THE WONDER YEARS . . .
It was a time of youth and awe,
A time of heartache and joy.
The feeling of unity and individuality
Spread among us.
We learned to stand on our own.
But we also learned to stand together.
We were curious
And we sought answers to our questions.
Determination was written in our faces
As we tried to achieve in the classroom and on the field.
We were all different, but we have common goals. We shared the same hopes and dreams.
The Wonder Years.
Dear Members of the Class of 1989

At the occasion of each graduating class, I frequently wonder how helpful Watertown High School has been in providing instruction, support and direction for each graduate. Hopefully, we have provided an abundance of sound information across a wide spectrum of knowledge. And perhaps we have taught many of you how to be more effective learners. We would also hope that many of you, if not all, will have a significant measure of career and personal success because you took one course, one teacher or were part of a particular club or activity.

In all likelihood, it will be a very different answer for each student. But whatever the story and whenever the time, the school would like to know of our shortcomings, as well as our strengths. So, I am extending an open invitation for you to send notes, make phone calls or come into school with suggestions as to how we might be a more effective school.

Meanwhile, the entire faculty wishes you a long, happy and productive life.

Sincerely,
Dr. Manson P. Hall
Headmaster

After seventeen years as the Superintendent of the Watertown Schools, Dr. Daniel O’Connor is retiring.

Dr. O’Connor graduated from Fitchburg High School in 1948 and went to serve the Air Force during the Korean War. After the war ended, he enrolled at Fitchburg State Teacher College and graduated in 1953. Ever since he graduated from college, he knew he wanted to be a school superintendent. His first jobs were working as a teacher and principal in several schools at New Salem, Amherst, and Tucsburg. At Amherst, he received his master’s degree. In 1971, he acclaimed his doctorate degree at U-Mass. Then he came to Watertown as the Superintendent of Schools.

Dr. O’Connor has worked hard at his job. He has a general charge of the public schools and is the executive of the school committee. He carries a leadership role in both educational and non-educational fields in the community.

Over the years, Dr. O’Connor accomplished many goals in the Watertown schools. The Industrial Arts department received new machinery, the science labs were modernized, and computers were installed in the classrooms.

His life after Watertown, he claims, will be like a start of a new life. He plans to spend more time with his family and to work as a consultant to private companies and colleges. Traveling, hunting, boating, and fishing are also on his agenda.

We wish Dr. O’Connor the very best in his future.

FOOTBALL TEAM

The 1988 season proved to be a difficult one for the Watertown Red Raiders. They had a disappointing season, finishing 11 and 9. However, there was a great deal of effort displayed by the Raiders.

The season opened on a positive note with Watertown’s win over Framingham North 14-6. From there on, the Raiders were faced with an uphill battle. The Middlesex League teams were better equipped, which helped to make it look easy for them to score touchdowns. The Raiders were not discouraged. Even after they experienced their biggest marginal losses: Winchester 48-8; Melrose 36-6; and Burlington 27-0.

The Raiders had their best game on Thanksgiving day against their arch rivals of Belmont. The Raider defense was trying for Belmont’s quarterback. By half time, Belmont scored twice while Watertown wasn’t even on the board. The third quarter put some life into the Raiders as junior quarterback Brendan Dickie passed to junior Chris Lessard. Belmont battled back in the fourth as did Watertown. The game finally ended in defeat: Belmont 21 – Watertown 12.

Congratulations are sent to Andrew Scopa and Robert Malloy on their nominations to the All Star Honorable Mention Team. Best of luck is wished to the graduating seniors Dino Bastianelli, Dave Bright, Andrew Scopa, Robert Malloy, Matt Crupi, Tony Psikarakis, Tristan Horne and Tom Martin.

"The Girls of Autumn"
1988 Middlesex League Champions
Division 2 North Champions
Division 2 State Champions

The 1988 field hockey season started out like every other field hockey season. All the players were working very hard to produce a winning type of program. The team consisted of seniors — Carla Gagnon, Cathy Macrae, Debbie Smidt, Susie Hanover, Sophia Sargent, Kerry Evans, Carla Jannetti, Sandy LaVache, and Kristin McElrath; juniors — Cathy Gaden, Nikki Daston, Joanna Radayrager and Kim Boyden; sophomores — Lauren Khayat, Maureen Kelly, Larbe Macartell, and Amy Gagnon; and seniors — Ellen Donahue, Denise Norgard, and Jane DeCicchielo.

Individual and team goals were set by everyone. A realistic team goal was to win the Middlesex League Title. The seniors were determined to go undated for the year. One common goal was that everyone must put forth their best effort in every practice and game. We wanted to keep steady with our effort in the game. We didn’t want to have to look back and second-guess our performance. This type of thinking helped our team finish the regular season with a 17-0-1 record, clinching the Middlesex League Title for the second year in a row. This year we beat Belmont!

Our Co-Captains, Kelly Khayat, and Cathy Macrae, did an outstanding job throughout the season. They kept the team together. Throughout the season, Kelly and Cathy would coach the younger players, helping them to step into better players. They were perfect role models for the entire program. Both Kelly and Cathy were very competitive and gave 100%, throughout the entire game. This type of competitiveness would roll off on the entire team.

With such an exciting regular season complete, there were many individual accomplishments. We had four Middlesex League All-Stars: Cathy Gaden (MVP of League), Kelly Khayat (2nd player in League), Cathy Macrae and Susie Hanover. We had two Boston Globe All-Stars: Cathy Gaden and Kelly Khayat; as well as two Boston Herald All-Scholarships in Cathy Gaden and Carla Jannetti. In terms of statistics, we had 5 of the top 10 scorers in the Middlesex League. Cathy Gaden, Kelly Khayat, Cathy Macrae, Susie Hanover and Lauren Khayat. Our goalie, Carla Jannetti, allowed only 16 goals, which was the best allowed in the league.

With all of these individual accomplishments, the Watertown field hockey team as a unit performed as even bigger feat in the tournament:

Against Lynnfield, Watertown won 3-0
Against Arlington, Watertown won 3-2
Against Triton, Watertown won 2-1, Division 2 North Champions
Against Sandwich, Watertown won 3-0, E. Mass. Champions

A few thoughts:
Offense, what are you going to do to score?
Defense, what are you going to do to prevent?
Cathy, what are you going to do to prevent?
. . . I want one moment in time, when I’m more than I thought I could be . . . To taste the sweat, I’ve faced the pain . . . Play with heart . . . To the team . . . Come on you guys . . . Intensity . . . Damn it, Let’s do it . . . Heart on heart . . . You got to do what you got to do . . . Kelly, Cathy, Debbie, Sandy . . . Merrill, Kristin, Sophia, Susie, Cathy . . . Win, we can, we will . . . United together . . . Two hearts that beat as one, there ain’t a single thing we can’t overcome . . . We’ve done our best!

We proved that “playing with heart” truly does bring out the real Champions. We were champions from the start to the finish of the season.

Very Proudly,
Ellen F. Donahue

VARSITY GOLF TEAM
The 1988-1989 Watertown High School Golf team, coached by Mr. James Travers, finished with a somewhat disappointing season: one win, eight losses, and one tie. The team lost several close matches on the hole.

The team graduates five seniors: Ryan Hanna, John Forte, Andy Deignan, Mike Strangio and Steve McEvoy. With only two members returning Mike Arone and Joe McDonald, it looks as if next year may be a rebuilding year.

Oakley Country Club hosted this year’s Middlesex League Individual Tournament where the best three players from each team compete in an 18 hole match. Participating from Watertown were John Forte, Mike Strangio, and Ryan Hanna. The boys all played well with Ryan Hanna placing tenth in the tournament.

The team also had two players named to the All-Star teams. Ryan Hanna was named to the First All-Star team and John Forte was named to the Second All-Star team.

Watertown High and the 1988-1989 Golf Team wish to express their gratitude to the Oakley Country Club for allowing the team to use their fine facilities.
Varsity Soccer

This was a young and inexperienced team. With a record of 1-1-16 we were in many games at the half. As the second half progressed in a good number of contests, we just could not stay with the opponents.

Senior fullback and team co-captain Chris Kebedian not only gave 100% with his own effort, but also contributed considerably game after game in helping to keep a strong team effort going. Helping Chris with capable strong play were senior Madathia Sarkissian and juniors Shahan Stepanian and Matthew Clifford.

Never easy, perhaps the hottest spot on the field this season was in the net. Our senior goalkeeper and team co-captain, Carl Oates, was often in the thick of the action and made many fine saves. Some of these stops were just outstanding. He was our only player to be selected to the league all-star team. An even better indication of his value to the team was reflected in the compliments he received from officials and opposing players.

Senior forward Frank Cacia played with skill and gave our line some punch. He has some very pretty goals. Although lacking the seasoned experience to do really well in this league, we also had some fine offensive play from a number of younger team members. Among these was freshman Max Iturriaga. He generally played center half and had a lot of responsibility on this team, defensive as well as offensive.

An unusually large number of freshmen and sophomores got a lot of varsity level experience on this team. These players could be a nucleus to help build more competitive future teams.

While the Boys' and Girls' Cross Country teams will not be able to post winning seasons in 1988, there were many highlights for these young squads during the season.

The Girls' team featured strong efforts from veterans Susan Meagher and Tara Tracey. Freshman Rene Lessard had an outstanding season finishing first in four league meets. Overall, the team suffered only two narrow defeats.

The Boys' team had a most competitive season with a victory over Burlington and some close defeats. The team was led by Co-Captains David Smith and Dan Wagner. Scott Odom, Scott Coutts, Allen LaRose, Rob Young, and Brian DeMore were consistent scorers all season long. Sophomores Jeff Burd, Willie Fenichel, Bill Burns, and freshman Ari Gennetian rounded out the rest of the squad.

While the team's senior members will be missed, these young squads are looking forward to a very competitive season next fall.
BOYS' INDOOR TRACK

Coach George Smith and the Boys' Track Team had a rough season in 1989 ending with a 0-9 record. However, the season was not without its highlights. One of which was the meet against Wakefield, scoring 41 points in the most determined effort of the entire season. The team could actually hear the sounds of the other Middlesex League teams present cheering for them! It was a heartbreaking 2 point loss that could've been the first Boys' Track Team win in four years.

Co-Captains Steve McEvoy and Mark Gannon performed well in 1988. They captured many first places, McEvoy in the high jump and Gannon in the shot put.

Other Senior key players were Bob DeLuca in the 300 yard race, Chris Poravas and Andrew Scopa in the shot put and John Micalizzi running and jumping them hurdles. Great individual effort was displayed, as well as, an intense team spirit!
The 1988-89 season was once again a very successful one for the boys basketball team. After losing 7 seniors from last season's school record 18-4 state tournament team, this year's Raiders were predicted to finish 8th in the preseason coaches poll. The Raiders had only senior captain Brian Carroll returning from last year and a very young nucleus surrounding him. This year's team was led by three seniors, Carroll, Rob Malloy and Rob Swanson and supported by juniors Nick DiDati, Steve DiVito, Thanh Pham, John Barry and Cary Drapeau. Super sophomores Malcolm Martin and Craig Kreke rounded out the top variety players.

The season began with an upset 62-55 victory over Wakefield in what proved to be the start of another exciting season. Malcolm Martin led the way with 16 points followed by Brian Carroll (15) and Steve DiVito (11). The team followed with another big win over Winchester as sophomore Malcolm Martin again came up big with 22 points followed by Carroll (17) and fellow sophomore Craig Kreke (11). The Raiders followed this game with a great effort vs. Melrose but came up on the short end of a 79-76 decision in what proved to be one of the most exciting games of the season as Watertown caused ten three point field goals led by junior point guard Nick DiDati. The Red Raiders bounced right back with two successive wins over Burlington and St. Patrick's to raise their record to 4-1. The next game was for the Watertown Kanoe Highday Tournament Championship vs. Weston in what was another exciting finish with the Red Raiders again coming up on the short end of 60-54 score. Cary Drapeau and Malcolm Martin had great performances and were named to the all tournament team. True to their form, the Raiders bounced back again and raised their record to 6-2 with back to back wins over Reading and Stoneham. Sophomore sensation Malcolm Martin netted 46 points over the two game period. The Raiders also received clutch performances from Rob Swanson and Brian Carroll (24 vs. Stoneham).

This set up a showdown with Lexington whom the Raiders knocked off for the first time ever last year with a stunning 62-57 overtime victory at Watertown. This year's game was once again a thriller, but Lloyd Mumford and company proved too much for the Raiders in a 70-59 Lexington victory in what was a very close game. Brian Carroll and Malcolm Martin each netted 19 points in a losing cause. The Raiders came right back with two more successive wins over Woburn and Belmont. The Belmont win was especially exciting as the Raiders came back from an 11 point deficit led by Thanh Pham's 16 points. Thanh hit 4 three point field goals, 2 in a crucial 4th period comeback. These wins raised the Raiders record to a surprising 8-3, third in the Middlesex League. The next three games were the low point of the season for the Raiders as the team suffered three straight losses to Wakefield, Winchester and Melrose and dropped to 8-6 in the season. The game vs. Winchester was a 74-73 overtime loss in which four Raiders walked out of the game.

From this point on in the regular season the Raiders did not lose another game as they posted six consecutive victories. The streak started with a 50-48 win over Burlington on a last second shot by senior Rob Malloy. Then followed a 73-53 win over Reading led by Brian Carroll's 29 points and supported by Craig Kreke, John Barry and Rob Swanson. Next followed a 78-58 blowout of Stoneham with another great performance by Brian Carroll (25 points). What followed this was the best game of the year as Watertown went into Lexington and came away with an 88-72 victory. Brian Carroll saved his best for last with 41 points and 15 rebounds. Malcolm Martin had 35 points and 10 rebounds and Nick DiDati had 5 points and 9 assists as well as a great defensive job on Lloyd Mumford. Over the three game period Brian Carroll had 75 points and 45 rebounds and was named Boston Globe player of the week.

The Raiders closed a great season out with two more wins over Woburn and Belmont. The win over Belmont kept the Marauders out of the tournament and clinched third place in the Middlesex League for the Raiders. Brian Carroll had 29 points and Malcolm Martin 20 led the way followed by Cary Drapeau with 9 and Craig Kreke with 8.

The season record pushed to 14-6 and the Raiders were ranked 10th in Division 2 in the Boston Globe coaches poll.

The Raiders went on to their second consecutive state tournament appearance. Last year was the first appearance by a Watertown team in the state tournament in 15 years. The Raiders' first round opponent in the tournament was East Boston in a game played at University of Massachusetts, Boston. The Raiders came out flat and suffered through one of their worst games of the year and came out on the losing end of an 81-63 score. Brian Carroll once again led the way for Watertown with 25 points.

This defeat in no way should tarnish the tremendous year this team had. Picked to finish eighth with one returning player, Coach Craig Stockmal led this team to a third place finish in the Middlesex League and a state tournament appearance. Brian Carroll and Malcolm Martin were voted All-Middlesex League and played in the Middlesex League All-Star game. Brian Carroll was named News Tribune "Player of the Year." Malcolm Martin was named to the News Tribune All Star team and Coach Stockmal was selected News Tribune "Coach of the Year" for the second consecutive year.

This was a great season, especially for such a young team with only three seniors. The future looks bright for Watertown Red Raider Basketball.
BOSTON BASKETBALL TEAM

BOYS HOCKEY TEAM

Led by the dedicated Coach Travers, the 1988-89 Boys' Hockey Team glided through a tough season. The intensity and determination of the team was led by Captains, Rob Young and Dave Smith. Other contributing Seniors consisted of Tom Biondo, Chris McDonald, Rick Currier and Ryan Hanna.

As a whole the team was encouraged to give every game their truly best effort and that is exactly what those proud "Raiders" did!

The girls, although low in number, were high in spirit. The 15 girls were competing against teams of 50 and 60 girls, but they never once gave up. Every girl improved upon her personal best time thereby gaining a positive experience by being on the team.

WATERFORD HIGH GIRLS BASKETBALL 1988-89
COACH — DENISE NUGENT

Waverly High Girls’ Varsity Basketball Team had a very productive season. They finished 5th behind four MIAA Tournament Teams, only losing to those teams. Despite the fact that they knew they would have to face some of the toughest teams in the state, Coach Nugent was very optimistic. They were a group of individuals who also had to contend with many outside, unplanned situations which directly and indirectly affected the team and its individuals. Coach Nugent believes these circumstances, although were not always happy ones, helped the girls to grow and in turn learned a new meaning of friendship and how to work together for a common goal. Teams, such as 87-88 tournament participants Woburn Tanners, Sectional North Finalists Belmont Marauders, and State Champions Wakefield Warriors were among Waverly’s tough schedule.

Co-Captains Senior Kelly Khozozian and Junior Cathy Guden were to set the tempo for the season, to play tough, determined and together, and that they did.

Kelly Khozozian, Middlesex League All-Star/Co-Captain, 4th year varsity player contributed a total of 211 points her junior year and continued to be a threat to the opposition by adding 224 points her senior year. She did not stay on the outside all the time. As a matter of fact, she was tough and determined defensively averaging 10 rebounds per game. Kelly’s ability and experience supplemented by Cathy’s own ability and experience, helped to bring this young team through a tough competitive season right down to the end, where they were moments away from a tournament spot with a needed win over Woburn or Belmont. Unfortunately a little bit of unseen luck is what was needed, because the rest of the ingredients, determination, heart, and desire were already there.

Junior Co-Capt. Cathy Guden is an asset to the team she gives her commitment to and she definitely seems an asset this season. In addition to her leadership qualities of keeping the team together and calm in much needed situations (double overtime wins over Lexington, OT with Stoneham, and one pt. win over Winchester and Melrose) Cathy contributed with 15 rebounds, 15.7 pts. per game and 10 assists throughout the season. Cathy and Kelly were both selected to participate in the All-Star game as two of the top ten players in the league. In addition, Cathy walked away with a 3 pt. trophy when she sank 6 out of 10 shots.

Returning Juniors Mary Lenahan and Nikki Panico also made distinct contributions to the team. Their eagerness to work hard and their unending spirit would give the team a boost. A much improved junior Patty McEvoy would give her dose of Raiders Pride by adding points, rebounds and spirit as the season progressed.

Returning Sophomore Jeannie Kelly did a superior job of handling the ball as point guard under pressure. First time varsity players Lauren Khozozian, Meaghan Kelly, Laurel Manzelli, and Amy Guggina finish up the remaining sophomores. Each has shown distinct individual as well as team improvements, playing well in a very tough competitive league.

Congratulations to the girls for a very productive season and Good Luck to Senior Co-Capt. Kelly Khozozian in her college career.

SOFTBALL
Coach Frank Cousineau led the Lady Red Raider Team to a 9-9 record during his last season as varsity coach. The girls missed qualifying for the state softball tournament by only two games. They lost seven games by a total of thirteen runs. These games could have gone either way. The highlight of the season was the extraordinary 1-0 win against defending league champs and softball powerhouse Watertown. Watertown had never beat Reading before in the sport of softball. The softball team did a creditable job and is expected to do even better next year. The members of the Red Raiders softball team include Captain Cathy Gudzi, Assistant Captains Carla Janetta and Jeanne Kelly. Other members of the team are Kristin McGrath, Christine Stuckey, Sandy Tapia, Mary Lenaghan, Laura Metcalf, Nikki Panico, Steph Carlson, Renee Cetrone, Karen Dunn, Heidi Holmberg, Desiree MacMannis, and Laurel Manzelli.
BASEBALL
The 1989 WHS Red Raider baseball squad overcame a slow start playing excellent ball the second half of the season. After the 1-6 start, the Raiders finished the season with 7 wins and 13 losses, including 3 wins out of the last 4 games of the season.

The team was lead by Captains Matt Crupi and David Smith and included seniors David Dicenzo, Ryan Hanna, Robert Malloy, Chris McDonald, Brian McNeil, Mike Strangio, and Ed Walsh.

David Smith was chosen as the team’s Most Valuable Player and Ed Walsh won the Most Improved Player Award.

David Smith was voted to the Middlesex League All-League Team.

BOYS' AND GIRLS' TENNIS
BOYS' AND GIRLS' OUTDOOR TRACK

GIRLS' OUTDOOR TRACK
The girls' outdoor track team had a tough season. Despite its record, the team was competitive in all of its meets. With a large group of juniors and sophomores returning, the prospects for next year are very promising! Good luck to the senior co-captains, Cindy Potenza and Monika Walczak!

BOYS' OUTDOOR TRACK
This year's track team was challenging and an experience for all participants. Those who participated enjoyed a season with a lot of ups and downs. Each and every individual had experienced a personal best. Special thanks goes to our coach, George Smith, who roughed out another year with his boys. This being his last outdoor season, the boys gave it their all in trying to win a track meet for their coach. Special thanks goes to Co-Captains, Mark Gannon and Stephen McEvoy who led their team through the trying times. They showed that winning isn't everything and that a good time can be shared with all.
From the Charles to the Neva River
The great Soviet trip we did deliver
Red Square we saw quite late at night
And Lenin in his tomb was a wary sight
We had a great day at School Nineteen
Very far away from Mrs. Green Jean
And on to the Embassy for Yankee instruction
Begun with an inspired Damnation introduction
The mummies, the Kremlin, we gave it all a shot —
We did the Circus, Moscow U., and the Arbat
Portraits were done, albums were acquired
The lines were endless and we got tired
Jen Vicklund found Alex in the Moscow school
Karyn met with Jimmy and found him very cool
Julie stayed well and never got sick
Jennifer K. went to the Arbat to get an ostrich
The treeders at first seemed very cool
Following us back to "Sevastopoole"
But later they became a tiresome trend
Wanting so much to have dollars to spend
So onward we went on the Moscow train
To Leningrad sun and still no rain
We saw the great Bronze Horseman, the one Pushkin wrote about
We saw Dimitriev again and Juliet gave a shout
We trundled on Nevsky Prospect as down the street we tore
In the wake of Waterson trader, Mr. "Norman" Shore
And through it all Cindy was bright and happy as can be
And Mr. Campbell videotaped all that he could see
We got happy, tired, confused, and all of that
Julie got her pins and Andrew got no hat
We woke up early, ate our gruel, never made a fuss
Cause we were happy massochists for lectures on the bus
The Hermitage was a fine place for all of us to see
As was the "beach" at Peter Paul with semi-nudity
Of all the things it's hard to choose which one we liked the most —
But one thing's sure we all support the efforts of glasnost
Perestroika will be work — Stalinists will have to fall
Along with them we think should go that crazy Berlin Wall
So tonight we will return to our own beds
With thoughts of "peaks for goom" trading in our heads.

By New Edition

Girl if ever the going got tough
You never were the type to think of backing out
So when you got more than your share
In a minute I knew your heart was in it,
I knew that it would make you be your best
Put you to the test but if sometimes it seems
Not worth the battle. That's when you'll see —
You can count on me . . .
When you see me your eyes say that you
Need me but there's another feeling they can't
Hide and it hurts so deep inside to think
Maybe before I let you down won't you here me
Out now, believe me somehow . . .
I thought I'd never know just
where to start remembering this
Promise from my heart holding
You here in my arms has told me what to say,
Cause I'm with you all the way
I'll never give up this dream
Although it may seem there's
No way out today. Yes
I'm with you all the way.
Whatever fate love might put us
Through, Remember I'm with you,
I'm with you all the way.
Susan Vanerian
Valedictory Address — 1989

Dr. O'Connor, Dr. Hall, members of the faculty and school committee, parents, relatives and friends of the graduating class of 1989,
I welcome you all to this final formal gathering of the class of 1989.
Most of us entered Watertown High School four years ago as two groups from opposite ends of town; during the four years, we converged into one and today we go out as such — as one.
Our years together have proven educational — academically as well as socially. We have learned from books and from our teachers and yet we have learned just as much from each other and from just being in an environment that only a high school can offer. Our school has allowed us to make some good friends — hopefully, life-long friends. This setting has allowed us to grow together: we entered as awkward adolescents and are leaving as young adults. This setting has provided some good and some difficult times. There have been athletic events, social gatherings and other activities; there has been much laughter in classes and in the halls. Admittedly, there have been hardships but in such times we have, characteristically, come together and have emerged, unadulterated, possibly stronger than before. I should like to think that we’re a special class, unlike any other. Each individual adds to the total character of the group, adding to its uniqueness.
Today — graduation — is a happy day; we feel a sense of accomplishment and fulfillment. However, there is some sadness involved since it marks the end of our attachment to the high school. We will miss being in this comfortable environment I have spoken about; we will miss seeing people we have grown accustomed to seeing every day. Four years ago, graduation seemed an eternity away but today, looking back, those same four years seem all too short. In high school, we have been challenged by much but leaving it is proving to be the ultimate test.
We now embark on a different journey — our only supports being our backgrounds and what we’ve learned here. Four years ago, we were pioneers and today we move on to conquer new territory, a “new frontier” — we begin our journey into the future. As one contemporary song by the group U2 states:

I've conquered my past
The future is here at last
I stand at the entrance
To a new world I can see.

To each of the graduates: I wish you the best of luck. And to the world beyond the walls of Watertown High School: be prepared, the class of 1989 is on its way. THANK YOU.
Monika Walczak

Salutatorian Address, 1989

Fellow classmates, teachers, administrators, school committee, parents, relatives and friends. The years together have passed quickly and what once seemed far off has arrived.

Today we are meeting together for the last time as students of Watertown High to celebrate together and to say good-bye to each other and to the teachers and administrators.

Our graduation ceremony represents the first step in a momentous transition that we are about to make. We are about to enter a very competitive and tough world. No longer will we be judged as high school students but as independent adults and as adults, are going to make a difference in our society whether going to work right after high school, starting college, or joining the armed forces.

We, the class of 1989, must face the future not with uncertainty, fear, or apathy but with enthusiasm, determination and optimism. We received a good quality education and there are many opportunities open to us. We have to use both of them to change the world. We cannot turn our backs on the serious problems of drugs, crime, poverty, unemployment, AIDS, prejudice, the environment and nuclear confrontation — to mention only a few. As we reach adulthood we must help to solve some of these world wide issues. It is our moral obligation to the past as well as future generations to try to improve the society of which we are all a part.

Set your goals high but don’t forget that life should include some fun and relaxation too. We should enjoy life to the fullest and show our love to one another. Our future depends on what we do with our lives in the next few years. Through cooperation and dedication we can achieve almost anything we want to in life.

In closing I would like to quote, for the class of ’89, the words of a great heavy metal group, Stryper:

“Let’s join together and make a stand
Let’s make a change throughout our land
Renew our bodies, spirits, minds and hearts
It’s up 2 U to make a start
Come on everybody
And put your hands up in the air
Just move to the rhythm
Join in people everywhere
There is an answer for these troubled times
Together we can make it right
Renew our body, spirit, mind and heart
It’s up 2 U to make a start”

The night moves slowly away from us
And softly, you must follow . . .
Leaving behind all the smiles, tears, laughter,
and pain we shared together.
Go towards the light, dear friend,
And with every step you take,
You will not be lost
For —
Your beloved hand will never leave ours.

ACKNOWLEDGEMENT

During our four years at WHS, we experienced hope and joy; we experienced pain and sorrow; we had our moments of triumph and glory; we had our moments of agony and defeat; we struggled together through the dark times but we always emerged into a promising light of hope, stronger than before. We laughed, we cried, we danced, we played. Those days that once seemed so long and laborous are suddenly over. We have come a long way since that day when we first crossed the school's threshold as freshmen. Now we are mature adults, anxiously seeking a bright and glowing future. As you turn the pages of this book, I hope that fond memories will be recalled because those spent years should be remembered forever.

I would like to express my warmest appreciation to Mr. Trani. Without his guidance and support, the book would never have been published. I would also like to extend my deepest gratitude to Debbie Tripp, my business editor. She raised an impressionable sum of money which funded this book. Thanks, Deb — for all your help and also for putting up with me at times. I would also like to thank Cathy Mastroianni, my sports editor. Thanks for chasing down those coaches and getting things done. Finally I would like to thank the teachers, the students, and the Yearbook staff for helping make this yearbook a success. We did a good job.

Lastly, I wish everyone a bright future and lots of happiness. I hope all your goals and dreams come true. Remember . . . we can do anything. Good bye and good luck.

Michele Lee
Yearbook Editor
