greatest love of all
And if by chance that special place that you've been dreaming of
Leads us to a lonely place, find your strength in love

After many days of continuous rain, the class of '82 graduated under a sunny sky. The invocation offered by Brother Thomas Morrissey, principal of St. Patrick's High School, was followed by essays by Valedictorian Luciano Spiridigliozzi and Salutatorian John Karafotis, who both spoke about the past years and looked toward the future. Dr. O'Connor remarked on the fabulous way the class of '82 had been able to cope with the changes at the High School and Mr. Parshley thanked the class for a wonderful year. Many thanks are extended to the School Committee for their help and to the Watertown High School Band for their superb performance.
