1986 ANNUAL
WATERTOWN HIGH SCHOOL WATERTOWN, MASS.
THROUGH THE YEARS . . .
We experienced and we grew,
we dreamed and we learned,
we survived
the good times
and the bad.
We watched the victories and defeats of the Red Raider Team, we clapped and we cheered.
We danced from the 20's to the 60's,

The Ritz to the Beach Boys.
On our faces, we smiled and smirked.
We were all different,
but yet we found working together,
we created something that could not be done on our own. We are the Class of 1986.
Standing with our heads held high,
with spirit and with pride.
We will always look back, we will always remember,
for what seemed an impossible eternity,
slowly veered into fond memories
that will always be treasured for a lifetime.
THROUGH THE YEARS . . .

Lisa Gennetian
Every year the yearbook is dedicated to a member of the faculty. This recognition symbolizes their hard work, effort and devotion which has been bestowed upon the graduating class. It is with pleasure that we, the Senior class, dedicate our Annual to Mr. Patrick Trani.

Mr. Trani has been with the Watertown School System for 27 years. In 1982 he joined the senior high school staff. During these five years, Mr. Trani has devoted much time not only to his art students but also to the student body. His involvement has included designing school displays, advising the yearbook staff and coordinating fund-raising activities. His tremendous artistic ability can be seen at the Awards Day Ceremonies, the Senior Banquet and Graduation. Some of his greatest accomplishments include the "Puttin On The Ritz" dance and producing two award winning Annuals. Mr. Trani has consistently shown his exceptional creativity, limitless energy and constant support for students.

We would like to thank Mr. Trani for the motivation, drive and talent he brought to our class, and we will be forever grateful.
To the Class of 1986

Congratulations to the Class of 1986 for wending its way through four years of school at Watertown High School. Certainly the class had made its contribution to the strength of the school, and students in the class have been recognized by various State and National associations for writing skills, dramatic success, overall academic achievement, athletic, scientific and artistic talent. On behalf of all the staff at WHS, I thank the class of 1986 for its achievements, its spirit and good citizenship and I wish every member of the class success in their quest for a contributing and rewarding position in society.
The last four years as coordinator for the class of 1986 have been learning and growing years for both the class and myself. You started as ninth graders, young and in many ways immature. Since your first year as students of Watertown High School you have matured into excellent students, citizens and a source of pride and credit to your parents. I have watched this growth and feel proud to have been a part of it.

I would like to thank the class of 1986 for the years of pleasant memories you have provided me. I wish you all the success you so richly deserve. I feel sure you are fully prepared today to face the challenge that awaits you as you leave Watertown High School. To all of you good luck and success. Thank you for the help you have given to me through the years.

To the Class of 1986:

This has been a great experience for me. I enjoyed interacting with the teachers and students of this school, learning English and participating in different activities such as sports, classes, parties, and trips.

I want to thank everybody for giving me the opportunity to share my culture with you, to know about you and this beautiful country.

I'm returning to Chile with unforgettable remembrances of this period. Thank you for being so nice.

Commitment, skill, pride, and heart are the trademarks of the 1986 Watertown High School Golf Team. Guided by Coach Jim Travers, team members executed their competitive edge as they matched their skills with rivals in the Middlesex League. The team was led by Captain Bob Kashian, who inspired the team and showed his ever present "Red Raider Pride." Seniors, Jim Magliozzi, Erik Avakian, and Paul Warren gave that extra incentive to the team and helped spur them on to victory. The Golf Team qualified for this year's State Tournament with a season record of six wins and four losses.

The Golf team's diligence and record of success have earned them the privilege of playing at the Oakley Country Club, the Watertown High School home course. Working at the Oakley, sharing both victory and narrow defeat, Watertown players have built a team spirit along with their efforts and encouragement of their very successful Coach will carry Watertown players into competition in the fall of 86.

Returning players show great potential. Newly elected Captain and league M.V.P. Rich Mancuso will lead the team, followed by Joel Abreu, Rich Francis, Jason Balian, Ryan Hanna, Bob McCaffery, will round out the squad.

The 1985 football team, after a disappointing one win and four losses early season start, battled its way back to respectability with a torrid four wins and one loss record during the second half of the season. The Raiders finished the season at 5-5 with five wins and four losses against Middlesex League opponents.

Captains Tom DelRaso, Mark Khozozian, and Dean Sacca were the team's inspirational leaders with a lot of help from their teammates, as well as from cheerleader captains Heather Carmichael and Linda Venezia.

The Raider coaching staff was of the opinion that this team could have played well against any team in the state during its stretch run. The team's improvement was that pronounced.

Most Raider fans would agree that they were treated to an action-packed season with exciting players who never quit. Their trademarks were sweat and togetherness.

HOCKEY

Coach Jim Travers, in his rookie year at the helm of the Watertown High School Red Raiders, had his work cut out for him. Losing fourteen players from the previous Middlesex League Championship team, most pre-season publications picked Watertown to finish dead last, some being so bold as to suggest the Raiders would not win a game.

The intensity level was up at the pre-season try-outs where many crucial decisions were made by Coach Travers. Taking note of earlier predictions this Red Raider squad proved early that they would be a force to be reckoned with in the competitive Middlesex League. The high-flying Raiders never looked back compiling a 8-7-3 winning record. This, far from the expected winning season, was highlighted by a hard fought, decisive victory over rival Belmont on the final day of the season.

Watertown boasted a young team who looked for leadership from Coach Travers and a senior cast five strong. Blazing fast, Captain Dean Sacca provided the scoring touch the Red Raiders needed on offense. Sacca led the Middlesex League in goals scored and was honored as an All-League selection.

Captain Mark Khozozian known around the league for his bone-crushing hits topped all Middlesex League defensemen in scoring. His efforts won him All-League Honors.

Senior Bob Kashian impressed many a viewer with his steady, tough brand of hockey while compiling some great scoring stats of his own. Bob was also selected to the Middlesex All-Star team.

Senior right-wing Jim Magglozzi was feared as one of the most tenacious forecheckers in the league. His relentless style of hockey enabled him to erupt for many points during the latter part of the season.

Bill Francione backboned this Raider squad in net. Bill was tremendous in net turning aside shot after shot. Regarded as the top goalie in the league Bill was also an All-Star selection.

Under the supervision of Coach Travers this team has shown pride and looks promising for the future.

On Saturday December 2, 1985 the 85-86 Girls' Indoor Track season commenced. Led by this year's tri-captains, seniors, Cheryl Maloney, Kim Evans, and Theresa Fahey, the Watertown team went up against Wakefield.

Meets were held at the Lexington Indoor Track on Saturday mornings and a few were held on Wednesday evenings. Coached by Mr. Deldon and cheered on by their many fans and fellow members, the girls ran with spirit and pride!

The outstanding efforts of Zoy Zarkardas and Laura Kalajian led the team to some close meets. These two outstanding female athletes also qualified for the state meet held at M.I.T.

Congratulations to the 1985-86 Girls' Indoor Track team for an excellent effort and for good sportsmanship.
The Boys Indoor Track team, led by Captains Bob Bushey and Jack Beardenelli, faced another tough season in the ever tougher Middlesex League. The boys did an outstanding job.

In today’s modern society success is based on winning. If this criteria is used to measure them then the team did not do well. But, if old fashion ideals of hard work, dedication, togetherness and team spirit were used then we were very successful. Lack of depth in key running events hurt the team. In four of our meets we had twenty-eight points in the first five events needing only fourteen more to secure our first win, but we fell short. But the boys failed to be disappointed and kept coming back week after week to give their all.

This year Mark Jigarjian was the only member of the team who qualified for the state meet. In the past we had a larger number of runners that qualified for the state meet.

This year we had a good number of freshmen and sophomores with a blend of juniors and seniors. Next year is another year to give it our best shot. This spring we will have about ninety percent of our team running outdoors.

Track unlike your other sports is an individual sport, as well as a team effort. The boys involved in our program have been criticized lately. Let us not forget the purpose of sports participation and fun. Track is a life long sport that can be continued long after others cannot. We are all proud of our program and these young men.

GIRLS BASKETBALL

One hundred percent effort resulting in a very exciting brand of basketball has become the established trademark of the Watertown Girls Basketball Team. Led by the combined defensive efforts of co-captains Leslie Reilly and Kim Iodice who established full court pressure which resulted in the team forcing its opponents into an average of 22.5 turnovers per game. This fine defensive play of the Watertown girls meant that each and every game was competitive and opponents knew that their very best effort would suffice against Watertown.

Any true athlete realizes that the margin in between victory and defeat is often very small. It may very well be that the two finest games played by the girls were recorded as defeats by Lexington and Woburn. In the Lexington game behind by 10 points at halftime, the girls extended themselves to tie Lexington after three periods only to be denied in the last period. Woburn (Middlesex Champions) found out that the toughest game of the year was to be Watertown, a fired up Watertown, led by Kim Iodice's career high 24 points took the Woburn team to the final shot of the game by Watertown which barely missed resulting in a one point loss.

The winning side of the coin is best shown by a dramatic 37-36 win over Wakefield. After an early season 53-41 loss to Wakefield, it was clear early in the second game (a 16-7 first period lead) that the Watertown girls were determined that this was going to be a winning effort. Holding Wakefield's all league high scorer to 5 points and exerting 32 minutes of full court pressure, the Watertown girls befuddled and frustrated the Wakefield players to earn a well deserved victory.

Each player has to decide for herself if it was a worthwhile year. I would suggest that it was a very fine year. We learned that the real winner is the one who gives her best effort. We learned that in basketball as it is in life that there are victories and defeats. We learned that the secret is not to let the defeats destroy you. Above all we learned that hard work, 100% effort, teamwork, friends, and different personalities = FUN.

Despite their small numbers, both the Boys and Girls Varsity Cross-Country squads enjoyed competitive seasons during the Fall of 1985 and with many experienced underclassmen returning next year, the program should show continued improvement.

With Captain and four-year veteran Bob Bushey leading the way, the boys' team showed marked improvement over the course of the season and can expect to be much more competitive in '86 with returning veterans Chris Giogas, Tony D'Aloisio, Steve McEvoy and Dave Smith ready for a strong season. Though graduating Maureen Supple and Tula Giogas, the girls' team will return with MVP Lisa Wheaton, Lori Sands, Marlene Demerdjian, Alicia Dilbarian and Cindy Potenza. With a year of experience behind them, the girls should be ready to move up in the standings of the very competitive Middlesex League.

The team this year was led by Co-Captains Kim Iodice and Karen McNeil. Returning from last year’s team were Tina Ricci, Sandy Missakian, Paula Nevins, Wendy Powers, and Heather Stuckey. Up to Varsity from J.V. and Freshman teams were Maureen Gray, Jen York, Sarah Kelley, Andrea Faherty, Robin Puliatti, Val Bayiates, Julie Powell and Marleen Demerdjian.

The strengths of the team were speed and defense. Coach Cousineau used these two aspects of the game, along with some timely hitting and pitching, to have an exciting team. The leading hitters were both seniors, Tina Ricci and Kim Iodice. The team played hard all season and was very competitive in a very tough league.
The Boy's Outdoor Track Team, despite an 0-9 season, enjoyed a competitive season. Behind the leadership and spirit of Seniors Jack Berardinelli, Bob Bushee, and Wayne Earle the boys did a splendid job.

Even though the numbers were down the boys were actively competitive in four meets and achieved many personal records. With the declining enrollment the coaches would like to see more boys become involved in the track program instead of specializing in just one sport.

Five team members qualified for this year's State Meet. They are Mark Jigarjian, Bob Bushee, Jack Berardinelli, Dave Bartley, and Wayne Earle.

The Watertown High Girls Track Team has shocked some powerful Middlesex League teams this spring. At this point, the team's record is 3-3. Their most memorable victory this spring was over Middlesex League Indoor Track Champions Lexington.

The girls' foundation consists of many strong competitors in the field events. The league's leading performers in the long jump, triple jump, shot-put, and javelin are all members of the Watertown Track Team.

Although the running events are not the team's forte, they are coming along very well. The team can always rely on consistent performances in the 100 yard dash, 100 yard hurdles, 330 yard hurdles, 440, 880, mile, and two-mile.

The girls' success is due to hard work, determination and fantastic coaching. Coach Harrington, Coach Deldon, and Coach DeMarco are extremely dedicated to their team. They put in long hours during the week and often on weekends when the team has state Invitational meets. The girls would like to thank their coaches for everything they have done for them over the years.

The Cum Laude National Honor Societies of Watertown High School cordially invites you to attend their Induction Ceremonies on Thursday evening, the eighth of May, nineteen hundred and eighty-six at seven-thirty o'clock in the Shaw Auditorium at Watertown High School.

Guest Speaker: Margaret A. McKenna
President — Lesley College

A reception will be held after the ceremonies in the high school cafetaria.
The 1986 Annual Staff of Watertown High School cordially invites you to "Puttin' on the Ritz" on Saturday evening, the eleventh of January, nineteen hundred and eighty-six, at the Watertown High School Gym. Common School entrance. Black & Wiz costumes requested. Tickets $1.00 per person.
It was extravagant, it was glamorous, it was one of the most professionally done dances of the year... it was the 1986 Yearbook Staff's "Puttin' On The Ritz" dance. With the help of the Industrial Arts and Art Department, Mr. Patrick Trani, the yearbook advisor, succeeded in innovating the drab environment of Watertown High School's gym's facility into a professional art deco ambience of black, white and glitter.

It was a gala evening long awaited. Months and days of hard work and preparation soon turned into hours and minutes as Saturday, January eleventh finally arrived. Draped with black and white material, vases of intricate paper flowers, life-size figures and an enormous fabricated chandelier, the gym portrayed a room of lavish elegance. Students, teachers and guests alike arrived in fringe, black and white tuxedos, canes and top hats. Swinging to the tunes of the 1920's and 1980's was only a small part of the evening's entertainment. There was dancing, singing and even a live band; thanks to the support of Al Cremin, Kathy Thornton, the band Middle Class and D.J.'s David Encisco and John Reardon.

The evening was more than enough to dazzle anyone. Its uniqueness, great fun, profitable accomplishment and hard work made it a night to be long remembered. The Class of 1986 should be proud to have experienced the Yearbook's first annual "Puttin On The Ritz" dance.

Winter Carnival

Arpie Gennetian

On March 15, 1986, the Tri-Hi-Y organization held its Annual Winter Carnival. This year’s theme song was “Crazy For You” by Madonna. The gymnasium was beautifully decorated by the Tri-Hi-Y committee, who came early Saturday morning to decorate. The bare walls of the Watertown High Gym were soon to be filled with purple and pink streamers and balloons with just a touch of celebration to make the evening just right. As one walked into the room, the feeling of happiness and smiles filled the gym.

People either danced, talked, or just sat back and enjoyed the buffet dinner. Cameras were flashing everywhere to keep the memories of this happy time. The music was provided by Greg Agahigian who is also one of the few male members of the Tri-Hi-Y. A congratulations also goes to the Winter Carnival Queen, Kim Oates, and the court, senior Martha Donovan, senior Dawn Micco, senior Mary Ellen Reil, junior Lon Sands, and sophomore Lisa Solari.

The Winter Carnival proved to be a great success, with a total of 280 people attending. The money is being put towards a scholarship given at the end of the year.

"Through The Years"
(Kenny Rogers)

I can't remember when you weren't there
When I didn't care
For anyone but you
I swear we've been through everything there is
Can't imagine anything we've missed
Can't imagine anything the two of us can't do
Through the years
You've never let me down
You've turned my life around
The sweetest days I've found
I've found with you
Through the years
I've never been afraid
I've loved the life we've made
And I'm so glad I stayed right here with you
Through the years
I can't remember what I used to do
Who I trusted
Who I listened to before
I swear, you've taught me everything I know
I can't imagine needing someone so
But through the years it seems to me
I need you more and more
Through the years
Through all the good and bad
I know how much we had
I've always been so glad to be with you
Through the years
It's better everyday
You've kissed my tears away
As long as it's okay
I'll stay with you
Through the years
Through the years
When everything went wrong
Together we were strong
I know that I belong right here with you
Through the years
I never had a doubt
We'd always work things out
I've learned what life's about
By loving you
Through the years
Through the years
You've never let me down
You've turned my life around
The sweetest days I've found
I've found with you
Through the years
It's better everyday
You've kissed my tears away
As long as it's okay
I'll stay with you
Through the years
Special Guests of Honor
Dr. and Mrs. Manson Hall
Mr. and Mrs. Joseph Bannon
Mr. and Mrs. Frederick Parshley
Dr. and Mrs. Francis McDonald
Mr. and Mrs. Francis Cousineau
Ms. Karen Kazarosian
Mr. Michael McDermott
Mr. Patrick Irani
Dr. O'Connor, Dr. Hall, members of the faculty and school committee, parents and relatives, and friends of the graduating class of 1986.

I welcome all of you who are here today to share the joy that we, the class of 1986, possess. A joy that began four short years ago on a September morning and which culminates on this night in June. In essence we began at a sunrise ready to embark on a journey which would take us to great heights. A journey that passed through good weather as well as bad and which finally sets on this night — this night of graduation.

And on this night we celebrate our success as a class and as individuals, our jubilation is in response to the gift that we have received, the gift of education. We have acquired a working knowledge of places and people equally as important we have acquired the knowledge of understanding. An understanding which encompasses our world and its problems, our parents and relatives, and most of all an understanding of ourselves. We have discovered our preferences, limitations, values, and in what terms we view success.

For success is in the way you walk the paths of life each day; it's in the little things you do, and in the things you say.

Success is not in getting rich, or rising high to fame. It's not alone in winning goals, which all men hope to claim.

Success is being big of heart, and clean and broad in mind. It's being faithful to your friends, and to the stranger, kind.

It's in the children whom you love, and all they learn from you. Success depends on character, and everything you do.

And this view of success and understanding is praised and shared world over. Similarly, our memories of the past four years are shared by all and unite us like a thread which has ultimately been woven into the multicolored fabric known as the class of 1986.

We are, as people termed us, the unique class, we did things differently, we cared. And through this caring we shared experiences together, reveling in success, consoling in failure. On one level we all had a part in shaping the identity of our class, and on a second, more personal level, we were individually molded by the very hands of God, our educators, and ourselves.

And so we bid farewell to Watertown High School, its halls and classrooms, to the Junior and Senior proms, to the Thanksgiving rally of Senior year, to the many Winter Carnivals, and, most of all, to the memories that my peers and I share of our high school years. Now we must move on and always remember in the words of Winston Churchill that:

This is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.
ON THIS SIXTH DAY OF JUNE, WE HAVE GATHERED TOGETHER AS A CLASS FOR THE LAST TIME TO CELEBRATE OUR ACHIEVEMENTS, TO REMEMBER OURSELVES AS WE WERE AND TO REMIND OURSELVES OF THE FUTURE. THIS BRIEF MOMENT IN OUR LIVES DEPICTS THE ACCOMPLISHMENT OF A GOAL. NOW IT IS TIME TO RETAIN WHAT WE HAVE LEARNED AND EXPERIENCED AND STRIVE FOR FURTHER GOALS. THE FUTURE AWAITS OUR PASSAGE WITH NEW RESPONSIBILITIES AND GREATER CHALLENGES.

THEODORE ROOSEVELT ONCE SAID "IT IS HARD TO FAIL, BUT IT IS WORSE NEVER TO HAVE TRIED TO SUCCEED." AS WE LEAVE WATERTOWN HIGH SCHOOL, WE ENTER A COMPETITIVE WORLD AS INDEPENDENT INDIVIDUALS. THIS GRADUATION CEREMONY IS ONLY THE FIRST STEP IN A MOMENTOUS TRANSITION WE ARE ABOUT TO MAKE. IT IS OUR TURN TO ESTABLISH OUR ROLES IN AMERICAN SOCIETY AND MAKE OUR IMPRESSION ON THE WORLD. LIFE'S CHALLENGES ARE AWAITS OUR ARRIVAL, WE MUST FACE THEM AND THE FUTURE NOT WITH UNCERTAINTY, FEAR OR APATHY, BUT WITH OPTIMISM, CONFIDENCE AND DETERMINATION.

CONSIDER THE FUTURE A LADDER, EACH STEP REPRESENTING A PERSONAL CHALLENGE. WE MUST BELIEVE IN OURSELVES AND CLIMB OUR STEPS TO OUR PERSONAL GOALS. NOTHING CAN STOP US FROM TACKLING THE INACCESSIBLE STEP WE POSSESS THE MAGIC GIFT OF YOUTH AND THIS IS OUR TIME TO DISCOVER, EXPERIMENT AND MATURE. IF WE FALL, WE MUST HAVE THE COURAGE TO STAND AGAIN AND AGAIN FOR TIME IS FLEETING AND TOO PRECIOUS TO WASTE. WE MUST SEEK THE VAST OPPORTUNITIES THAT APPROACH US UNTIL WE HAVE REACHED THE TOP OF THE LADDER. UNTIL WE HAVE REACHED OUR PERSONAL SUCCESS. AFTER TODAY, WE WILL VENTURE UP OUR UNIQUE INDIVIDUAL LADDERS, WITH DIFFERENT GOALS AND DIFFERENT PLANS. WE WILL SEE LIFE THROUGH NEW PERSPECTIVES AND THE FUTURE THROUGH NEW EYES.

IN CLOSING, WE MUST BE UNDAUNTED IN OUR EFFORTS TO BECOME SUCCESSFUL CITIZENS, WE MUST RISK TAKING THE CHALLENGE, TAKE PRIDE IN OUR SUCCESSES AND LIVE LIFE TO ITS FULLEST. WE ARE MOST GRATEFUL FOR THE GUIDANCE AND SUPPORT THAT HAS BEEN GIVEN TO US DURING THESE PAST YEARS. IT HAS ENCOURAGED AND PREPARED US TO OVERCOME OUR UNCERTAINTIES AND TO ACHIEVE OUR GOALS.

FELLOW CLASSMATES, I AM TRULY HONORED TO BE A MEMBER OF THE CLASS OF 1986. MY EXPERIENCES AND FRIENDSHIPS WITH YOU WILL BE CHERISHED FOR A LIFETIME. MAY YOU SUCCEED IN YOUR Endeavors AND MAY YOUR FUTURE BE ALL THAT YOU WANT IT TO BE.

GOD BLESS EACH AND EVERY ONE OF YOU

THANK YOU
Joseph Snyder  
Garo Melkonian

IN MEMORIAM

For all the laughter we shared together,  
For every smile that you did bring,  
For every thought of you we treasure,  
For every memory that we do cherish,  
For every prayer that has been said,  
For every tear we shall remember,  
For every step we take you follow,  
A shadow friend in all our hearts.

ACKNOWLEDGEMENTS

In future years, many of us will look through the pages of this book. We will recall all of the good times pictured here. Throughout our years at Watertown High School we’ve laughed and cried, we’ve experienced life and death. It was during these years that we grew as individuals and as a class. This book recaptures much of the happiness that we felt, and it is something that we will always treasure.

I would like to express my deepest and most sincere thanks to Mr. Patrick Trani for his patience and guidance. It is not an easy task to put together a yearbook, and this could not have been done without the help of my dedicated staff. I would like to thank Michael Furlong, our Business Editor, for his drive in selling ads to fund our book. I am especially thankful to Linda Lee for being my Layout Editor. I would also like to thank the rest of the staff for their help and support. It is with dedication of this sort that an award winning yearbook is produced.

I would like to acknowledge the patrons and the advertisers who supported us. I would also like to extend much thanks to Mrs. Samaria and Mrs. Hannon for the work they did for the yearbook.

And in conclusion I wish you all, the best of luck in years to come, and that you work to the best of your ability. I hope you all lead lives that are full of happiness and joy.

Yearbook Editor,
John Giordano
