'and whether or not it is clear to you, no doubt the universe is unfolding as it should.'
FOR EIGHTEEN YEARS WATERTOWN SENIOR HIGH SCHOOL HAS HAD THE GOOD FORTUNE TO HAVE AS ITS PRINCIPAL, JOHN J. KELLEY.

TO PROVIDE EFFECTIVE, EQUITABLE LEADERSHIP FOR A STUDENT BODY WITH SUCH DIVERSITY OF ETHNIC, RELIGIOUS, AND CULTURAL BACKGROUNDS AS ARE TO BE FOUND IN WATERTOWN REQUIRES A RARE COMBINATION OF TALENTS.

IMPARTIALITY AND OBJECTIVITY, COUPLED WITH A LARGE MEASURE OF COMPASSION AND HUMANE UNDERSTANDING, HAVE CHARACTERIZED THE TENURE OF THIS GREAT MAN.

OUTWARDLY AUSTERE AND Stern, THIS FACADE COVERS A MAN OF GREAT SENSITIVITY AND FEELING FOR EVERY STUDENT AND STAFF MEMBER WITH WHOM HE HAS DEALT.

STRIVING DESPERATELY TO MAINTAIN A TOUGH EXTERIOR JOHN KELLEY BECAME A WELL-SPRING OF KINDLY ASSISTANCE AND UNDERSTANDING FOR ANYONE WHO HAD A REAL PROBLEM, DESPITE THE FACT THAT THE PROBLEMS WERE FREQUENTLY OF THEIR OWN CONTRIVANCE.

BALANCING THE MULTIPLE PRESSURES THAT BECAME HIS DAILY FARE, HE ESTABLISHED A SENSE OF FAIRNESS, PROFESSIONAL PURPOSE AND REASONED DIRECTION THAT BECAME PART OF THE ATMOSPHERE OF WATERTOWN HIGH SCHOOL.

THE MANY STUDENTS WHO HAVE PASSED THROUGH THIS HIGH SCHOOL IN JOHN KELLEY'S TIME WILL REMEMBER HIS COMMANDING PRESENCE, HIS DEVOTION TO DUTY AND HIS STEADY HAND IN RIGHTING THE WRONGS THAT SO OFTEN OCCURRED.

WITH THE GREATEST OF RESPECT AND AFFECTION WE, THE CLASS OF 1974, DEDICATE THIS ANNUAL TO DR. JOHN J. KELLEY FOR THE LASTING HERITAGE OF LEADERSHIP AND INTEGRITY THAT WE SHALL FOREVER CARRY IN OUR HEARTS.
IN YOUR HONOR,

Dr. John J. Kelley
DESIDERATA

Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

The class of 1974 bids goodbye and good luck to five special teachers . . .

Robert Gleason received his B.A. from Holy Cross College. He came to W.H.S. thirty-six years ago as a social studies teacher. Mr. Gleason has been the director of social studies for ten years. As well as teaching, Mr. Gleason coached the track team.

Donald Robinson received his B.A. and M.A. from Boston College. Mr. Robinson has taught geography and history at Watertown High for thirty-two years. He was principal of the Watertown High evening school for some seventeen years during his tenure at W.H.S.
Peter Burke received his B.A. from Bridgewater State Teachers' College and his M.Ed. from Columbia University. Mr. Burke has been teaching U.S. History at W.H.S. for twenty-seven years. Mr. Burke has served as Junior Class Advisor and runs the elections of class officers.

Alfred Neenan received his Bachelor of Arts degree from Boston College and his Master of Arts degree from Boston University. He has taught English Composition and Literature at W.H.S. for the past seventeen years.

William O'Toole received his A.B. and M.A. from Boston College. He came to Watertown High School forty-three years ago to teach English and Latin. Mr. O'Toole also coached the rifle team.

E.H.N. or more formally Exploring Human Nature is a new interdisciplinary course offered for the first time this year by the Social Studies Department. The course is being taught by a member of the social studies department, Virginia Gray and a member of the science department, George Buckley. The course deals with man and his environment. Students fortunate enough to have the opportunity to enroll in this course have been enthusiastic about it.

The English Department at Watertown High has offered mini-courses for several years. Two of the more successful term courses have been 'Sports' and 'Business English' instituted this year. The sports elective teaches students composition, vocabulary, and public speaking without stifling their interest in English.

The Business English course primarily prepares students for business careers.

This year along with all the paperwork of graduating seniors, and the problems of schedule changes, the guidance people found time to go job hunting. They scoured Watertown and surrounding towns for job opportunities for W.H.S. 1974 graduates. They feel their efforts have been fruitful and with that they resume their scheduling.

The Art Department moved to a new location, Whitehill Hall, January 1, 1974. The new complex houses our three teachers in one large versatile studio.

Projects undertaken by the Art Department included the designing and entering of the high school float in the 1973 First Annual Christmas Parade, held in Watertown on December 2, 1973.

Roy Voci and Linda Esenlohr devoted much of their time to constructing the set for the 1974 WHS musical, "Fiddler on the Roof." Rose Gavrilles organized the high school's participation in the First Annual Watertown Heritage Day.
In keeping with the changing times, Thomas Hazell left for Europe last February to study the Europeans' conversion to the metric system.

If you needed another Math course this year to fill up the void in credits, there was always transformational geometry, (as some would say transcendental) with Charles Garabedian in command.

Also, Susan Sherry returned as a permanent faculty member this year. She was appointed in the spring of 1973.

W.H.S. Revives Chorus...

This year the Music Department has organized a forty-two member chorus, with members from all three classes. This is the first chorus at the high school in two years. The marching band has been as active this year as usual. They played in the Christmas and Easter parades and the football games.

Another new event for the Music Department was the production of W.H.S.'s first musical, Fiddler on the Roof.

Senior Class Officers and Executive Committee

The senior class officers and executive committee sponsored a Halloween double feature movie and W.H.S. first musical play, Fiddler on the Roof.

Of course, the traditional senior activities, The Prom, Class Banquet and awards day were all capably handled.

Student Council

The 1973-74 school year has been full of an assortment of activities for the student council. The activities included the distribution of Thanksgiving baskets to needy families, a voter registration drive, several dances and concerts and a rummage sale. The council members have had an extremely successful year.
The junior class officers sponsored the junior prom and a rummage sale. They also supported all senior class and student council activities.

The sophomore class officers supported all class officers and student council activities and sponsored a talent show.

COLLEGE DAY - SUCCESS AT INDOOR TRACK TEAM FACILITIES

Wednesday, January 9th, 12 seniors at WHS had the opportunity to participate in our newest College Day. With over 12 colleges involved including Harvard, Wheaton, Franklin and U Mass., there was an opportunity for seniors at WHS who are college bound to see what the people at these schools are like.

Have you ever looked at college catalogues in the guidance office? It seems like almost everyone is going to the same, yet almost no one is. Students are beginning to sit down with the graduates, who are already ready to answer questions about the colleges themselves. This gave us the first hand what a college is like, from the courses offered, what the people at the college are like, and what the students at the particular school are like.

This conference was sponsored by the WHS Student Council and its main purpose was to show students the best efforts of the colleges. The conferences were simultaneous, at the facilities of the colleges that conduct them. The colleges don't have to blame the students at WHS for their lack of interest in choosing a college. The WHS doesn't have to blame the colleges that WHS doesn't choose. The money isn't there, the track teams need a track facility, and the schools that conduct these conferences are doing their best, but it isn't enough. The schools, at the same time, wish that the WHS students would be more interested in what the colleges have to offer.

This year's Student Council included four of the ten assemblies that were chosen by last year's Student Council. They include the magician assembly, a film on the thirties, a sports assembly, and a film on Africa. Three others are traditional assemblies, the Veteran's Day assembly, the Memorial Day assembly, and the Christmas assembly. The same format and content have been used for years, and although we have tried changing this, Student Council has a very limited budget with regard to assemblies and with prizes so high, unfortunately we are at a big disadvantage as far as securing really excellent assemblies. Also, students do not pay their dues and this is money we could use.

Finally, the conduct of some students at rallies and assemblies has been so bad it has prompted the faculty and administration to advise sophomores not to be eligible to run for school representative, after which a state election will decide who goes on this outstanding, week-long, all expenses paid trip to the nation's capital.

Kevin O' Riely breaks away.
This year's basketball team after a slow start in which many games were lost by close margins turned the season around with a strong, dramatic finish. Winners of their last four games the team continued the practice of finishing in the top half of the league standings with a 4th place finish. Winchester after winning 15 games in a row had its bid for an undefeated season come to an end at the hands of a fired up Watertown team. The squad followed up this win with a victory over Lexington to become the first Watertown varsity team to defeat a Lexington five.

Paced by senior co-captains, John McCarthy and Jim O'Loughlin, the small but talented Watertown H.S. Cross-Country team ran to a 6 win-3 loss record in the strong Middlesex League. Contributing greatly to that success were 3-year varsity letter winners Kevin Teahan, senior Richie Sherback and Transfer-student Don Berney. Junior Tony Nugent emerged as one of the league's stronger performers and in winning at Burlington, established a new record for the 2.9 mile course.

Juniors Don McWhirter, Dave Ellis and Dave Sheehan added overall strength and depth.

Watertown lost to Wakefield, Melrose and Reading, finishing 3rd in the league as Wakefield was winning its 8th league title in 10 years.
“Come on Kevin, there’s a streaker on campus!”
The boys gymnastic team recorded its finest season in the history of the sport at W.H.S. The team established team records as well as finishing third in the league. The hard work by the team members during the year is indicative of their performance.

Girls Field Hockey 1973

The 1973 varsity field hockey team was a very successful team despite the record. Their success was achieved through the desire of each girl to improve herself as a team player.

Coming into the season the girls were faced with the disadvantages of lack of experience and an extremely balanced Middlesex League. They overcame these problems through the excellent coaching of Elaine Martello, along with the pride of each girl.
Following the flurry and fanfare of the fall sports scene emerged another winning team. The girls' basketball team not only won the Middlesex League Championship and entered the State Tournament but also became the first girls' team to win any title since 1935.

The girls put it all together as far as teamwork was concerned. With limited gym time and facilities, we managed to obtain this success, only because every one on the team gave one hundred and one percent. There were no individual standouts on the team; we won as a team; and even at the end when we lost to Bishop Fenwick in the tournament, we lost as a team.

The Members of Watertown Rotary Club extend their best wishes to the Class of 1974, and urge them, as they embark on their new careers, to adopt as their motto, the slogan of Rotary — "Service Above Self".

We hope that in some small way we helped to influence your Future lives.

THE WATERTOWN TEACHER'S ASSOCIATION
Sure, about to take a giant step toward your future. I think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people rich in all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want job and a future that's tailored to your talent... long with unusually generous fringe benefits, stop and see your guidance counselor. Ask when and how you can apply for an interview with the people who want to make your future as happy as you want it to be.

ACKNOWLEDGEMENTS

The staff of the 1974 Annual are indebted to Roy Voci, William Kelleher, and Linda Esenlohr, for their encouragement and guidance, without which this book would never have become a reality.

Council 155
Watertown, Mass.
On Thursday, May 16, members of the Junior and Senior classes at Watertown High were inducted into the National Honor and Cum Laude Societies. Former candidates also reconfirmed their membership pledge.

The guest speaker for the evening was Mrs. Gertrude C. Broderick, Chairwoman of the Department of Education at Emmanuel College.

Senior class members assisted Dr. John J. Kelley during the assembly. Speeches on the histories of the National Honor and Cum Laude Societies were given by Robert MacDonald and Jacqueline Whitney.
Coach McNicholas, Andy Spordonc, Billy Oates, Don Colleran, Gregg Warren, Kevin O'Reilly, Kenny Dindjian (missing), Martin Nahgian, Dave Herlihy.

Baseball

The Varsity baseball team was led this year by Captain Brian Costello, third baseman Dave Camposano, John Pappas and the pitching staff of Jim Peters, Bill Neylon and Fred Parshley. Many others are also deserving of recognition.

If the one-run games had been turned around, the baseball team could have had a successful season. However, the Junior Varsity was successful and next year should be even better.
Sixteen girls got together with Coach Coffey for the 1974 softball season.

Carolyn Shea was the most versatile player of the team. In her three years of softball she played every position on the field. Carolyn has also received the Coaches Club Scholarship.

Anne Callahan had a great season at second base and crossed home plate more times than any other player. Everyone will miss Carolyn and Anne, but next season should be great.

The team has had a full season of "getting to know each other," so next year should be victorious!
My nose itches!

Tony Mazzeo in the middle of his long jump.

Outdoor track finished with a 2-7 won-loss record. Burlington and arch-rival Belmont were the two victims of W.H.S. track.

The track team possessed enough talent; it was hurt by a lack of depth.

Four members of the Class of ’74 won a varsity letter in outdoor track: William Risso, James O’Loughlin, William Nardone, and John McCarthy.
Fiddler on the Roof

Fiddler on the Roof. Sounds crazy, no? But here in our little school of Watertown High, you might each one of us wanted to put on "Fiddler on the Roof."

With some help from choreographers from the Boston Conservatory of Music, we did. After months rehearsal, the performances came on May 21 and 22. The performances were sold out both nights, and the audiences were enthused about the talent shown by the actors, singers, and dancers.

Members of the cast would like to thank Mr. Zarba and Miss Galebach for making Watertown High's first musical a huge success.

Awards Day
1974

One of the greatest feelings of satisfaction a person may attain is the knowledge that he has excelled in a particular field and has been recognized for doing so.

This year's Annual Awards Day assembly, held on May 30, has proven again that Watertown High has many outstanding students, both academically and athletically.

Congratulations, Carolyn!

Steve lodice receives award from Mr. Kounjian.

He's such a nice boy!

A baseball award for David Camposano.
Another one for Peter Torilli.

Don Colleran receives golf award.

The first of the business awards for Roberta Magnarelli.

Outgoing President Peter Bannon receives award.

Keep it up, Chris!
That was funny.
The faculty came too!

I found a pearl in my ice cream.

Scott Robinson checks out the yearbook.

Doctor Kelly gives his farewell words.
Graduation

That day has finally arrived for Dawn Paltsios, Carla D. Pietro and Doreen Young.

Jay Mondello receives his diploma from Mary Louise McDermott, member of the School Committee.

On June 5, 1974, graduation was held at Victory Field. Four hundred and seventy-four students received diplomas.

Essays to the class were read by Ernest Cormier and Jacqueline Whitney.

Other speakers included Father Desmond of St. Luke’s, Vice Chairman Joseph F. Boyce, and headmaster John J. Kelly.

Science Fair

On March 15, 1974, the scientific proficiency of Watertown High's science students was exhibited. The display is better known as the annual Science Fair.

The entries were divided into two categories, Life Science and Physical Science. The students used scientific ability, knowledge, and creativity in constructing their projects.

In the Life Science category, first prize went to Richard Simoes, second prize to Robert Bejoian, and third prizes to Mark Vangel and John Gatzunis.

Physical Science awards went to Clifford Mitchell, Robert and William Risso, and Donald Astorian and George Daskalos.
