In Loving Memory

Peter B. Clough

"Oh Great Spirit keep me from ever judging a person until I have walked in his moccasins."

Sioux Indian Prayer
"I remember Mr. Clough as being the first teacher I wanted to work hard for, learn from and who truly cared whether or not I reached my full potential. He instilled in me a love for learning that will continue to inspire me in all that I do."

Lauren Furbush '96

"I remember Mr. Clough as a person who always had time for everyone. He was a teacher who put everything he had into his classes and his students. Mr. Clough's goal was to make his students better people. This was a goal he attained quite often. We all loved him very much and we miss him each and every day."

"Barbara Williams
you truly represent what is best about our profession.
Your dedication to the highest standards of pedagogy, your willingness to help
make the school a more caring place, your devotion to students of all abilities and
backgrounds, and your ready smile coupled with words of encouragement to students and colleagues
make you an exemplary teacher.

Your classroom is a laboratory for teaching proficiency in world languages. Your ability to make each lesson a special
experience, combining learning about culture and history with language, helps your students understand the importance of
communication in a world that truly needs this skill more than ever before. Your unique ideas about honoring diversity were best
represented this year in the special celebration of 'Cinco de Mayo' in your Spanish class. Here students combined music, food, art and
language in ways they will never forget. If school was in session for 'Bastille Day', you would probably organize fireworks and a special
performance of the Marseillaise for your students of French!

In addition to your teaching, you have provided a special haven for our students who come from other countries. Your work with the
International Club supports the core value of respect for differences, and exemplifies your caring concern for others. The wonderful
bulletin boards outside your room reflect special holidays from around the world in many different languages. Students feel
welcomed, respected and honored by your hard work, often before and after school, with them.

For everything you do, in your classroom, and with your students and colleagues we thank you, and honor you as
teacher of the year for 1996!"

As presented by Mrs. J. Huntington, Headmaster, June 7, 1996
Putting together this year's Annual was more than difficult. Not only did we get a late start, but we had no advisor. Luckily, Mrs. Fantasia jumped in to fill the void and gave us her time and room 168 for us to work. And work is what we did from 2:30 to 7pm every Wednesday. The final product I am proud of and I know you will be too, because it has captured some of Watertown High's greatest events.

I would like to thank my editors Stephanie Aragon, Lauren Furbush, Alicia Gregoire, and Tara Lombardo for all the time and effort they spent making this yearbook a reality. I extend my gratitude and thanks to our publisher, Paul Delaney, everyone at Burlington Studios, Mrs. Huntington and especially Mrs. Fantasia for putting up with us all year long. I also want to thank the staff for their various contributions. We all know who you are and what you did.

To the Class of 1996, I wish you the best of luck in all your future endeavors whether they are in furthering your education, joining the military or joining the work force. I hope when you flip through the pages of this yearbook you will be reminded of all the times the Class of 1996 has shared together — happy or sad. Cherish these memories, always.

Playing It All Together
Cross Country is not a sport of fame or glory, but the 95/96 season proved that neither are required to call a season successful. Though winless throughout the tough Middlesex League schedule, the team accomplished many of their goals of personal growth and growth as a team. Captains Matt Madden and Robbie LeBlanc were joined by returning veterans Jason Mirabito, Danny LeBlanc, and Doug Doo. The team also had first time runners Jim Furbush, Nathaniel Chase, Michael Deane, Brian Madden and Joe Reynolds. Everyone put a great deal of effort from the long, hot runs in August to the frigid races in November. Overall, it was a successful season that will propel the team to victory next fall. Though no member of the Boys' Cross Country team graduates this year, we will miss departing Seniors from the Girls' Cross Country team, as well as the entire WHS Track program.

The Girls' Cross Country team had an unforgettable season this year. The girls' and boys' teams together exemplified the meaning of "Team Spirit." Team dinners were also a part of the spirit that stretched beyond the meets and everyday practices. With outstanding coach Larry Sullivan, the team was pushed to the limits of their athletic ability. The wins over Wakefield and Melrose did not come easy, but they were victorious days for a team that worked so hard. Seniors Rachael DeAngelis and Tara Lombardo will be sorely missed next season. The friendships formed this fall between both teams is something special and will always be remembered. Individual Honors went to Rachael DeAngelis and Becca Missal who were named to the News Tribune Cross Country All-Star Team.

The 1995 Field Hockey team continued their winning tradition this season, qualifying for the MIAA State Tournament. Though they were eliminated in the Division 2 North Title game by a powerful Manchester squad, an excellent effort was given by all members of the team. Senior Captain, goal keeper, Lori Piscatelli, led the team in their undefeated regular season which earned them the Middlesex League Title with a record of 16-0-2. Lori was honored as a member of the All-Star Team as were Seniors Michelle Deane and Sarah Mack, and Sophomore Jane Rogers. The Raiders Field Hockey team ended their fine season with a final record of 18-1-2.
The 1995 Football program gained a great deal of respect this season from their league opponents with a spectacular winning record of 7-2-1, placing third in the tough Middlessex League. With a small squad of only 36 players, the attitude, ambition, determination, and hard work of each player doing his own job helped to accomplish the team's success throughout the season. All Seniors were outstanding on both offense and defense as they approached each game with a "go to war" motto and brought the team to victory. Hometown heroes came on Thanksgiving Day as the Raiders beat arch-rival Belmont 21-7. This was Watertown's first win in 3 years and Coach Paul McGovern's first Turkey Day win ever in his football career as a head coach. Senior players received victory game balls for outstanding individual performances during the season: John Castanino for the Somerville game, Joe Ayube for Burlington, Justin Schneider for Stoneham, John Marchesano for Lexington, Mark Timperio for Woburn, Paul Fantasia for Winchester, Tom Dicker for Melrose, and Mike Rossi for Belmont. Accolades went to Seniors for Middlessex League efforts: Honorable Mention to Castanino, Fantasia and Rossi, Second Team to Marchesano and Schneider. League All-Stars were Timperio and Dicker.

Coach "Buster" McGovern, Middlesex League Coach of the Year

Football 41
Being the first winning season for the football season since we have been in high school, we had more fun than ever cheering them on. In addition, we also accomplished a lot on the sidelines. We dazzled the Middlesex League at Exhibition, and rocked the school at the Fall Rally. All our practicing and performing greatly paid off when we placed in our first competition-ever!

The squad’s undying spirit and dedication — led by Senior Captains Laura Mosman and Paula Murphy — never ended. Furthermore, our enthusiasm was shared by more than just the winning team and the overflowing crowds at Victory when we appeared on the KISS 108 radio station to cheer our team on. We were never so united, so dedicated, and so spirited as we were during this, our best season at WHS. And we will never forget it!

The Golf Team was very determined to improve their skills this year and put forth their best effort in each and every match. They worked very hard and showed great signs of improvement during the course of the season. Led by Seniors Matt McCaffrey, George Juliano and Steve Raute, the team remained competitive under the tutelage of Mr. Tom McGovern. With many new faces, next year's squad will look to make an impact on the highly skilled Middlesex League.

The Boys Soccer squad battled all year long throughout a rigorous Middlesex League schedule that consisted of a few of the State's top teams. Led by Seniors Mike Cimen (Capt.) Peter Thomopoulos (Capt.), Ratchapon Phosakhar, Chris Khaytyan, Enzo Carbone, Dave Joyal, Cesar Solares, Leonid Bondarenko, David Blount, and Carolos Zourdos, the squad played tough, clean soccer. The highlight of the season was a 1-0 victory over the Lexington Minutemen at Moxley Field.

The 1995 Soccer Cheerleading season was a memorable one. With new uniforms in hand, we participated in our first ever cheerleading exhibition. Experimenting new techniques and stunts, we had fun putting together a routine to perform for the school at the pep rally. Girls, remember the Woburn night game when we were deserted in the empty school parking lot, leaving only Mrs. Best to get us there on time!

The Girls Soccer Team did a fantastic job in their season. The team was lead by Senior Captain's Cassandra Pirolli and Anne Painter. From pre-season right on up until their last game they never gave up their pride or Raiders spirit. The WHS Boys' basketball team competed in one of the toughest leagues in the entire state. Under the direction of second-year coach Steve Harrington, the team made great strides and figures to be a strong contender in future years. Senior Paul Connolly, Frank Bennett and Mark Donahue led the way for the Raiders in 95-96 while junior Co-Captains Mark Raymond and Tim Fitzgerald provided leadership and scoring punch. Middlesex League honors went to Raymond and Fitzgerald and their return will help to lead Watertown back to the top of the league.

We went into this Basketball season with high hopes and we were not disappointed. Cheering at two games a week kept our spirit and excitement high. We practiced hard and cheered loud. The 1995-1996 Girls' Basketball team began their first season with new Head Coach Joanie Kelly with a suspenseful loss to state powerhouse Burlington. However, led by Senior tri-captains Cassandra Pirolli, Katie O'Brien and Theresa Power, the hope for a tournament berth was alive until Melrose handed the team a loss in the final days of the season. With their 8-12 record the Raiders enjoyed the most successful season in the four years that the Seniors spent on the team. Cass Pirolli was honored with selection to both the All-Star and All-League Teams.

On the scoreboard, the Watertown High School Hockey team struggled this season, however, this did not overshadow the many positive results that the team made. Thanks to the new coaching staff, under the direction of Dean Sacca, strong team unity and a tireless work effort, this team regained a great deal of respect within the Middlesex League. Seniors Tony Ciulla, Bob Gentile and Middlesex League All-Star Ralph Michaud helped this program take its first step towards respectability and will be remembered for their hard work and leadership both on and off the ice.

The Indoor Track Team worked very hard, stayed focused and gave themselves and Coach Peppy Smith an unforgettable season with two wins back-to-back. Winchester was the first victim, Melrose the second. A super effort was given by all team members.

Seniors competing were Carolos Z.- 600 runner and 1st leg of relay, Garo B.- a new high jumper and dasher, Lenny B.- ran in the 600 and 2nd leg of relay, Nick L.- a new 300 runner, Mike R.- in the shot put & running the hurdles, Paul F.- a 300 runner, high jumper, & anchor leg of relay, Seven M.- throwing shot put, and Tom D.- high jump (league high of 6'4"), dash, & 3rd leg of relay.

Coach Peppy Smith closed the season remembering that "In my long tenure as Indoor Track Coach this was the most talented and outstanding group of individuals I have been associated with. We were all like family".

The Girls' Indoor Track Team finished their season with a record of 1-8. Each member of the team put forth her best effort, in practices as well as in meets. The highlight of the season came with a victory over the Melrose Red Raiders. Victory was especially sweet for the five graduating Seniors: Co-Captains Rachael DeAngelis and Nicole Starck, Lauren Furbush, Tara Lombardo, and Katie Holcomb.

Despite a close loss to Belmont in the girls' final meet, the season ended on a high note. Sophomores Gina Baker and Kathy Barry earned medals in the 1000-yard run and the 60-yard dash, respectively, at the State Class D Meet held at the Reggie Lewis Track and Athletic Center. Although Track is sometimes referred to as an "individual sport," the girls came together to show team spirit at its best.

Strong Season

Four Year Survivors

Girls Indoor Track 63
The young Raider baseball team struggled throughout the 1996 season competing in arguably the strongest league in Massachusetts. Although the team was only 2-18, they improved tremendously from last year. Highlights of the season included back-to-back wins over Wakefield, ranked 15th in the state, and Winchester. These wins brought the Raiders to a record of 2-5, however, they never recovered from an extra-inning loss to arch-rival Belmont. Under the guidance of Coach Peter Centola and the leadership of Co-Captains Senior John Castanino and Junior Bobby DiStefano this team made great strides in a very short period. The team was provided a further boost of inspiration after Senior George Juliano was lost for the season with a broken foot. Middlesex League All-Star Honors went to Castanino and Juniors Sean Connolly and Scott Dunlop.

FRONT ROW: Assistant Coach Lisa LeBlanc, Coach Tom Johnson, Carolyn Ernst, Theresa Farrell, Jamie Callinan, Laura Viklund, Assistant Coach Kevin Gildea.

The 1996 Girls Softball Team began with a rough start. Due to the weather and inexperience of a young team, Coaches Johnson, Gildea, and LeBlanc had a long season ahead. Competition began with the top five teams in the league which didn't help the girls at all. They learned as a team to pull together and play hard, even if it meant not one victory. As the season went on they improved their offensive and defensive game. The team played a spectacular game against Belmont, and learned that by going out and giving their all, they might be able to overcome their one year losing streak. They went into extra innings, losing 16-13 overall, but went down fighting. The Girl's Softball Team walked away with their heads held high looking forward to next year's season. Although the team had no victories, there was two players recognized for their excellence on the road as All-Stars for the league. Junior Captain Jamie Callinan was acknowledged for her great performance at third base and the way she can swing that bat. Also Sophomore Kathy Barry was noticed to be one of the four best second baseman in the league.

The 1996 boys tennis team fought hard throughout the season. Although they had a limited number of players, they got points in almost every match. First Singles player Zohrab Tokatlyan took on a tough role as a Freshman playing this challenging spot. Four year veteran Mark Donahue, a senior, played Second Singles. The highlight of his season came with a 7-6, 6-1 win against Melrose. Peter Giglio, another Senior, put on his game face and played consistently all season long. First Doubles team, Sophomore Dan Holcomb and Senior Nick Russo also played well all season with a win against Woburn. At Second Doubles, Freshman Joel Breakstone and Steve Tokatlyan showed promise and will be a good asset to next year's team.

The 1996 Tennis Team started on very shaky grounds during pre-season when only half of the team was familiar with a tennis racket. Senior tri-captains Angela Balaouras, Danielle Farinato, and Sheri Flecca straightened things out when they assisted the newcomers in learning the game. The season consisted of 18 matches, most of which were rescheduled due to rain. The rain did not stop first singles player Sheri Flecca from winning a point against Melrose, and first doubles players Sylvie Potookian and Mary Soubasaks from winning a point against Woburn. Danielle Farinato, second singles player, and Angela Balaouras, third singles player, also worked hard during the season, but could not capture a win. The tennis team ended another season with an 0-18 record, but the team realized that winning isn't everything. All that matters is that you play hard and have fun.

The feeling of team spirit and pride, along with a sizeable number of energetic new members, drove the track team to a strong season and a few close meets. The dreams of victory were almost brought to fruition as two dual meets came down to the final events and were lost by less than ten points. It was far from lack of talent that caused defeat, but lack of numbers. Assistant Coach Peppie Smith praised the team saying “Definitely a superb group of fine young men, they performed all tasks when called upon and gave 100% in everything they did.” Led in this effort by senior co-captains Carolos Zourdos and Paul Fantasia (the only two who were four-year ‘trackies’), spirit and pride was kept high until the bitter end. Senior Tom Dicker contributed points in numerous events, and was joined by George Keumurian and Sevan Mancilikli who had strong seasons. Senior newcomers Mike Cimen, Nick Limerick, John Marchesano, Peter Thomopoulos, and Mark Tamperio were also extremely valuable contributors to what became a memorable season.

The Girls Outdoor Track Team, led by quad-captains seniors Lauren Furbush and Nicole Starck and sophomores Gina Baker and Alison Mack, finished their season with a record of 0-9. The team was relatively young, with only two graduating seniors, Lauren Furbush and Nicole Starck, and about twenty freshmen. Despite their record, the girls showed great improvement as the season went on. While the team struggled against the tough competition of the Middlesex League (including Reading, the number one team in the state!), the girls improved individual times, throws, and jumps to achieve personal goals. Four girls qualified for the Class D State Meet: Lauren Furbush in the 100-meter high hurdles, Nicole Starck and junior Julie Fantasia in the javelin, and junior Rebecca Missal in the two mile. The 4x100 relay team of Lauren Furbush, and freshmen Nicole Strickland, Jennie Rossi, and Jen Kelly also qualified for the State Meet. Throughout the season, the girls cheered each other on, and proved that you do not have to have a winning season to have fun.

Stephanie Aragon
Valedictorian

Dear Dau, Mr. McGuire, Ms. Huntington, members of the School Committee, faculty, family, friends, and fellow graduates of the Class of 1996 — Good evening.

We are gathered here today to celebrate the end of four anxious yet rewarding years at Watertown High School. Tonight is a time for remembrance, as well as a time for reflection, as we think back to the obstacles we have surpassed along with the friendships we have made, and the lessons that we have learned. As I stand here in my cap and gown, I remember what I learned in order to make it this far; the long hours of studying, last minute computer breakdowns, and passing just enough gates in Honors Physics. And through it all, there were people who are always a helping hand and an understanding ear. For each of us, there have been different experiences that mask our years at WHS. As we set out on our separate ways, these memories of our high school experience will forever remain embedded in our hearts and minds.

Although we are about to embark into the adult world, we must always follow the advice of Lao-Tzu, a Chinese philosopher, and "return to the beginning; become a child again." Children have many admirable qualities. Apart from their energy and vitality, children always take the time to notice the littlest things. On my way home the other day, I spotted a little girl across the street who was so preoccupied with picking up a (barrett and moving a (lot of the parking lot that she didn't even notice the busy traffic around her. Most of us would have been too rushed or entangled in our own thoughts to have even noticed a (ittle girl in our path, let alone take the time to put it out of danger. We must learn from children and live each day to its fullest, with no complaints and no regrets. I urge you to always take time to take a deep breath and inhale all the beauty that is around you. Life is so simple and we should take full advantage of what we have. Unfortunately, we have the same example of our children and friend, Abraham, to make conscious how fragile life is and how unexpectedly it can be. As we move on, we should always remember the child in Abraham and not let ourselves get caught up in our fast-paced society and always appreciate the simple things in life.

Tonight we have reached one of our goals: we are here dressed in our caps and gowns and in a short while we will receive our high school diplomas. Continue setting goals and reaching high. We have done a long way and there is no limit as to how far we can go — it is all determined by our motivation and strength. I wish all of you the best of luck, success, and most importantly, happiness. And I thank you for all the memories of the WHS Class of 1996 that I will forever cherish. I would like to end with these wise words of Benjamin Hoff, author of The Tao of Pooh. "The masters of life know the Way, for they listen to the voice within them, the voice of wisdom and simplicity, the voice that reasons beyond Cleverness and knows beyond Knowledge."

THANK YOU!!
Four years ago, we entered the doors of Watertown High as freshmen, nervous, intimidated by the senior, and scared by the stories we had heard about Freshman Beat-Up Day. However, we were also excited. Filled with hope for the future, and dreams of one day sitting in those very seats wearing these very cap and gown. It is these dreams that have gotten us to where we are today. What was once only a dream has now finally become a reality.

Dr. Due, Mr. McGovern, members of the School Committee, Mrs. Huntington, administrators, faculty, family, friends, and fellow classmates.

How many of us, sitting here right now, know exactly what the future entails? Most of us know where we will be in the fall, whether at school, the armed forces, or at work, but even those who have not yet finished their plans still have dreams for the future. Who is to say that each of us will remain at the same school or the same job for the next four years, or for the rest of our lives, for that matter? No one can say for sure. Look at how our dreams have changed from our childhood — even over the past four years our dreams have shifted.

We began high school with the common dream of graduating and going on to further learning. Now our dreams are of succeeding in life and finding a good job in the field of our choice. From there, however, our dreams are widely scattered. As little kids, most of us probably had dreams of being a rock star, the next Larry Bird or Joe Montana, Miss America, or the first female President. Others dreamed of being lawyers, teachers, or owning their own businesses. Some of our classmates have dreams of biomedical engineering or medical school,

“Don’t Cry If You Love Me”

Death is nothing
I have only passed to the other side.
I am Me, You are you.
What we were one for the other,
We will always be.
Call me what you have always called me.
Speak of me as you always have.
Do not look solemn or sad.
Continue to laugh about what made us laugh together.
Pray, smile, think of me, pray with me.
May my name be spoken at home as it has always been.

Without special emphasis of any sort, without any trace of sorrow.
Life means what it has always meant.
It is what it has always been; the thread is not cut.
Why would I be out of your thought?
Simply because I am out of your sight?
I am not far, just on the other side of the road...
You see, all is well...
You will find my heart,
You will find in it affection.
Wipe your tears and do not cry if you love me.
