The class of 1990 has spent some 720 odd days joined together reaching for a common goal. No matter what setbacks we encountered or impasses we reached, we carried on, minds set on graduation from our hallowed halls. We converged as freshmen with high expectations, enthused yet apprehensive. By sophomore year we’d established ourselves in school and made ourselves known.

Junior year brought increased academic pressure as well as upper class status. The passage of time has proved to unite us. Our class has grown together over these four important years of our transition from childhood to young adulthood.

The time we have awaited is upon us. Senior year has arrived, and we stand on the bridge linking past to future,
childhood to adulthood, faced with some of the most important decisions of our lives. Regardless of where we venture, special memories will stay with us forever, and loyal friends by our side. Our days at Watertown High School will not be forgotten.

With this 1990 yearbook, we hope to encapsulate some of our more memorable endeavors, our dreams, our unique character — the essence of the class of 1990. They say those who forget the past are condemned to repeat it. This yearbook serves to help us remember.

We’re in the limelight. It’s been a comedy, a tragedy, a mystery, a romance, and a satire. In retrospect, we offer four years in review, to record our love, from here . . . to eternity.

"Insist on yourself. Never imitate."
I never let my schooling interfere
With the onset of the new decade, the Watertown School System welcomes our new Superintendent of Schools, Dr. Sally Dias. A former physics teacher and a life-long educator, she is impressed by the harmony with which the various ethnic groups interact and the cultural diversity throughout the Watertown Schools.

Dr. Dias has numerous plans for changes in the Watertown School System, and is enthusiastic and determined in achieving her goals. Her aspirations include building a stronger sense of community among the schools in Watertown, improving the quality of the school curriculum at all levels, and developing a partnership between parents, students, faculty and administrators.

With the leadership and dedication of Dr. Dias, the years ahead look to be prosperous and successful.
Dear Class of 1990:

Congratulations on completing twelve years of education. Earning a high school diploma represents effort and commitment and you are commended for having obtained a goal that too many young people "let slip from their hands." For those of you who worked particularly hard at your studies and for those of you who have chosen to continue with your education, we salute you as potential leaders of our nation. We will need your energy, your knowledge as well as your creative problem solving powers to correct a number of our nation's problems. To those of you who have decided to join the world of work, we wish you immediate success in meeting the demands and pressures of your new careers. To all of you, I wish you good health, career success and personal happiness. We hope that in some way Watertown High School has helped you develop as a more independent person and a more productive citizen. Please know that you are welcome to return to visit your old school. We cherish that contact.

Sincerely,

Manson P. Hall
Headmaster

1989 FOOTBALL

The 1989 Red Raider football team was comprised of a hard-working dedicated group of young men whose record of 2 wins and 8 losses was not indicative of the team’s success.

The team was led by captains Brendan Dickie, Nazar Ohanessian, and David Solari who were presented leadership awards by Coach Barbati at the banquet.

Special recognition was given to the following seniors at the team banquet sponsored by the Parents’ Gridiron Club: David Solari — Michael Avtges Memorial Award, Chris Lessard — Middlesex League All Star and Outstanding Defensive Player, Nicholas Paras — Student/Athlete Award, John Barry — Outstanding Lineman, Levon Balian — Unselfish Dedication, Michael Beirnie — Outstanding Back, and Tim Haggerty — MHSFCA Award.

The junior varsity and freshman teams had excellent seasons and should provide the help next year that the varsity needs to compete for the Middlesex League Championship.
1989 Watertown Field Hockey State Champs!
The 1989 Watertown field hockey season started off with many high expectations. With the strong leadership of tri-captains, Cathy Guden, Joanna Rudalevige, and Kim Boyd, the team was very competitive and prepared for each game.

We had many people who received individual awards for their accomplishments with the team. Kim Boyd was named to the Middlesex League Honorable Mention All-Star Team; while Amy Guggina, Lauren Khoozolian, and Cathy Guden were named to the Middlesex League All-Star team. (Cathy was named Most Valuable Player 3 years in a row.) Both Cathy Guden and Lauren Khoozolian were named to the Boston Herald All-Scholastic Field Hockey team. Cathy Guden was also named to the Boston Globe All-Scholastic Field Hockey team 3 years in a row. (This year, she was named Division 2 Player of the Year). Also, Cathy Guden was selected to the U.S.A. Penn Monto All-American Field Hockey team.

In terms of statistics, Watertown had 3 of the top 10 scorers in the Middlesex League — Cathy Guden, Lauren Khoozolian, and Patty Grady. Our defense allowed the fewest shots on goal — 42. The defense consisted of Joanna Rudalevige, Meaghan Reilly, Lauren Manzeli, Amy Guggina, and Ann Joyce. Our goalie, Kim Boyd, allowed just 4 goals during the regular season, and had the best save percentage = .904 and her goals against average = .222.

For the third year in a row, we led the league in scoring with 51 goals and allowed only 4 goals. With these two statistics, you can tell we are a true team in every sense of the word.

With all the individual accomplishments, the Watertown High field hockey team as a unit performed an even bigger feat. Once again, the team went undefeated in the Middlesex League with a record of 17-0-1, clinching the title for the third year in a row. This year, our motto was "to play each game as if it were your last." Wining the Division 2 North and State Title was such a tremendous accomplishment on everyone’s part. It took a lot out of everyone. That was evident in the 3-2 overtime win over Tynanborough. The players played their hearts out in this game. The team was determined not to make this their last game. In the State game against Sandwich, 5-0 win, everyone was involved in the game. Our team effort truly showed in this game. We played with a tremendous amount of pride, discipline, and enthusiasm.

Some reflections.

Throughout the season, we said we were on a mission. As far as I’m concerned, the mission has been accomplished!
GOLF
Unfortunately for the 1989-1990 Red Raiders golf team, their effort did not reflect their record of 0-9. The team had no seniors and a limited number of players. However, each player put forth their best effort in every practice and match. Next year the Red Raiders hope to improve their record with all of their players. Special recognition goes to Mike Arone, Junior Captain and Middlesex League All-Star.
1989-90 Soccer Team

The Watertown High School Varsity Soccer Team introduced a young, bright new coach by the name of Bill Brittingham. With just four seniors on the team, the team lacked experience at the Varsity level. The lack of experience showed as this young team suffered a record of 0-16-2. However, Coach Brittingham should be commended on his coaching performance considering the lack of support, the lack of supplies, and the lack of an assistant from the Athletic Department.

The future of this team looks bright, and with experienced players and the returning coach, they can slowly rebuild. The team of 1990 will bring back talented players such as Max and Louis Itteriaga, Aram Nalbanian, and Vagash Kandilian.
CROSS COUNTRY

Led by Co-Captains David McArdle and Scott Odom the Cross-Country Team enjoyed a very competitive season finishing tied with rivals Belmont and Melrose for sixth place in the Middlesex League.

The team was very competitive all season. Scoring well against the league’s strongest squads. The team was paced by juniors Scott Coutts and Scott Odom. Senior David McArdle, junior Alan LaRose, and super sophomore René Lessard consistently scored high for the Varsity as well.

Both Scott Coutts and René Lessard were recognized for their fine seasons by being selected to the League All Star Team.

With many veterans returning Coach Sullivan expects great things from next year’s squad.

L. P. Sullivan
The 1989-1990 campaign for the Watertown High School basketball team was most successful. The team compiled a 19-3 record, the best in school history, and seized its first ever Middlesex League Championship, clinching it with a double overtime win over arch-rival Belmont. Along the way the team won the Kiwanis Holiday Tournament, and qualified for the state tournament for the third successive year. Throughout the year the team was always rated in the top ten in Division II, with its peak at number three at the end of the regular season.

The team was led by co-captains Thanh Pham and Nick Diodati, who provided a constant sense of leadership and direction and kept the team focused on its goals. Steve DiVito was the unsung hero of the team, playing up to four different positions, depending on where he was needed. Ron Cerasulo, a transfer from St. Pat's, solidified the middle and always came up with the key rebound. Cary Drapeau’s long range shooting kept things open down low for the play of John Barry. Jason Curry provided a constant foundation of support and good work ethic. Other contributors were Malcom Martin, a 2 time All-Middlesex League, and Craig Keefe. This was a total team effort.

As good as this team was, the magic would have been lost without the efforts of Coach Craig Stockmal and his staff. Coach Stockmal, Jeff Corrigan, Jim Fitzgerald, and Peter Centola were responsible for readying the team night in and night out and should receive notice for their sacrifices. “Hard Work” was the motto of the program for three years and with the success of the past two teams, and this year’s ultimate success, it is evident that “Hard Work” pays off.

1989-1990 Hockey Team

This hockey season was a transition year with the addition of the new coaching staff, Paul Cedorchuck and John Devaney, and the return of Tom Johnson. It was a more successful year than the record of 6-9-3 suggests. Three of the games were lost by only one goal, and three more by two goals. The team was in every game. Some outstanding hockey was played. Watertown also sent five team members to play on the Middlesex League All-Star Team. They were Chris Lessard (Sr.), Sean Burns (Sr.), Brian Demore (Sr.), Michael Loukas (Jr.), and Jamie Venezia (Soph.). This year's Tri-Captains were Brian Demore, Chris Lessard, and Brendan Dickie.

From all the Seniors, we wish the team and coaches best of luck for the future.

For the first time since 1986, the Girls Indoor Track Team won a meet. Led by coach Charlie Smith, the girls defeated Melrose in a decisive victory on January 31. The team is young, and displayed both good effort and potential for the future. The Seniors on the team are Sandrea Baccari, Val Ford, Maura Kelly, Sue MacRae, Sue Meager, Dana Tomaselli and Tara Tracy.
GIRLS' BASKETBALL
WATERTOWN HIGH GIRLS BASKETBALL TEAM 1989-90

Watertown High Girls Basketball Team had a victorious season. For the first time in three years they captured a berth in the state tournament by beating Stoneham for the second time this season. The girls finished fourth in a very competitive Middlesex League losing only to the top three teams who also qualified for the tournament. With a 12-6 record they went on to the tourney to challenge Winthrop High School. The girls prevailed without question and proceeded to the quarter finals only to lose to Concord-Carlisle in a memorable game.

This year's team was led by senior captain Cathy Guden. Cathy was elected, for the fourth time in her high school career, to the Middlesex League All-Star Team. She was also selected for the News Tribune All-Star Team as well as being nominated for the Boston Globe All-Scholastic Team. Being the team's leading scorer her junior and senior years, Cathy averaged 13.7 and 14.7 points consecutively for a high school career total of 814 points. Not only did Cathy score for the team, but she rebounded as well. Cathy averaged 14 rebounds per game for a total of 266 rebounds this season. Her defensive game was just as critical as her offense. Of those 14 rebounds per game, 8 were from the defensive boards as well as 84 steals and 51 blocked shots. She has truly set some records for Watertown High! Despite all her individual accomplishments, Cathy is truly a team player and she had a great team along beside her.

There were four other seniors on the squad; Mary Lenaghan, Laura Metcalf, Nikki Panico and Cheryl Hunt. Mary who was an alternate for the Middlesex League All-Star Team, played the center position for the Raiders. Mary averaged just over 5 points per game but her big contribution was her defensive style. She made it known that the "paint" was her and any opponent would know it, if they dared to "trespass." Her fine rebounding, along with the help from Cathy and Meaghan, made Watertown one of the best rebounding teams in the league! Blocking up Mary at the center position was Laura Metcalf. During her playing time, Laura contributed greatly to the team's effort. She managed to hold her own and scored 15 points and 18 rebounds in the process.

First player off the bench was senior forward Nikki Panico. Nikki scored 32 points, this season and ripped down 24 rebounds. Her quickness and agility aided the Raiders when she played her best game of the season against Middlesex co-champs Belmont. She was one of the best defensive players we had, quick, alert, and aggressive.

Cheryl Hunt was our last senior member of the team, but as they say, not the least. Cheryl's commitment to the program, after all that she had been through, was a lesson to us all. She had a tough roll this year, but Cheryl dealt with it in true spirit.

The rest of our squad were 5 exceptional hard working juniors. Jeannie Kelly played the point for the Raiders. She did an outstanding job in handling the majority of the ball handling. Despite this large amount of time, Jeannie had one of the fewest commitments of turnovers on the team. Jeannie was also chosen for the News Tribune All-Star Team. She was a great team player and will make an exceptional Co-Capt. next year alongside junior Amy Guggina. Junior Lauren Knoozian was our second leading scorer averaging 13.5 points per game. Lauren's quickness and her ability to anticipate passes contributed to her 56 steals this season. She represented the team well as an all-star in the Middlesex League All-Star Game. Juniors Laurel Manzell and Meaghan Rielly complete the varsity squad. Laurel contributed at the guard as well as the forward position ripping down rebounds despite her height deficit. Meaghan was the team's 2nd best in rebounding with 150 this season! She was very effective defensively against some of the best players in the league.

Congratulations to the team for a very memorable season and good luck to the seniors in their future endeavors!

HALLOWEEN DANCE
CLASS BANQUET
I welcome you to take part in this final celebration of the class of 1990. What once seemed like an eternity is now before us, the much-anticipated event, the inevitable rite of passage which will now lead us into adulthood.

This is a time for joy as well as sorrow. For the past four years we have grown together, almost like family. But the ultimate challenge now is leaving the high school as well as our friends. Now we realize how secure and precious our times together have been. Those four years now seem like one fleeting moment but the special thoughts and the memories will forever remain young in our hearts. We have been through a great deal together. We have shared the happiness as well as the sorrows. We will always remember the classes, the teachers, the scholastic and the athletic achievements. For example, who will forget the two consecutive Field Hockey State Championships?

Above all, our greatest friends have been our teachers who have shaped our backgrounds and have helped us realize our potentials. They have stood by us at every step of the way, wanting the best for us. In leaving Watertown High, we would like to thank all the teachers for their strenuous but much-appreciated task.

The one great virtue with which I would endow each one of you today would be the gift of public spirit which will destroy self-gratification and replace it with loyalty and advancement of our society. It is my firm belief that during our high school career, we have placed self-gratification second to public good. Therefore, we aspire to become leaders; we ought to become leaders; and we will become the leaders of the future. To do so, we will put our knowledge and experiences to work in order to be happy and successful in our future careers. We possess the necessary key — the freedom of thought. Our future is bright. At Watertown High we have received the quality education that will prepare us for the world in which we live and in which we must play an important part.

We are glad to live in an environment, which unlike some, advocates academic freedom and freedom of thought. John Steinbeck, in his novel East of Eden, correctly stated: “This I believe: that the free exploring mind of the individual human is the most valuable thing in the world. And this I would fight for: the freedom of the mind to take any direction it wishes, undirected. And this I must fight against: any idea, religion, or government which limits or destroys the individual.”

And so, as we follow our separate paths to a new horizon, let me wish you a future full of good health and much happiness.
Good evening (English), buenas tardes (Spanish), dobro večer (Yugoslav/Russian), pari yigun (Armenian), buona sera (Italian), chao buoi (Vietnamese), god stften (Swedish), sar bemar (Persian), luta noite (Portuguese), kalispera (Greek), bon soir (French), mer haba (Turkish), guten abend (German), gock wai nei ho (Chinese), masah al-khair (Arabic), salutete (Latin), chonas ta tu anocht (Gaelic), salam wai kum (Pakistanian), bună seara (Romanian).

Good evening in all the languages of our class. Welcome to the diverse culture of Watertown High. I am sure that everyone here has recognized at least one of the foreign languages with which I greeted you.

All people are unique, but in this community it is our cultural differences which make us stand out. In Watertown we are encouraged to express our differences in nationality. We have not changed our names; we have not forgotten any of the countries from which our ancestors had originated. Even though we are mixtures, none of us are the same blend from the great American melting pot. Whether we are one hundred percent Arabian or an English, Irish, French mix, we are all unique through our heritage combinations. Unlike many other communities in the United States, Watertown is distinct through its large immigrant diversity.

Here we have the freedom to practice our traditions, religions, languages, holidays without being embarrassed, while we learn more about others. St. Patrick’s Day, Chinese New Year, Cinco de Mayo, and Hannukah celebrations take place year round in Watertown both publicly and privately. We all have had the opportunity to attend and participate in these cross-cultural programs.

Foreigners established this town in 1630 and foreigners roam through its streets today. Persian, Chinese, and Greek restaurants are everywhere. New immigrants try to install their former lifestyles and traditions; old immigrants like to remember the uniqueness of their culture, country, and language; children of immigrants search through the foreign branches from which they emerged as they are proud of all the nationalities which make up their person; and, at the same time, all these people unconsciously create new customs and rules to live by.

I know a boy from Watertown of Italian descent who was born in America, but now lives in Germany where he studies Spanish. I know a girl who was born in Argentina of Armenian descent and now lives in Watertown where she will study Latin. I know teachers who have emigrated from Canada, Syria and Italy and others who have taught in England and Korea. These people are evidence of Watertown High’s cultural diversity. Through them and other immigrants and foreign exchange students we have had the chance to learn directly of life in other parts of the world; we have been allowed to come face to face with people and experiences completely different from ourselves. Thus Watertown High has prepared us for the increasingly international society we will encounter in the real world.

We all have seen revolutions and political changes, marches for human rights, involvement in environmental issues, and international business spread all over the world. We have realized that in order to succeed tomorrow we must learn more about our competitors and where they’re coming from today. This knowledge doesn’t necessarily come from books, but from dealing with people from other countries. Our experiences here have trained us for the future.

If we want to be part of the growth in international relations we must continue to search through ourselves. As people of a variety of nationalities we must understand ourselves and our backgrounds in order to be ready to understand others. Only then will we be fit for the outside world.

Since kindergarten we have been directed and instructed by others, yet most of our education has come from within. We have set our own dreams, our own goals, most of which are yet to be realized. We have been guided to create original paths to walk on, and now, for the first time in our lives, we have the choice to stop or to continue walking.

ACKNOWLEDGEMENT

In years to come, the mention of high school will conjure different sentiments for each of us. Whether they be nostalgic or not, it is inevitable that we share a common bond of membership to the Watertown High School Class of 1990. Four years we have spent together, learning not only academically, but learning from each other. From our friendships and acquaintances, we established our values and set standards for ourselves. As we graduate from Watertown High School, we graduate as a class, but more importantly, as individuals with unique talents and aspirations. Each one of us had contributed in our own way to create the character of the class of 1990, and now it is time to move on. We enter the realm of the real world during an era of many problems and many will depend on our generation to find solutions to them. Society calls on our individuality.

This 1990 Annual displays the individuality, the uniqueness of our class in the diversity of our talents and interests that make our class what it is. We hope this book brings you laughter and fond memories of these four years. I would like to express my sincere gratitude to Mr. Trani whose tireless efforts and expertise produced this book, to Skip whose alacritous nature we could not have done without, to Jason who is fully responsible for raising the money that funded the publishing of our yearbook, and to the yearbook staff, especially Patty McEvoy, Kristen Studley, and Ioana Urma, for all their help.

May God grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference. Congratulations to the Class of 1990 and best of luck always . . . Maura.
