• More in Fall Supplement
The class of 1983 wishes to dedicate this year's Annual to a kind staff member and long time friend of the students of Watertown High — Mr. Don Sweeney.

Mr. Sweeney holds a warm place in our hearts as an influential teacher of English, a pleasant personality in the hallway and a compassionate human being.

Thank you for the guidance you have so cheerfully given to us.

The Class of 1983
They say that variety is the spice of life...
Then colors are the essence of life...
Because each color has a different meaning in our lives, giving us a wide range in which to live.
During our three years at Watertown High,
We could look at our experiences as though through a prism...
... Vibrant with color...
Thriving with diversity and exploding with excitement!
The spectrum of color in our lives extended through determined class work, hopeful sports teams, busy homeroom announcements, fun-filled weekends and serious moments thinking about the future to come.
"If you can dream it, you can become it."
All our actions take their hue from the complexion of the heart,
As landscapes their variety from light.

The 1982 Red Raider football team finished a fine season with a 5-5 record. Scott Brown and Fred Colman were highlighted by being elected to the Middlesex League All-Stars. Paul Donnelly, John Lenaghan, and Joe DeLuca were also voted Honorable Mention for their fine performances. This year we bid a fond farewell to the departing Seniors: Scott Brown, Carlos Canino, Freddie Colman, Michael Crupi, Joe DeLuca, Paul Donnelly, Jim Higgins, Jack Kennedy, Bill Kingsbury, Jay Lenaghan, Paul McCarthy, Phil O'Neil, Bob Pendleton, Steve Petrillo, Tom Sheehan, and Scott Sutherland. All of these people with their respective talents under the leadership of Coach Barbati made for a very exciting season. Tri-Captains Carlos Canino, Joe DeLuca and Steve Petrillo along with the team always gave 100% and it shows with their positive attitudes on and off the field.

The Waretown High Girl's Field Hockey team went through a rebuilding year this season. Despite a losing record, they played many impressive games, and won the respect of the Macombs League, which was well deserved.

The Senior members of the team, Anne Colletti, Sheila Delaney, Marnie McGoldrick and Robin Robare provided the team with the leadership and spirit needed throughout the season.

The team boasted a roster of talented players who pulled together for a team effort each game. Their determination and dedication enabled the 100% improvement by the end of the season. They placed one member, Sheila Delaney, on the Bason Globe's Honorable Mention All-Star Team.

Next year's season should be quite successful with the return of many starring players and the newly elected Tri-Captains: Edythe Hoffman, Irene Figuerido, and Kim Whynor. We wish them luck!

Here they come...
Watertown High School's Cross Country Team had an exciting and successful 1982 season. Although young and inexperienced, the team finished the year with 5 wins and 4 losses, thus guaranteeing a third-place spot in the rough Middlesex League.

Led by boys' co-captains Vin Tirabassi and Dave Renzello and girls' captain Elaine McCarthy, the team throughout the season trained hard and gave 100% total commitment in all practices and competitions.

Highlights of the season included an exciting victory over Belmont, terrific individual performances and the great third place finish in the league.

Turning in their best team performance of the season allowed Watertown to knock off a 7 and 1 Belmont team by a score of 27 to 28. This victory gave Watertown its winning 5 and 4 season and also showed the true spirit and dedication of our runners.

During post season competition Watertown runners were able to consistently score among the top finishers receiving medals for their performances at the All League Meet were Dave Ranzella, Elaine McCarthy and Michelle Aramian. In addition freshman Paul McHugh received a fine trophy for his second place finish at the All Star Coaches meet.
A rough team to beat...the Red Raiders.

I think this may be a hole in one.

Paul holds up the flag.

Watch this putt.
The 1982-83 Watertown High School golf team ended its season with a record of six wins and five losses. The record is not indicative of the type of season the Raiders had, for they lost four matches by only one point.

The season had many bright spots and WHS should be looking for another successful season next year. The team was led by Captain Ed Francis, who finished up with an individual record of six wins, two losses, and a tie. Also finishing up with an impressive season was Mike Bannon, who a record of five wins and six losses. Mike defeated many of the league's best players.

Paul Miller, the third senior on the team, won undercard, with a record of eight wins, no losses, and three ties.

The underclassmen on the team also had a great year. George West, the only junior, had a record of six wins, three losses, and two ties. Mike Deignan, a sophomore, had a very impressive season at the Number 3 position. He had a record of four wins, five losses and no ties. Chris Coveney has a lot of potential to be another strong golfer, along with Mike Deignan, in the next two years.

Glenn Ballon played strong golf as the season went along and he worked himself into a starting role and played consistently at his position. Russ Cardinal, another sophomore, had played well this season until sidelined by an injury. He is another player who is expected to give some positive output in the years to come.

On Oct. 26, the Raiders sent three players to the Middlesex Individual Tournament. They were Mike Bannon, Ed Francis, and Mike Deignan. They all played well, especially Mike Bannon, who finished with an impressive sixth place.

The team was coached this year by Jim Trover, who is in his second year as head coach. Coach Trover is very pleased with the progress the team is making. The team had its first match at the Oakley Country Club, Watertown, on Mondays. Whenever the course was not being used, the team traveled to Fresh Pond in Cambridge to practice whenever the team was not playing a match.

Coach Trover feels the reason for the fine season was due to the amount of good practice and lessons he was able to share with his players. All of the teams in the Middlesex League are able to play on their home course both for matches and practice, which is a distinct advantage. Coach Trover said: "However, we are grateful for the time we are allowed and we make the best of it. We are looking forward to next year and the state tournament in the spring."
You can always catch the team running laps to warm-up.

1982 WHS Soccer Team

The 1982 WHS soccer team's win/loss record does not indicate the amount of hard work and tremendous effort displayed by the squad all season long.

Coach John Arone along with captains Mario Calvillo, Mesak Oufalikian, and Hagop Sarkisian kept the team's spirits high when at times it seemed that luck was against the red and black.

Throughout the course of the year, the relatively inexperienced team displayed outstanding determination and was within tying or winning range of nearly every contest. The overall "misfortune" of the team failing close contests occurred many times this past season.

The final game of the season against rival Belmont featured the soccer squad at their very best, dominating the tournament-bound team for the entirety of the game. However, a 1-1 tie was all that the hard working group of deserving seniors could give the hard working group of deserving seniors.

Coach Arone regrets the loss of seniors Frank Cusineau, Mario Calvillo, Kris Haganian, Haig Manukian, Sarkis Manouelian, Jim Chong, Kiwanian, Shohe, Nilsskadian, Mesak Oufalikian, Mike San Antonio, Hagop Sarkisian, and Bob Stanizzi but warns, "We'll be back next year."
Soccer Cheerleaders

This year we were fortunate enough to have an enthusiastic and very spirited soccer cheerleading group. Both in times of victory and defeat, these Cheerleaders proved by their team. They never let the good times roll all the way down the field. Led by Cathy Christomaglou and Kathy Hauswirth, the girls worked very hard. A final and fond farewell to Sarah Kelly Bigelow, Amy Gallagher, and Sandy Brown for their dedication. Also, the girls would like to give a special thanks to coordinator Mrs. Whitney for all her support this year and also to Coach Aronow for all his help.

"Captains Chris Vlachos, Steve O'Reilly, Fred Colman and Coach Dick Umile"

"The Senior Pucks"

In the 1st row you'll find: Shawn Real, Chris Vlachos, Steve O'Reilly and Jamie Burns. In the 2nd row (standing) you'll find Tom Johnson, Paul Donalelly, Jack Kennedy and Frank Cousineau.
The 1982-1983 season was the brightest in the history of Watertown hockey. Head Coach Dick Umile's players delighted the school and the community with a strong third place finish in the Middlesex League. The most prominent point came in the form of Watertown's very first State Tournament birth. Led by Seniors Steve O'Reilly, Shawn Reil, Fred Coleman, Tom Johnson, Chris Vlachos, Frank Cousineau, and Jamie Burns. The Watertown team played under the extreme pressure during the final four games to qualify for the Tournament, Coach Umile said, "The loyalty of our students, faculty, and community pulled us through some tight spots. We really were a team with no player trying to do it all. Aside from a very good year, I feel that our seniors have learned the lessons of teamwork which they can take with them through the rest of their lives. To the coaches, that is the real reason we have athletics in our schools today. We want to thank our cheerleaders and our students who played such an important role in such an enjoyable year.

Now we set our sites on next year. We had an undefeated Junior Varsity team in 1982-83. If they continue to skate and pass as they have done, perhaps they too will experience the excitement and the thrills of the 1982-83 Varsity season. The coaches want to thank all of the players, not just for the success you enjoyed, but particularly for the honest effort you gave each day in school and on the ice. You make it all worthwhile."
WHS Girls Basketball Team

First Row, Standing: Coach Vento, Donna Temperlo, (Senior) Suzy Orchanian, Debra Burke, Brenda Furlong and Eileen Lee. 2nd Row, Kneeling: Asst. Coach Julie Timbascio, Andrea Tsacoyanes, Co-Captains Edythe Hoffman and Wendy Jones, Lesley Reilly, and Joanie Kelly.

"OK girls, smile for the photographer."

"I'd rather not take this game seriously!"

"Did Larry Bird start this way?"

"What would Tiny do in this situation?"

"Edythe, who are we kidding, we'll never get the ball."

"Could this be a participant in the Richard Simmons look alike contest?"
It turned out to be a frustrating year for the players and their rookie Coach Charlie Vento, both of whom contributed long hours and hard work throughout the season. The team finished with a misleading 6 wins and 14 losses.

Co-Captains Edythe Hoffman and Wendy Jones, along with senior Suzy Orchanian, set an example of teamwork which resulted in the team gaining the experience and the respect of its opponents.

"They're saving the best for last."

"A potential track star"

"It's not polite to point."

"The Harlem Globetrotters"
WHS Boys Basketball Team

First Row, Standing: Varsity Coach Dave Born, Jay Doyle, Dave Murphy, Mike Pendleton, Capt. Mark Fierri, Rob Mannix, Walter Downing, and J.V. Coach Craig Stockmal. Second Row, Kneeling: Tony Temperio, Mike DellRaso, Pat O'Hara, Ari Davidian, Mark McHugh, Bob Stanizzi and Greg Murphy.

"Mike on the line, Mark on the move."
Led by Coach Dave Born, and captain Mark Fierri, the basketball team posted a surprising 5-15 record in a tough Middlesex League. While a 5-15 record may not be welcome in many of the league powerhouses, it is a great feat for the usually underemphasized Raider five. In his effort to rebuild a sagging program Coach Born started three juniors, and one sophomore, Mark McHugh and Ari Davidian at the guard spots by Doyle at center, and Mike Pendleton in the forward spot across from captain Mark Fierri.

The Raiders made great strides toward respectability this year. They ended a twenty-two game losing strike with an overtime victory over Stoneham.

Graduating only three seniors, Mark Fierri, Mike DelRaso, and Bob Stanizzi, it seems better times are ahead for Watertown Basketball.
Boys winter track was unsuccessful record wise; but very successful in other ways. The boys enjoyed themselves immensely. They had fun competing in a league that is the best in the state for track and field. By hard practice and competition they saw their times, distances and heights increase. Some outstanding performances were:

1. Paul McCarthy (capt.) shot 42'10" 45yd dash 5.4
2. Justin McDavid H.T. 5'11" 300yd run 35.9
3. Ray Cobb shot 44'1"
4. Angelo Tsekrekas shot 39'9"
5. Don Berg 45yd high hurdles 6.7

*High Scorer — Justin McDavid — 47 points

"Hey, Vin, how much further?"

Senior Henry Parente in an all-out effort.

"This thing weighs a ton!"

Coach Flecco gives a couple last minute pointers.
WHS Hockey Cheerleaders

"Practicing a new cheer before the game."

"A group of girls with a lot of team spirit."

"A time for seriousness . . .

. . . and a time for fun."
The Class officers and Executive Committee worked hard this year under the guidance of Miss Tassinari planning the various activities for the Senior Class. They organized such events as the Powder Puff Football game, the Magazine Drive, a class dance, a rock concert and most importantly all our graduating activities such as the banquet and the Prom. Without their efforts, our senior year wouldn't have been so special.

The Student Council has been busy all year long raising money and servicing the community. They held their annual Thanksgiving Drive to aid needy families in our community. Under the guidance of Mr. John Cuccinato, the council continued to service our school and other deserving organizations.
Tri-Hi-Y

Tri-Hi-Y is a club within the high school which sponsors many activities throughout the school year. The club sponsors Carnation Day and the Winter Carnival in March. Tri-Hi-Y also participates in helping the elderly throughout the town.

Through many long afternoon rehearsals, the Watertown Red Raider Marching Band has proven that a sense of proud accomplishment can be achieved by an honest effort and true dedication. During this past 1982 fall season, the Band has entered in three competitions. In their first showing the overall Band placed second in class "C", the Colorguard tied for first and the Drumline placed second. This season has proven to be a learning experience for all and will be used as a stepping stone for next year, which looks even more promising. Much of the Band's success must be accredited to the parents, students and faculty who attended their shows and games and who gave so much support.

This year's editors of the Annual Staff were: Sheila Deloney — Layout, Lois Bushy — Copy, Theresa Jasset — Business, Susan Catalano — Photography and Mark Zildjian — Sports. Although it was tough making deadlines, the staff was able to put out a June book with 16 pages of color. This year also marked the first year that Senior pictures were taken at school. The staff wishes to thank Ms. Joanne Murrman for all the help and advice she gave us throughout the year.
Even though football season ends on Thanksgiving Day, the Gridiron Club remains active by serving our school and community through various activities. This year the club held their annual Turkey Raffle and participated in the March for the Retarded. The club’s activities and willingness to give up their time results in their continuing success.
Our Library Media Aides provide an essential ingredient in the services of the Library Media Center—their hard work. Whether they run our film projectors or sign out books for us, it is their energy and talent that make the Center function. They laminate, type, file, photograph, deliver equipment, shelve books, make slide-tapes, run the Apple computer, clean off the graffiti, make posters, help produce television programs, repair anything, book films, stamp passes, answer questions, inspect film, hand microphones, run endless errands. They are essential people. We are delighted to be able to say "Thank you" to them all "Good luck and Well Done" to our graduates.

National Honor and Cum Laude Societies

Scholarships, service, leadership and character are the qualities exhibited by students elected to the National Honor and Cum Laude societies.

The object of the chapter is to create an enthusiasm for scholarships, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in all of Watertown High School students.

The members of the chapter at W.H.S. organize a number of programs during the school year, such as tutoring services, the distribution and sale of Hall-o-grams, and the raising of funds to provide scholarships and to conduct an impressive induction ceremony in May of each year.

K & Z Club

The K & Z Club is a group of serious-minded students who hope to succeed in the business world of tomorrow. The members enjoy using their talents to design future projects, business ideas, capital investments and in their spare time — parties for the group!

The year's biggest happening was the Florida trip in April where the club visited the Everglades, scuba dove in the Keys and explored the shallow waters and their life.

The group was given maximum leadership by President Ed Taylor and Treasurer Ken Bruno, who were able assisted by Dave Dorian and Paul Ricci. George Buckley, Science Department Chairman is the faculty advisor.

Art Club

The Art Club sponsors a Christmas candy drive to raise funds for the art scholarships. They also participate in various art contests and displays in the building.

And Julie Griffin and Suze Orphanian on defense, and who can forget Rose Coliero on defense! It was an action packed fun filled game that brought in some much needed funds for the Senior Class.

Enjoying yourselves?

The coaches and their seniors.
With the appointment of a new coach, Mr. James Travers, the 1983 Girls Varsity Softball team has undergone a transitional season. The team consisted of six seniors, four juniors, one sophomore and two freshmen.

Co-Captains Sue Catalano and Stef Eordekian led the team to a misleading 1-17 league record and a 3-0 non-league record. The girls and their coach, despite their discouraging record, hold their heads high, proud of themselves, their determination, and their school.
