Sometimes you just have to stand around and wait, as Aurora Fidler and Olivia Venezia do here.

Fall Sports

2014

This season was a successful year for many sports teams, especially when compared to previous years. The school had four Middlesex League Crosscountry Champions: Amin Touri, Tina Touri, Katherine Tolman and Elizabeth Powderly. The girls took 5th place in their league meet while the boys took 10th, and the girls took 8th in their state meet while the boys took 16th. The Football team was Middlesex League Champions, while the Field Hockey team won their sixth straight Division 2 State Championship! Volleyball had their best season yet when it came to their wins. The less said about Golf the better. Boys' Soccer had a winning season, and the girls' Soccer team put forth a lot of hard work and effort. On Thanksgiving Day, the Football played their 93rd annual rivalry game against Belmont and won, 34-13.
"The seniors were an incredibly dedicated group, who earned this championship."

- Coach Cacace
"Hard work never goes unnoticed and looking back every single thing we did to prepare was worth it."

- Emily L.
"We had another successful season. I was glad to have key players and enjoyed seeing different players step up. To the seniors: Good luck, and we wish you the best."

-Coach Spillane
"We were probably the only team in the whole Middlesex League with more Coaches on the sideline than subs, yet with the amount of heart each player possessed, we fought through the season as a family and came out with good results."

-Becky R.
"Good, better, best. Never let it rest. Until your good is better and your better is best."

- Coach Mo
"No matter the outcome of any match, we all had each other to be around and created great memories."
- Brendan B.
"With a good 600+ miles under everyone's feet, the effort put in by the boys team was all that a captain could hope for, and then some."

- Jared L.

BOYS CROSS COUNTRY
This was arguably the girls cross country program’s best season! I couldn’t be more proud of everything the girls have achieved."

- Tina T.
Determination and pride, we will reach the top Watertown Raiders can't be stopped. Striving to be nothing but the best, We are the Raiders of WHS!

Fall Pep Rally
Fall Pep Rally
This year, Kayla Johnson and the Senior Class decided to host a "WHS Thinks Pink" day in order to raise money and awareness for breast cancer. Many students donated money in return for a pink ribbon, and Kayla Johnson, Becky Riendeau, Katherine Dolan, and Lauren Petrillo went with Ms. Makosky in order to give the money to the Dana-Farber Cancer Institute. The experience was very well received by the student body and will hopefully become an annual tradition at the school!
Class of 2015
Justin Kibuuka is pretty much the best DJ this school has ever seen.
2014

This year, Watertown High School winter teams were at their very best! The Boys Hockey team won the Division 3 State Championship game—their first ever! The Girls Hockey team were the Middlesex League Champions. The Boys Basketball team also won the Middlesex League Championship, and the Girls Basketball team won both the Middlesex League and the Division 2 North Championships. The Cheerleading team came in first place in the Cape Ann Cheerleading Competition. The Wrestling team made it to sectionals, and four of them placed in States: Evan Foun, Sammy Leitner, Alain Mondesir, and Nicholas Stanizzi. Finally, Indoor Track sent many athletes to States and All-States: Austin Lin placed third in the 600 at States, and placed sixth at All-States. The Boys 4x400 team placed second at States and the Girls 4x800 team placed sixth. All of these were school records.
"This year we had a very tough schedule and we accomplished very much. As defending Middlesex League Champions we clinched the title again this year and we are very proud!"

-Emily Loprete

Emily Loprete, the Watertown co-captain of the Maunder hockey team.

"Hard work beats talent when talent doesn't work hard. #fam"

-Austin Farra
"Commitment, sacrifice, and accountability. Everybody working together to achieve something special."

-Gigi Coppola

Captains Rachel Morris and Gianna Coppola.

"I'm proud of how hard my teammates worked this season and how much they showed their toughness."

-Mike Hagopian
"Running is a metaphor for life. There is always someone faster than you, always someone slower. All you can do is hang in there and put your heart into it."
- Unknown
"For success, attitude is equally as important as ability."

-Lucas McNamara
"So proud of this year's team and our accomplishments. Love all of you guys and all of our times together this year. Thank you for being my happy place and my family, and for providing me with memories I will cherish forever. #squad"
